PROXY STATEMENT

FOR ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS TO BE HELD ON

July 27, 2023 at 12:00 p.m. (Pacific Daylight Time)

This proxy statement (“**Proxy Statement**”) and enclosed form of proxy (“**Proxy Instrument**”) is furnished in connection with the solicitation of proxies by the Board of Directors (the “**Board**”) of Planet 13 Holdings Inc. (the “**Company**”) for use at the annual general and special meeting (the “**Meeting**”) of shareholders (“**Shareholders**”) of the Company to be held at 12:00 p.m. (Pacific Daylight Time) on Thursday, July 27, 2023 at 2548 West Desert Inn Road, Las Vegas, Nevada, and via live webcast at: www.virtualshareholdermeeting.com/PLNHF2023, for the purposes set forth in the notice of the Meeting (the “**Notice of Meeting**”). Our Board is using this Proxy Statement to solicit proxies for use at the Meeting. This Proxy Statement is dated June 22, 2023 and is first being mailed to Shareholders on or about June 22, 2023.

A Shareholder may attend the Meeting in person or virtually or may be represented by proxy. Registered Shareholders who are unable to attend the Meeting or any adjournment(s) thereof in person or virtually are requested to date, sign and return the enclosed Proxy Instrument for use at the Meeting or any adjournment(s) thereof.

To be effective, the enclosed Proxy Instrument must be returned to Broadridge Financial Solutions, Inc. (“**Broadridge**”) by mail using the enclosed return envelope to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717. Alternatively, you may vote by Internet at www.proxyvote.com and clicking “Vote” or by calling 1-800-690-6903. All instructions are listed on the enclosed Proxy Instrument. Your proxy or voting instructions must be received in each case no later than 11:59 p.m. (Eastern Time) on July 26, 2023 or, if the Meeting is adjourned, at least 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of British Columbia) before the beginning of any adjournment(s) to the Meeting.

As a company with less than \$1.235 billion in revenue during our most recently completed fiscal year, we qualify as an “emerging growth company” as defined in Section 2(a) of the Securities Act of 1933, as amended, which we refer to as the “**Securities Act**,” as modified by the Jumpstart Our Business Startups Act of 2012, or the “**JOBS Act**.” As an emerging growth company, we may take advantage of specified reduced disclosure and other exemptions from requirements that are otherwise applicable to public companies that are not emerging growth companies. These provisions include:

- Reduced disclosure about our executive compensation arrangements;
- Exemptions from non-binding shareholder advisory votes on executive compensation or golden parachute; and
- Exemption from auditor attestation requirement in the assessment of our internal control over financial reporting.

We will remain an emerging growth company until the earliest of (i) the last day of the year in which we have total annual gross revenue of \$1.235 billion or more; (ii) the last day of the year following the fifth anniversary of the first sale of the common equity securities pursuant to an effective registration under the Securities Act; (iii) the date on which we have issued more than \$1.0 billion in nonconvertible debt during the previous three years; or (iv) the date on which we are deemed to be a large accelerated filer under the rules of the Securities and Exchange Commission.

In addition, the JOBS Act provides that an emerging growth company can take advantage of an extended transition period for complying with new or revised accounting standards. This provision allows an emerging growth company to delay the adoption of some accounting standards until those standards would otherwise apply to private companies. We have elected to use this extended transition period for complying with new or revised accounting standards that have different effective dates for public and private companies until the earlier of the date we (i) are no longer an emerging growth company or (ii) affirmatively and irrevocably opt out of the extended transition period provided in the JOBS Act.

In this Proxy Statement, unless the context otherwise requires, the terms “we,” “us,” “our,” “Company,” or “Planet 13” refer to Planet 13 Holdings Inc. together with its wholly-owned subsidiaries. Unless otherwise indicated, all references to “\$,” “US\$” or “USD” in this Proxy Statement refer to United States dollars, and all references to “C\$” or “CAD” refer to Canadian dollars.

GENERAL INFORMATION ABOUT THE ANNUAL GENERAL AND SPECIAL MEETING AND VOTING

Proxy Materials

Why am I receiving these materials?

The following proxy materials are being mailed and provided to Shareholders for use at the Meeting to be held in person and via live webcast on July 27, 2023: (1) Proxy Statement; (2) a Proxy Instrument or voting instruction card; (3) the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2022, as filed with the SEC on March 23, 2023, (including our audited annual consolidated financial statements of the Company for the fiscal year ended December 31, 2022, together with the notes thereto, and the independent auditor's report thereon and the related management's discussion and analysis), and (4) the Company's Quarterly report on Form 10-Q for the period ended March 31, 2023, as filed with the SEC on May 15, 2023.

The Company will also mail and provide to Shareholders a request for financial statement form for the fiscal year ending December 31, 2023, as required under applicable Canadian securities laws.

As a Shareholder, you are invited to attend the Meeting and are entitled and requested to vote on the business items described in this Proxy Statement. This Proxy Statement is furnished in connection with the solicitation of proxies by the Board. This Proxy Statement is designed to assist you in voting your shares and includes information that we are required to provide under the rules of the SEC and applicable Canadian securities laws.

These proxy materials are being sent to both registered and non-registered Shareholders. In some instances, the Company has distributed copies of the Notice of Meeting, the Proxy Statement, the accompanying Proxy Instrument and the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2022, as filed with the SEC on March 23, 2023, (collectively, the "**Proxy Materials**") to clearing agencies, securities dealers, banks and trust companies, or their nominees (collectively "**Intermediaries**", and each an "**Intermediary**") for onward distribution to Shareholders whose shares are held by or in the custody of those Intermediaries ("**Non-registered Shareholders**"). The Intermediaries are required to forward the Proxy Materials to Non-registered Shareholders.

In accordance with applicable laws, Non-registered Shareholders who have advised their Intermediary that they do not object to the Intermediary providing their ownership information to issuers whose securities they beneficially own ("**NOBOs**") will receive by mail the Proxy Materials.

Management of the Company intends to pay for Intermediaries to forward the Proxy Materials to Non-Registered Holders who have advised their Intermediary that they object to the Intermediary providing their ownership information.

Solicitation of proxies from Non-registered Shareholders will be carried out by Intermediaries, or by the Company if the names and addresses of Non-registered Shareholders are provided by the Intermediaries.

Non-registered Shareholders who have received the Proxy Materials from their Intermediary should follow the directions of their Intermediary with respect to the procedure to be followed for voting at the Meeting. Generally, Non-registered Shareholders will either:

- receive a Proxy Instrument executed by the Intermediary but otherwise uncompleted. The Non-registered Shareholder may complete the proxy and return it directly to Broadridge.
- be provided with a request for voting instructions. The Intermediary is required to send the Company an executed Proxy Instrument completed in accordance with any voting instructions received by the Intermediary.

If you are a Non-registered Shareholder and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained from your Intermediary in accordance with applicable securities regulatory requirements. By choosing to send the Proxy Materials to you directly, the Company (and not your Intermediary) has assumed responsibility for: (i) delivering the Proxy Materials to you; and (ii) executing your proper voting instructions. Non-registered Shareholders who have elected to receive the Proxy Materials by electronic delivery ("**e-Delivery**") will have received e-mail notification from the Intermediary that the Proxy Materials are available electronically on the Company's website. Please return your voting instructions as specified in the request for voting instructions.

Both the Form 8-K and press release will also be available on the “Investor Relations” section of our website at www.planet13holdings.com/investors.

How You Can Vote

What shares can I vote?

Each Common Share entitles the Shareholder of record to one vote at the Meeting. You are entitled to vote all Common Shares owned by you on the Record Date, including (1) Common Shares held directly in your name as the Shareholder of record and (2) Common Shares held for you as the beneficial owner through a bank, broker or other nominee. As of the Record Date, there were 222,247,854 Common Shares outstanding. On May 7, 2021, all of our outstanding Class A Restricted Voting Shares (“**Restricted Voting Shares**”) were converted to Common Shares. As a result, there are no Restricted Voting Shares outstanding.

AS DETAILED FURTHER BELOW, REGISTERED SHAREHOLDERS HAVE THE RIGHT TO APPOINT A PERSON TO REPRESENT HIM, HER OR IT AT THE MEETING OTHER THAN THE PERSON(S) DESIGNATED IN THE PROXY INSTRUMENT either by striking out the names of the persons designated in the Proxy Instrument and by inserting the name of the person or company to be appointed in the space provided in the Proxy Instrument or by completing another proper form of proxy and, in either case, delivering the completed proxy to Broadridge by mail using the enclosed return envelope to Attention: Vote Processing c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717. Alternatively, you may vote by Internet at www.proxyvote.com or by calling 1-800-690-6903.

What is the difference between holding Common Shares as a Shareholder of record and as a beneficial owner?

Most of our Shareholders hold their Common Shares through an Intermediary such as a bank, broker or other nominee rather than having the Common Shares registered directly in their own name. Summarized below are some distinctions between Common Shares held of record and those owned beneficially.

Shareholder of Record (Registered Shareholder)

If your Common Shares are registered directly in your name with our transfer agent, Odyssey Trust Company, you are the Shareholder of record of the Common Shares. As the Shareholder of record, you have the right to grant a proxy to vote your Common Shares to representatives from the Company or to another person, or to vote your Common Shares at the Meeting.

Beneficial Owner (Non-registered Shareholder)

If your Common Shares are held through a bank, broker or other nominee, it is likely that they are registered in the name of the nominee and you are the beneficial owner of Common Shares held in street name.

As the beneficial owner of Common Shares held for your account, you have the right to direct the registered holder to vote your Common Shares as you instruct, and you also are invited to attend the Meeting. Your bank, broker, plan trustee or other nominee has provided a voting instruction card, or otherwise provided voting instructions, for you to use in directing how your Common Shares are to be voted.

How can I vote at the Meeting?

The Meeting will be held both in person and virtually to allow greater participation. Even if you plan to attend the Meeting either in person or virtually, we recommend that you also submit your proxy or voting instructions as described below, so that your vote will be counted if you later decide not to attend.

Voting at the Virtual Meeting

Shareholders may participate virtually in the Meeting by visiting the following website: www.virtualshareholdermeeting.com/PLNHF2023. To participate in the Meeting virtually, you will need the 16-digit control number included on your Proxy Instrument or on the instructions that accompanied your proxy materials. Shares held in your name as the Shareholder of record may be voted electronically during the Meeting. Shares for which you are the beneficial owner may be voted electronically during the Meeting if you hold a valid proxy to vote at the Meeting.

Voting at the Meeting in Person

If you are the Shareholder of record with respect to your Common Shares as of the Record Date you may vote the Common Shares in person at the Meeting. If you choose to vote in person at the Meeting, please bring your Proxy Instrument or personal identification. Common Shares held in street name may be voted in person by you only if you obtain a legal proxy from the Shareholder of record giving you the right to vote your beneficially owned Common Shares.

Even if you are currently planning to attend the Meeting, we recommend that you also submit your proxy as described above so that your vote will be counted if you later decide not to attend the Meeting. Submitting your proxy via Internet, telephone or mail does not affect your right to vote in person or at the Meeting. As described below, if you nominate a third party proxy holder to vote on your behalf in person at the Meeting, please ensure your nominee has your 16-digit control number.

How can I vote without attending the Meeting either in person or virtually?

Whether you hold your Common Shares as a Shareholder of record or as a beneficial owner, you may direct how your Common Shares are to be voted without attending the Meeting or any adjournment(s) or postponement(s) thereof. For directions on how to vote, please refer to the following instructions and those included on your proxy or voting instruction card. A proxy form will not be valid unless completed and deposited in accordance with the instructions set out in the proxy form.

If you are a Registered Shareholder, you may vote by submitting a proxy. You may vote over the internet at www.proxyvote.com, by phone at 1-800-690-6903 or by mail by signing, dating and returning the Proxy Instrument to Attention: Vote Processing c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

If you are a Non-registered Shareholder, you may vote by submitting voting instructions to the registered owner of your Common Shares in accordance with the instructions on your voting instruction card.

The persons named in the accompanying Proxy Instrument, Larry Scheffler and Robert Groesbeck (“Management Nominees”), are directors and officers of the Company. A Shareholder has the right to appoint a person or company (who need not be a Shareholder) other than the persons whose names appear in such Proxy Instrument, to attend and act for and on behalf of such Shareholder at the Meeting and any adjournment(s) or postponement(s) thereof. Such right may be exercised either by striking out the names of the persons specified in the Proxy Instrument and inserting the name of the person or company to be appointed in the blank space provided in the Proxy Instrument, or by completing another proper Proxy Instrument and, in either case, delivering the completed and executed proxy to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717, no later than 11:59 p.m. (Eastern Time) on July 26, 2023 or, if the Meeting is adjourned, at least 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of British Columbia) before the beginning of any adjournment(s) to the Meeting.

The proxyholder does not need to be a Shareholder, but the proxyholder does need to understand that the Registered Shareholder's vote will not be counted unless the proxyholder attends the Meeting and votes the Registered Shareholder's Common Shares.

If you are a Non-registered Shareholder and wish to appoint someone else as your proxyholder, including yourself, to participate in the Meeting, including asking questions and voting, please follow the instructions in the voting instruction form or contact your Intermediary for instructions.

If I have appointed a proxyholder, how can they participate in and vote at the Meeting?

If you are a Registered Shareholder and have appointed someone other than the Board's nominees as your proxyholder, the person you have appointed as your proxyholder must obtain a 16-digit control number to participate in the Meeting as your proxy and vote your Common Shares. It is the responsibility of the Shareholder to advise his or her proxyholder to contact the appropriate party to obtain a 16-digit control number. **Without the 16-digit control number, proxyholders will not be able to participate in the Meeting, including asking questions and voting.**

Requests for a 16-digit control number must be made by 11:59 p.m. (Eastern Time) on July 26, 2023.

What will I need to attend the Meeting virtually?

If you were a Shareholder of record as of the close of business on June 5, 2023, or you hold a valid proxy for the Meeting, you may attend the Meeting virtually, vote, and submit a question during the virtual Meeting, by visiting www.virtualshareholdermeeting.com/PLNHF2023 and using your 16-digit control number to enter the Meeting.

If you are not a Shareholder of record but hold Common Shares as a beneficial owner in street name (i.e. a Non-registered Shareholder), you may join the Meeting by obtaining a proxy from the owner of record and their 16-digit control number, or you may join the Meeting as a guest. If you join the Meeting as a guest, you will not be able to submit questions or comments, and you will not be able to vote at the Meeting.

If you do not comply with the procedures outlined above, you will not be admitted to the virtual Meeting.

Will I be able to attend the Meeting virtually without a 16-digit control number?

Yes, you may register to attend the Meeting as a guest, but you will not be able to submit questions or comments and will not be able to vote at the Meeting without your 16-digit control number.

What if during the check-in period or during the Meeting I have technical difficulties or trouble accessing the virtual meeting website?

We will have technicians ready to assist you with any technical difficulties you may have accessing the virtual Meeting. If you encounter any difficulties accessing the virtual Meeting during check-in or during the meeting, please call the technical support number that will be posted on the virtual Meeting login page www.virtualshareholdermeeting.com/PLNHF2023.

How do I submit questions or comments for the virtual Meeting?

Registered Shareholders and duly appointed proxyholders who wish to submit questions or comments may do so during the live webcast of the Meeting at www.virtualshareholdermeeting.com/PLNHF2023. Instructions will be available on the virtual Meeting site and technical assistance will be available.

How will my Common Shares be voted?

Common Shares represented by properly executed proxies in favor of persons designated in the printed portion of the enclosed Proxy Instrument **WILL, UNLESS OTHERWISE INDICATED, BE VOTED FOR THE ELECTION OF DIRECTORS (PROPOSAL NO. 1), FOR THE RE-APPOINTMENT OF THE AUDITORS (PROPOSAL NO. 2), FOR APPROVAL OF THE NEVADA DOMESTICATION (PROPOSAL NO. 3) AND FOR THE APPROVAL AND ADOPTION OF THE 2023 EQUITY INCENTIVE PLAN (PROPOSAL NO. 4).** The Common Shares represented by the Proxy Instrument will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. The enclosed Proxy Instrument confers discretionary authority on the persons named therein with respect to amendments or variations to matters

identified in the Notice of Meeting or other matters which may properly come before the Meeting. As of the date of this Proxy Statement, management of the Company knows of no such amendments, variations or other matters to come before the Meeting. However, if other matters properly come before the Meeting, it is the intention of the persons named in the enclosed Proxy Instrument to vote such proxy according to their best judgment.

Will Common Shares I hold in my brokerage account be voted if I do not provide timely voting instructions?

If your Common Shares are held through a brokerage firm, they will be voted as you instruct on the voting instruction card provided by your broker. If you sign and return your card without giving specific instructions, your Common Shares will be voted in accordance with the recommendations of our Board.

If you do not return your voting instruction card on a timely basis, Canadian brokers are prohibited from voting your Common Shares.

If you do not return your voting instruction card on a timely basis, U.S. brokers, as the holders of record, are permitted to vote your Common Shares on “routine” matters only, but not on other matters. As a result, your U.S. broker will have the authority to vote your brokerage Common Shares only on the proposal to re-appoint our auditors (Proposal No. 2). If you do not provide voting instructions to your U.S. broker on the election of directors (Proposal No. 1), the approval of the Nevada Domestication (Proposal No. 3) and the approval and adoption of the 2023 Equity Incentive Plan (Proposal No. 4), your U.S. broker may not vote your Common Shares on those proposals resulting in a “broker non-vote”. These “broker non-votes” will be counted only for the purpose of determining whether a quorum is present at the Meeting and will not count for purposes of determining the number of votes cast on Proposal No. 1, Proposal No. 3, and Proposal No. 4. Such broker non-votes will have no effect on the outcome of these proposals.

Will Common Shares that I own as a Shareholder of record be voted if I do not timely return my Proxy Instrument?

Shares that you own as a Shareholder of record will be voted as you instruct on your Proxy Instrument. If you sign and return your Proxy Instrument without giving specific instructions, they will be voted in accordance with the procedure set out above under the heading “*How will my Common Shares be voted?*” If you do not timely return your Proxy Instrument, your Common Shares will not be voted unless you or your proxy holder attends the Meeting and any adjournment(s) or postponement(s) thereof and votes during the Meeting as described above under the heading “*How can I vote at the Meeting?*”

When is the deadline to vote?

If you hold Common Shares as the Shareholder of record, your vote by proxy must be received before 11:59 p.m. (Eastern Time) on July 26, 2023 or 48 hours prior to any adjournment(s) or postponement(s) of the Meeting or must be deposited at the Meeting with the chairman of the Meeting before the commencement of the Meeting or any adjournment(s) or postponement(s) thereof.

If you hold Common Shares as a beneficial owner, please follow the voting instructions provided by your bank, broker or other nominee.

May I change or revoke my vote?

In addition to revocation in any other manner permitted by law, a Shareholder who has given a proxy pursuant to this solicitation may revoke it:

- at any time up to and including the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof at which the proxy is to be used by an instrument in writing executed by the Shareholder or by his, her or its attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized, and deposited with Broadridge by mail using the enclosed envelope to Attention: Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717; or
- by delivering written notice of such revocation to the chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment(s) or postponement(s) thereof.

For Common Shares you hold as a beneficial owner, you may change your vote by timely submitting new voting instructions to your bank, broker or other nominee (which revokes your earlier instructions), or, if you have obtained a legal proxy from the nominee giving you the right to vote your Common Shares, by attending the Meeting and voting in person or via the live webcast.

Shareholder Proposals and Director Nominations

What is the deadline to submit Shareholder proposals to be included in the proxy materials for next year's annual meeting?

The Company is subject to the rules of both the SEC under the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), and provisions of the *Business Corporations Act* (British Columbia) (“**BCBCA**”) with respect to Shareholder proposals. As clearly indicated under the BCBCA and SEC rules under the Exchange Act, simply submitting a Shareholder proposal does not guarantee its inclusion in the proxy materials.

Shareholder proposals submitted pursuant to SEC rules under the Exchange Act for inclusion in the Company's proxy materials for next year's annual meeting must be received by our Secretary at Planet 13 Holdings Inc., 4675 West Teco Ave., Suite 250, Las Vegas, Nevada 89118 no later than the close of business (Pacific Time) on February 23, 2024, the 120th day prior to the first anniversary of the date which this Proxy Statement was first released to the Company's Shareholders in connection with this year's Meeting. Such proposals must also comply with all applicable provisions of Rule 14a-8 under the Exchange Act. If the Company changes the date of next year's annual meeting by more than 30 days from the anniversary of this year's Meeting, shareholder proposals must be received a reasonable time before we begin to print and mail the proxy materials for next year's annual meeting in order to be considered for inclusion in the proxy materials.

The BCBCA also sets out the requirements for a valid proposal and provides for the rights and obligations of the Company and the submitter upon a valid proposal being made. A person wishing to submit a proposal must have been, for at least a 2-year uninterrupted period immediately prior to the date of signing of the proposal, the registered holder or the beneficial owner of either: (a) 1% of the outstanding Common Shares; or (b) \$2,000 worth of such Common Shares (in each case, calculated as of time of signing of the proposal). If the submitting Shareholder does not meet minimum shareholdings requirements, the Shareholder must have support of one or more other Shareholders who do meet such requirements. Proposals submitted under the applicable provisions of the BCBCA that a Shareholder intends to present at next year's annual meeting and wishes to be considered for inclusion in the Company's Proxy Statement and form of proxy relating to next year's annual meeting must be received at least three (3) months before the anniversary of the Company's last annual meeting.

Proposals that are not timely submitted or are submitted to the incorrect address or other than to the attention of our Secretary may, at our discretion, be excluded from our proxy materials. Proposals must comply with all applicable provisions of the BCBCA and the regulations thereunder.

How may I nominate director candidates or present other business for consideration at a meeting?

Shareholders who wish to (1) submit director nominees for consideration or (2) present other items of business directly at next year's annual meeting must give written notice of their intention to do so, in accordance with the deadlines described below, to our Secretary at the address set forth below under the heading “*How may I obtain financial and other information about the Company?*” Any such notice also must include the information required by our Articles (“**Articles**”) (which may be obtained as provided below under the heading “*How may I obtain financial and other information about the Company?*”) and/or the BCBCA and must be updated and supplemented as provided in the Articles.

We have adopted an advance notice policy, pursuant to which, any additional director nomination for an annual meeting of Shareholders or a special meeting of the Shareholders (which is not also an annual meeting) must be received by the Secretary of the Company in proper written form at the principal office of the Company, (i) in the case of an annual meeting of Shareholders, not less than thirty (30) days nor more than sixty-five (65) days prior to the date of the annual meeting of Shareholders; provided, however, that in the event that the annual meeting of Shareholders is to be held on a date that is less than fifty (50) days after the date (the “**Notice Date**”) on which the first public announcement of the date of the annual meeting was made, notice by the nominating Shareholder may be given not later than the close of business on the tenth (10th) day following the Notice Date; and (ii) in the case of a special meeting of the Shareholders (which is not also an annual meeting), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of Shareholders was made. See “*Advance Notice Policy*” under Proposal No. 1 in this Proxy Statement.

If notice-and-access (as defined in National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”)) is used for delivery of proxy related materials in respect of the meeting, and the notice date in respect of the meeting is not fewer than fifty (50) days prior to the date of the applicable meeting, the notice must be received not later than the close of business on the fortieth (40th) day before the applicable meeting.

In addition, to comply with Rule 14a-19 under the Exchange Act, Shareholders who intend to solicit proxies in support of director nominees for election at next year’s annual meeting other than the Company’s nominees must provide notice that sets forth the information required by Rule 14a-19, which notice must be postmarked or transmitted electronically to the Company at its principal executive offices no later than 60 calendar days prior to the first anniversary of the Meeting, or May 28, 2024. If the date of next year’s annual meeting is changed by more than 30 calendar days from the first anniversary of the Meeting, then any such notice must be provided by the later of 60 calendar days prior to the date of next year’s annual meeting or the tenth calendar day following the day on which public announcement of the date of next year’s annual meeting.

How may I recommend candidates to serve as directors?

Shareholders may recommend director candidates for consideration by the Board by writing to our Secretary at the address set forth below under the heading “*How may I obtain financial and other information about the Company?*” in accordance with the notice provisions described above under the heading “*How may I nominate director candidates or present other business for consideration at a meeting?*”

Subject to compliance with the Company’s Articles, to be in proper written form, such notice must set forth the nominee’s name, age, business and residential address, and principal occupation or employment, his or her direct or indirect beneficial ownership in, or control or direction over, any class or series of securities of the Company, and such other information on the nominee and the nominating Shareholder as set forth in our Articles, which may be obtained in accordance with the instructions below under the heading “*How may I obtain financial and other information about the Company?*”

Description of the Company’s Voting Securities

We are authorized to issue an unlimited number of Common Shares and an unlimited number of Restricted Voting Shares. As of the Record Date, there were 92 holders of record of Common Shares and 222,247,854 outstanding Common Shares and no holders of record of Restricted Voting Shares and no outstanding Restricted Voting Shares.

Holders of Common Shares are entitled to dividends, if, as and when declared by the Board, to one vote per share at meetings of Shareholders of the Company and, upon dissolution, to share equally in such assets of the Company as are distributable to the holders of Common Shares. The Common Shares do not have pre-emptive or subscription rights, and there are no redemption or sinking-fund provisions applicable to the Common Shares. Unless a different majority is required by law or the Articles, resolutions to be approved by holders of Common Shares require approval by a simple majority of the total number of votes of all Common Shares cast at a meeting of Shareholders at which a quorum is present.

Subject to the rights of the shares of any other class ranking senior to the Common Shares with respect to priority upon a liquidation event, in the event of a liquidation event, the holders of Common Shares and the holders of Restricted Voting Shares will participate ratably in equal amounts per share, without preference or distinction, in the remaining assets of the Company.

Majority Voting Policy

On June 11, 2018, the Board adopted a majority voting policy pursuant to which each director should be elected by the vote of a majority of the Common Shares represented in person and by proxy at any meeting of the Shareholders involving the election of directors. In respect to uncontested elections, being an election where the number of nominees for director equals the number of directors to be elected, each nominee who receives a greater number of votes "withheld" from his or her election than votes "for" such election will promptly tender his or her resignation to the Chair following the applicable Shareholders' meeting. In such an instance, the Corporate Governance and Nominating Committee will consider the offer of resignation and will make a recommendation to the Board on whether to accept it. In considering whether or not to accept the resignation, the Corporate Governance and Nominating Committee will consider the circumstances of such vote, including, without limitation, the effect such resignation may have on the Company's ability to comply with any applicable corporate or securities laws, including, but not limited to, the Company's Articles or any applicable governance rules and policies; whether such resignation would result in a violation of a contractual provision by the Company; and any other factors that the Corporate Governance and Nominating Committee considers relevant to determine whether there are exceptional circumstances which require the Board to decide to accept the resignation. The Board will review and make a final decision based on the Corporate Governance and Nominating Committee's recommendation and announce such decision in a press release within 90 days following the applicable Shareholders' meeting. The Board will be expected to accept the resignation except in situations where exceptional circumstances would warrant the director to continue to serve on the Board. However, if the Board declines to accept the resignation, it will include in the press release the reasons for its decision. A director who tenders his or her resignation pursuant to this policy will not participate in any meeting of the Board or any sub-committee of the Board, including any such meetings at which the resignation is considered.

Advance Notice Policy

The Company has adopted an advance notice policy, pursuant to which, any additional director nomination for an annual meeting of the Shareholders or a special meeting of the Shareholders (which is not also an annual meeting) must be received by the Secretary of the Company in proper written form at the principal office of the Company, (i) in the case of an annual meeting of Shareholders, not less than thirty (30) days nor more than sixty-five (65) days prior to the date of the annual meeting of Shareholders; provided, however, that in the event that the annual meeting of Shareholders is to be held on a date that is less than fifty (50) days after the date (the “**Notice Date**”) on which the first public announcement of the date of the annual meeting was made, notice by the nominating Shareholder may be given not later than the close of business on the tenth (10th) day following the Notice Date; and (ii) in the case of a special meeting of the Shareholders (which is not also an annual meeting), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of Shareholders was made.

Holders of Common Shares can vote for all of the proposed nominees for directors of the Company, vote for some of the proposed nominees and withhold for others, or withhold from voting for all or any of the proposed nominees. **Unless a Shareholder directs that his, her or its Common Shares be otherwise voted or withheld from voting in connection with the election of directors, the proxy designees named in the enclosed Proxy Instrument intend to vote such proxies FOR the election of the five nominees whose names are set forth above.**

Davidson was appointed auditor of the Company effective as at September 24, 2019 in respect of the fiscal year ended December 31, 2019. (3) Tax Fees consist of preparation fees associated with preparing Corporate federal income tax returns.

Pre-Approval Policies and Procedures

The Audit Committee charter sets out procedures regarding the provision of non-audit services by the Company’s independent chartered professional accountants. This policy encourages consideration of whether the provision of services other than audit services is compatible with maintaining the auditor’s independence and requires Audit Committee pre-approval of permitted non-audit and non-audit related services.

Unless a Shareholder directs that his, her or its Common Shares be withheld from voting in connection with the re-appointment of Davidson, the proxy designees named in the enclosed Proxy Instrument intend to vote such proxies FOR the re-appointment of Davidson as the auditors of the Company and to authorize the directors to fix the remuneration of the auditors.

The Arrangement

Pursuant to the Plan of Arrangement, the Company is seeking to continue out from the jurisdiction of the BCBCA and domesticate under Section 92A.270 of the NRS under the name “Planet 13 Holdings Inc.”. Such domestication will have the effect of subjecting the Company to the laws of the State of Nevada as if it had originally been incorporated under the NRS.

If made, the Final Order will constitute the basis for the Section 3(a)(10) Exemption with respect to any deemed issuance or exchange of the securities that may be considered to have occurred in connection with the Arrangement.

The Plan of Arrangement is attached as **Appendix “B”** to this Proxy Statement. Readers are encouraged to carefully review the Plan of Arrangement, as it contains the specific terms and conditions governing the Arrangement.

Benefits of the Arrangement

The Board and management of the Company believe that the Arrangement is beneficial to the Shareholders for the following reasons:

1. The Board and management believe that having the Company incorporated in the U.S. will facilitate the Company’s ability to negotiate and complete transactions with U.S. domiciled companies and address regulatory concerns of U.S. governmental entities. The Board and management believe that the shares of a Nevada corporation will be more accessible to future U.S. institutional investors that are permitted to allocate only a portion of their funds for investment in securities of foreign corporations allowing for more opportunities and capital that may be available if the Company is domiciled in the United States.
2. The Board and management believe that having the Company incorporated in the U.S. will facilitate capital- raising activities in the U.S, particularly in light of the Company’s presentation of its financial statements in accordance with U.S. GAAP after becoming a domestic issuer under applicable SEC rules in 2022. The Board and management also considered that, by becoming subject solely to U.S. tax laws, the Company will eliminate many of the income tax complexities associated with incorporation outside the United States. In addition, the Board and management believe that being domiciled in the United States should provide the flexibility to enter into some types of mergers, acquisitions and business combination transactions with other U.S. corporations that could have adverse tax consequences if the Company remained a Canadian corporation.

3. The Board and management chose the State of Nevada to be the jurisdiction of incorporation because they believe the favorable corporate environment afforded by Nevada will help the Company compete more effectively with other public companies, many of which are incorporated in Nevada, in raising capital and in attracting and retaining skilled, experienced personnel. For many years, Nevada has followed a policy of encouraging incorporation in that state and, in furtherance of that policy, has adopted, construed and implemented comprehensive, flexible corporate laws responsive to the legal and business needs of corporations organized under its laws. Nevada is also the state in which the Company began its operations and is headquartered and where the Company retains a significant amount of its business operations. The Board and management also believe that the lack of state franchise taxes in Nevada allow for cost savings as compared to some other jurisdictions.
4. The Board and management believe that the potential benefits of the change in domicile and related adoption of the Articles of Domestication, Articles of Incorporation and Company Nevada Bylaws outweigh the disadvantages. In particular, the Board and management believe the prospects for greater acceptance in the capital markets and enhanced marketability for the shares of the Company plus reduced income taxes, as well as assisting in attracting potential directors familiar with Nevada law, make the proposed Arrangement beneficial to the Company and the Shareholders.

Potential Disadvantages of the Arrangement

Despite the belief of the Board and management that the Arrangement is in the best interests of the Company and the Shareholders, it should be noted that the laws of Nevada may not afford shareholders the same substantive rights and protections as are available under the laws of British Columbia. In addition, the Arrangement includes certain permitted changes to the Company's governing documents which alter the relative rights of shareholders and management and which reduce shareholder participation in important corporate decisions. See "*Comparison of Shareholders' Rights Under British Columbia and Nevada Law*" and "*Comparison of the Articles of Incorporation and Company Nevada Bylaws with the BC Notice of Articles and BC Articles*" below.

Recommendation of the Board

The Board has concluded that the Arrangement is fair to the Shareholders, that it is in the best interests of the Company and, as such, has authorized submission of the Arrangement to the Shareholders for approval and to the Court for the Final Order.

In coming to its conclusion and recommendations, the Board considered, among others, the following factors:

1. the purpose and benefits of the Arrangement as outlined herein; and
2. that the Shareholders that oppose the Arrangement may, subject to compliance with certain conditions, dissent with respect to the Arrangement Resolution and be entitled to be paid the fair value for their Common Shares in accordance with section 237 to 247 of the BCBCA and the Interim Order.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE ARRANGEMENT RESOLUTION, WHICH WILL CONSTITUTE APPROVAL OF THE ARRANGEMENT, INCLUDING THE ARTICLES OF DOMESTICATION, ARTICLES OF INCORPORATION AND COMPANY NEVADA BYLAWS.

Conditions to Completion of the Arrangement

The obligation of the Company to complete the Arrangement is subject to the satisfaction of certain conditions, including the following:

1. the Arrangement must be approved by the Shareholders in the manner set forth in the Interim Order;
2. the Final Order shall have been obtained from the Court in form and substance satisfactory to the Company;
3. all other consents, orders and approvals, including regulatory and judicial approvals and orders required or necessary or desirable for the completion of the transactions provided for in the Plan of Arrangement shall have been obtained or received from the persons, authorities or bodies having jurisdiction in the circumstances; and

4. there shall not be in force any order or decree restraining or enjoining the consummation of the transactions provided for in the Plan of Arrangement and there shall be no suit, action or proceeding (other than an appeal made in connection with the Plan of Arrangement), of a judicial or administrative nature or otherwise, brought by a governmental entity in progress, pending or threatened that relates to or results from the transactions contemplated by the Plan of Arrangement that would, if successful, result in an order or ruling that would preclude completion of the transactions contemplated by the Plan of Arrangement in accordance with its terms or would otherwise be inconsistent with the regulatory approvals which have been obtained.

Details of the Arrangement and Nevada Domestication

Set forth below are summaries of the steps to completing the Arrangement and a comparison of shareholders' rights under the laws of British Columbia and Nevada. Shareholders are urged to consult with their legal advisors to discuss matters relating to their rights as shareholders in connection with the Arrangement.

Steps to Completing the Arrangement

If the required Shareholder approval in respect of the Arrangement Resolution is obtained, and the Court grants the Final Order, the following steps must then be taken to give effect to the Arrangement:

1. the Company must make an application to the Registrar under the BCBCA for an Authorization to Continue Out of British Columbia; and
2. the Company must file the Articles of Domestication and Articles of Incorporation each in the form prescribed by the NRS (the full text of which are set out in Schedule A, and Schedule B, respectively, to the Plan of Arrangement) with the Secretary of State of the State of Nevada.

Comparison of Shareholders’ Rights Under British Columbia and Nevada Law

The Arrangement will affect the rights of the Shareholders as they exist under the BCBCA. Set forth below is a comparative summary of the material rights, duties and obligations of corporations incorporated under the NRS and the BCBCA and of the rights of Shareholders as holders of Company Nevada Common Stock under the NRS as compared to holders of Common Shares under the BCBCA.

The rights of holders of Common Shares are currently governed by the laws of the Province of British Columbia (particularly the BCBCA), the BC Notice of Articles and the BC Articles. Upon consummation of the Arrangement, the rights of holders of Common Shares will be governed by the laws of the State of Nevada (particularly the NRS), as well as the Articles of Domestication, Articles of Incorporation and the Company Nevada Bylaws.

While it is not practical to summarize all of the legal differences between the rights of holders of Company Nevada Common Stock as governed by the NRS and the rights of holders of Common Shares as governed by the BCBCA, certain principal differences that could materially affect the rights of holders of Common Shares are set forth below. The following summary is not a substitute for direct reference to applicable legislation (Nevada and British Columbia), the BC Articles, the Articles of Domestication, Articles of Incorporation and the Company Nevada Bylaws, or for professional interpretation of such documents, and is qualified by reference thereto. **The following summary does not purport to be complete or exhaustive and Shareholders should therefore consult their legal and tax advisors regarding the implications of the Arrangement which may be of particular importance to them.**

Amendments to the BC Notice of Articles and BC Articles and the Articles of Incorporation and Company Nevada Bylaws

Under the BCBCA, any substantive change to the articles or notice of articles of a company requires a resolution to be passed by: (i) the type of resolution specified by the BCBCA; (ii) if not specified by the BCBCA, the type of resolution specified by the articles; or (iii) if neither contain such a provision, a special resolution passed by at least two-thirds of the votes cast on the resolution. The BCBCA does allow some capital alterations and alterations to the articles and notice of articles to be approved by an ordinary resolution (simple majority) of shareholders or by the directors if the articles so provide.

The Company currently has provisions in the BC Articles that permit alterations to the Notice of Articles, BC Articles and share structure in some circumstances by ordinary resolution or directors' resolution (in each case as determined by the directors) including, *inter alia*, to:

- a. create one or more classes or series of shares or, if none of the shares of a class or series of shares are allotted or issued, eliminate that class or series of shares;
- b. increase, reduce or eliminate the maximum number of shares that the Company is authorized to issue of any class or series of shares or establish a maximum number of shares that the Company is authorized to issue out of any class or series of shares for which no maximum is established;
- c. subdivide or consolidate all or any of its unissued, or fully paid issued, shares;
- d. change all or any of its unissued shares with par value into shares without par value or any of its unissued shares without par value into shares with par value or change all or any of its fully paid issued shares with par value into shares without par value; or
- e. alter the identifying name of any of its shares.

In addition, the BC Articles also provide that, if the BCBCA does not specify the type of resolution and the BC Articles do not specify another type of resolution, the Company may by directors' resolution or by ordinary resolution, in each case as determined by the directors, alter the BC Articles.

Under the NRS, every amendment to the articles of incorporation must be made in the following manner:

- a. the board of directors must adopt a resolution setting forth the amendment proposed and either call a special meeting of the shareholders entitled to vote on the amendment or direct that the proposed amendment be considered at the next annual meeting of the shareholders entitled to vote on the amendment.
- b. at the meeting, a vote of the shareholders entitled to vote in person or by proxy must be taken for and against the proposed amendment. If it appears upon the canvassing of the votes that shareholders holding shares in the corporation entitling them to exercise at least a majority of the voting power, or such greater proportion of the voting power as may be required in the case of a vote by classes or series, or as may be required by the provisions of the articles of incorporation, have voted in favor of the amendment, an officer of the corporation shall sign a certificate setting forth the amendment, or setting forth the articles of incorporation as amended, and the vote by which the amendment was adopted. If any proposed amendment would adversely alter or change any preference or any relative or other right given to any class or series of outstanding shares, then the amendment must be approved by the vote, in addition to the affirmative vote otherwise required, of the holders of shares representing a majority of the voting power of each class or series adversely affected by the amendment regardless of limitations or restrictions on the voting power thereof. The amendment does not have to be approved by the vote of the holders of shares representing a majority of the voting power of each class or series whose preference or rights are adversely affected by

the amendment if the articles of incorporation specifically deny the right to vote on such an amendment. Different series of the same class of shares do not constitute different classes of shares for the purpose of voting by classes except when the series is adversely affected by an amendment in a different manner than other series of the same class.

The NRS permits amendments to the bylaws to be made solely by the board of directors of the corporation. The Company Nevada Bylaws specifically provide that the Board of Directors or shareholders may amend the bylaws, provided, however, in the case of amendments by shareholders, such action must be approved by two-thirds of the votes cast by shares present and entitled to vote, in person or by proxy.

Removal of Directors

Under the BCBCA, a company may remove a director before the expiration of the director's term of office by a special resolution passed by at least two-thirds of the votes cast on the resolution, or, if the articles provide, by some other method or resolution specified therein. Further, if the shareholders holding shares of a class or series of shares of a company have the exclusive right to elect or appoint one or more directors, a director so elected or appointed may only be removed by a special resolution passed by at least two-thirds of the votes cast by those shareholders, or, if the articles provide, by some other method or resolution specified therein.

Under the BC Articles, the Company may remove any director before the expiration of his or her term of office by special resolution. In that event, the Shareholders may elect, or appoint by ordinary resolution, a director to fill the resulting vacancy. If the Shareholders do not elect or appoint a director to fill the resulting vacancy contemporaneously with the removal, then the directors may appoint or the shareholders may elect, or appoint by ordinary resolution, a director to fill that vacancy. The directors may remove any director before the expiration of his or her term of office if the director is convicted of an indictable offence, or if the director ceases to be qualified to act as a director of a company and does not promptly resign, and the directors may appoint a director to fill the resulting vacancy.

Under the NRS, shareholders may remove a director before the expiration of the director's term of office by a resolution passed by at least two-thirds of the voting power of the issued and outstanding stock entitled to vote.

Board Vacancies

Under the BCBCA, if a vacancy occurs among the directors, such vacancy may be filled by the shareholders at the shareholders' meeting, if any, at which the director is removed, or, otherwise by the shareholders or by the remaining directors. A casual vacancy among directors may be filled by the remaining directors. If the shareholders holding shares of a class or series of shares have the exclusive right to elect or appoint one or more directors, a vacancy that occurs among those directors may be filled by those shareholders at the shareholders' meeting, if any, at which the director is removed, or, otherwise, by those shareholders or remaining directors elected or appointed by those shareholders. If there are no directors in office, an individual may be empowered by the shareholders to call a meeting of the shareholders for the election or appointment of directors, and appoint as directors, to hold office until the vacancies are filled at that meeting, the number of individuals that will constitute a quorum.

Under the NRS, all vacancies, including those caused by an increase in the number of directors, may be filled by a majority of the remaining directors, though less than a quorum, unless it is otherwise provided in the articles of incorporation. The Articles of Incorporation provide that all vacancies, including those caused by an increase in the number of directors, may be filled by a majority of the remaining directors, though less than a quorum, or by a sole remaining director entitled to vote thereon, and if any such vacancies are not filled by the remaining director or directors, then such vacancy may be filled by the stockholders.

Quorum of Shareholders

The BCBCA provides that the quorum for the transaction of business at a meeting of shareholders is the quorum established by the articles of the company. If no quorum is established by the articles, the quorum is two persons entitled to vote at the meeting whether present or by proxy. If the number of shareholders entitled to vote at the meeting is less than the quorum applicable to the company, then all of the shareholders entitled to vote at the meeting, whether present personally or by proxy, will constitute quorum.

Under the NRS, subject to the articles of incorporation or bylaws, the quorum for the transaction of business at a meeting of shareholders is a majority of the voting power entitled to vote at the meeting whether present or by proxy. Shares represented at a meeting of shareholders by proxy count towards a quorum, even if the proxy does not have the authority to vote on a matter.

Vote on Extraordinary Corporate Transactions

Under the BCBCA, an ordinary resolution, meaning a resolution passed by a simple majority of the votes of shareholders present or represented, is required to pass most matters at a shareholders' meeting. Certain extraordinary corporate actions such as certain amalgamations, continuances, sales of substantially all the assets of a company other than in the ordinary course of business, amendments to the articles of incorporation and other extraordinary corporate actions such as liquidations or dissolution require authorizations by special resolution, meaning a resolution passed by not less than two-thirds of the votes cast at a general meeting called for the purpose of considering the resolution, or passed by written consent of each shareholder entitled to vote.

Unless otherwise provided in the articles of incorporation, the NRS requires authorization by an absolute majority of outstanding shares entitled to vote, as well as approval by the board of directors, with respect to the terms of a merger or a sale of all of the assets of the corporation. So long as the surviving corporation is organized in Nevada, the NRS does not generally require a shareholder vote of the surviving corporation if: (1) the existing articles of incorporation are not amended; (2) each share of stock of the surviving corporation outstanding immediately before the merger is identical after the merger; (3) the number of voting shares outstanding immediately after the merger, plus the number of new voting shares issued as a result of the merger, will not exceed the total number of voting shares of the surviving corporation outstanding immediately before the merger by more than 20%; and (4) the number of participating shares outstanding immediately after the merger, plus the number of participating shares issuable as a result of the merger, will not exceed the total number of participating shares outstanding immediately before the merger by more than 20%.

The Articles of Incorporation do not contain any specific provisions that depart from the provisions of the NRS.

Liability of Directors; Fiduciary Duties; Limitation of Directors' Liability

Under the BCBCA, the statutory duties of directors and officers provide that every director and officer must act honestly and in good faith with a view to the best interests of the company, and exercise the care, diligence, and skill that a reasonably prudent individual would exercise in comparable circumstances. Under the BCBCA, directors of a company who vote for or consent to a resolution authorizing the company to: (i) carry on a business or exercise a power contrary to its articles; (ii) pay an unreasonable commission or allow an unreasonable discount to a person agreeing to procure or purchasing shares of the company; (iii) pay a dividend or purchase, redeem or otherwise acquire shares where the company is insolvent, or (iv) make or give an indemnity to a party contrary to the BCBCA, are jointly and severally liable to restore to the company any amount paid as a result and not otherwise recovered by the company. A director is not liable for any such amount if the director has relied, in good faith, on (i) financial statements represented by an officer of the company or in the written report of the auditor of the company to fairly reflect the financial position of the company; (ii) the written report of a lawyer, accountant, engineer, appraiser or other person whose profession adds credibility to a statement made by that person; (iii) a statement of fact represented to the director by an officer of the company to be correct; or (iv) any record, information or representation that the court considers provides reasonable grounds for the actions of the director, whether or not that record was forged, fraudulently made or inaccurate.

Under the NRS, a contract or transaction between a corporation and one or more of its directors or officers, or between a corporation and any other organization in which one or more of its directors or officers are directors or officers, or are financially interested, is not void or voidable solely for that reason, if one or more of the following circumstances exist: (1) the director's or officer's interest is known to the board of directors or shareholders and the transaction is approved by the board or shareholders in good faith without counting the vote or votes of the interested director or officer; (2) the common interest is known to the shareholders, and they approve or ratify the transaction in good faith by a majority vote of shareholders; (3) the common interest is not known to the interested director or officer at the time the transaction is brought before the board; or (4) the transaction is fair to the corporation at the time it is authorized or approved.

Under the NRS, unless the articles of incorporation provide otherwise, neither a director nor an officer of a Nevada corporation can be held personally liable to the corporation, its shareholders or its creditors unless the director or

officer committed both a breach of fiduciary duty and such breach was accompanied by intentional misconduct, fraud or knowing violation of law. The NRS does not exclude breaches of the duty of loyalty or instances where the director has received an improper personal benefit.

The Articles of Incorporation provides that the liability of directors and officers shall be eliminated to the fullest extent permitted under the NRS. Under the NRS, directors and officers are required to exercise their powers in good faith and with a view to the interests of the corporation and are entitled to rely on information, opinions, reports, books of account or statements, including financial statements and other financial data, that are prepared or presented by: (a) one or more directors, officers or employees of the corporation reasonably believed to be reliable and competent in the matters prepared or presented; (b) counsel, public accountants, financial advisers, valuation advisers, investment bankers or other persons as to matters reasonably believed to be within the preparer's or presenter's professional or expert competence; or (c) a committee on which the director or officer relying thereon does not serve, established in accordance with NRS 78.125, as to matters within the committee's designated authority and matters on which the committee is reasonably believed to merit confidence. Directors and officers, in deciding upon matters of business, are presumed to act in good faith, on an informed basis and with a view to the interests of the corporation.

Indemnification of Officers and Directors; and Insurance

Under the BCBCA, a director or officer, a former director or officer who acts or has acted at the company's request as a director or officer of another company is entitled to be indemnified by the company in respect of all costs, charges and expenses reasonably incurred by the person in connection with any legal proceeding or investigative action if (i) the person acted honestly and in good faith with a view to the best interests of the company; and (ii) in the case of an eligible proceeding other than a civil proceeding, the person had reasonable grounds for believing that this conduct was lawful.

Under the NRS, a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of the corporation, by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with the action, suit or proceeding if the person is not liable under the NRS for failing to exercise his or her power in good faith and with a view to the interests of the corporation (and in deciding upon matters of business on an informed basis) or acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the conduct was unlawful. With respect to actions by or in the right of the corporation, a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred by the person in connection with the defense or settlement of the action or suit if the person is not liable under the NRS for failing to exercise his or her power in good faith and with a view to the interests of the corporation (and in deciding upon matters of business on an informed basis) or acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the corporation.

Under the BCBCA, a company may purchase and maintain insurance for the benefit of a director or officer, former director and officer or person who acted at the company's request as director or officer against any liability that may be incurred by reason of the eligible party being or having been a director or officer or holding or having held a position equivalent to that of a director or officer of, the company or an associated company.

The NRS grants similar authority to purchase and maintain insurance for the benefit of a director or officer, former director and officer. Under the NRS, a corporation may purchase and maintain insurance or make other financial arrangements on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise for any liability asserted against the person and liability and

expenses incurred by the person in his or her capacity as a director, officer, employee or agent, or arising out of his or her status as such, whether or not the corporation has the authority to indemnify such a person against such liability and expenses.

Shareholder Consent in Lieu of Meeting

Under the BCBCA, a written consent resolution by shareholders is deemed to be valid and effective as if it had been passed at a meeting of shareholders as long as it satisfies all of the requirements of the BCBCA and articles of the company.

The NRS allows for written consent resolutions by shareholders is deemed to be valid and effective as if it had been passed at a meeting of shareholders as long as it satisfies all of the requirements the NRS and the articles of incorporation of the corporation. The Articles of Incorporation and the Company Nevada Bylaws provide that any action required by statute to be taken at any annual or special meeting of the shareholders, or any action which may be taken at any annual or special meeting of the shareholders, may be taken without a meeting, without prior notice and without a vote, if a unanimous consent in writing, setting forth the action so taken, shall be signed by holders of all of the issued and outstanding shares of the relevant class(es) or series of stock of the corporation (other than treasury stock) entitled to vote thereon. The Articles of Incorporation provide that any amendment to the provision relating to action by written consent of shareholders shall be effective only upon the affirmative vote of the holders of capital stock then outstanding representing two-thirds or more of the votes eligible to be cast in an election of directors.

Calling of Shareholder Meetings

Under the BCBCA, directors may call meetings of shareholders. The BCBCA provides that shareholders may requisition a general meeting provided the requisition is made by shareholders holding at least 1/20 of the issued shares of the company that carry the right to vote at general meetings. If a general meeting is validly requisitioned, the directors must call a general meeting to transact the business specified in the requisition, to be held within four months after the date the requisition is received by the company, regardless of the articles or notice of articles of such company.

Under the NRS, unless otherwise provided in the articles of incorporation or the bylaws, the entire board of directors, any two directors, or the president may call annual or special meetings of the shareholders. The Company Nevada Bylaws provide that a special meeting of the shareholders may be called by the Board of Directors, the Chair of the Board of Directors or by shareholders holding at least a majority of the voting power of the outstanding shares of the Company then entitled to vote on the matter or matters to be brought before the special meeting.

Location of Shareholder Meetings

Under the BCBCA, a meeting of shareholders must be held in British Columbia unless (i) a location outside of British Columbia is either provided for in the company's articles, (ii) the articles do not restrict the company from approving a location outside of British Columbia and the location is approved by the resolution required by the articles for that purpose (if no resolution is required by the articles for that purposes, approved by ordinary resolution), or (iii) the location for the meeting is approved by the Registrar of Companies of British Columbia before the meeting is held. If the meeting is a partially electronic meeting, the foregoing applies to the location where persons attend the meeting in person. If the meeting is a fully electronic meeting, the foregoing does not apply to the meeting.

Under the NRS, a shareholders meeting may be held within or outside of Nevada. Under the Company Nevada Bylaws, the Board may determine to hold a meeting of shareholders by means of electronic communications, videoconferencing, teleconferencing or other available technology authorized by and in accordance with the NRS.

Shareholder Inspection Rights

Under the BCBCA, current shareholders of a company are entitled to inspect, without charge, the company's constating documents (including the company's articles, notice of articles and certificate of incorporation, continuation or amalgamation, as applicable); any orders made by the court, the Registrar or the executive director under the *Securities Act* (British Columbia); the company's central securities register and register of directors; consents to act and resignations of directors; any report of an inspector appointed by the court; the minutes of every meeting of shareholders; each consent resolution of shareholders; each written record of disclosure to the shareholders by a current director or senior officer of a conflict of interest; every audited financial statement of the company and its subsidiaries, whether or not consolidated; financial statements for the most recently completed year;

any written representations from a removed or resigned auditor; disclosures of conflicts of interest of directors and officers; disclosures of financial assistance; and, if the company is an amalgamated company, the equivalent records for each predecessor company. Former shareholders have the same rights of inspection as do current shareholders, but only to those records that relate to the period when that person was a shareholder.

Under the NRS, the share ledger or duplicate share ledger, copies of the articles of incorporation and bylaws, is open to inspection by any person who has been a shareholder of record for at least 6 months immediately preceding the demand, or any person holding, or thereunto authorized in writing by the holders of, at least 5 percent of all of its outstanding stock, upon at least 5 days' written demand accompanied by an affidavit to the corporation stating that the inspection is not desired for any purpose not related to his or her interest as a stockholder and that the stockholder or other person has not at any time sold or offered for sale any list of stockholders of any domestic or foreign corporation or aided or abetted any person in procuring any such record of stockholders for any such purpose.

Under the NRS, a shareholder of record holding not less than 15 percent of all of the issued and outstanding shares of the stock of the corporation, or thereunto authorized in writing by the holders of at least 15 percent of all of its issued and outstanding shares of stock, is entitled to inspect in person or by agent or attorney, during normal business hours, the books of account and all financial records of the corporation, to make copies of records, and to conduct an audit of such records, upon at least 5 days' written demand and an affidavit to the corporation stating that the inspection, copies or audit is not desired for any purpose not related to his or her interest as a stockholder.

Director Elections, Qualification and Number

Under the BCBCA, the size of the of the board is determined by the board of directors, provided that it is not less than three directors, and the directors are elected by plurality vote of the shareholders present in person or represented by proxy at a meeting of shareholders called for that purpose, or by unanimous written consent of all shareholders.

Under the BCBCA, an individual is not qualified to become or act as a director of a company if that individual is (i) under the age of 18 years; (ii) found by a court, in Canada or elsewhere, to be incapable of managing the individual's own affairs, unless a court, in Canada or elsewhere, subsequently finds otherwise; (iii) an undischarged bankrupt, or (iv) convicted in or out of British Columbia of an offence in connection with the promotion, formation or management of a corporation or unincorporated business, or of an offence involving fraud, unless (a) the court orders otherwise, (b) 5 years have elapsed since the last to occur of (A) the expiration of the period set for suspension of the passing of sentence without a sentence having been passed, (B) the imposition of a fine, (C) the conclusion of the term of any imprisonment, and (D) the conclusion of the term of any probation imposed, or (iii) a pardon was granted or issued, or a record suspension was ordered, under the *Criminal Records Act* (Canada) and the pardon or record suspension, as the case may be, has not been revoked or ceased to have effect. A director who ceases to be qualified to act as a director of a company must promptly resign.

Under the NRS, the only qualification requirement to become or act as a director is to be over the age of 18.

Under the NRS, the size of the board is determined by the board of directors. Under the NRS and Company Nevada Bylaws, directors are elected by plurality of the votes cast by the shares present and entitled to vote, in person or by proxy, at the election.

Payment of Dividends

Under the BCBCA, a company may declare a dividend, subject to the charter or an enactment that provides otherwise, out of the profits, capital or otherwise by issuing a dividend in shares, warrants or in property or money. A dividend in money or property may not be declared or paid if there are reasonable grounds for believing that (i) the company is insolvent, or (ii) the payment of the dividend would render the company insolvent.

The NRS provides that dividends may be declared and paid or set apart for payment upon the common stock out of any assets or funds of the corporation legally available for the payment of dividends, but only when and as declared by the board of directors of the company or any authorized committee thereof.

Shareholder Proposals

The BCBCA provides a mechanism whereby qualified shareholders of public companies holding at least 1/20 of the issued shares that carry the right to vote at general meetings can have specific matters submitted for consideration at the next annual general meeting of the company, rather than relying on the directors or management of the

company to put the matter before the shareholders. A “qualified shareholder” is a person who is a registered owner or beneficial owner of one or more shares of the company that carry the right to vote at general meetings and has been a registered owner or beneficial owner of one or more such shares for an uninterrupted period of at least two years. However, a person is not a “qualified shareholder” if, within two years before the date of the signing of the proposal, the person failed to present at an annual general meeting an earlier proposal that the person had submitted to the company and that the company had responded to by complying with the proposal process.

The NRS does not contain specific provisions regarding shareholder proposals.

Rights of Dissent and Appraisal

Under the BCBCA, registered shareholders have the right to dissent from corporate acts involving certain amendments to the articles of incorporation, the adoption or approval of an amalgamation agreement, the approval of an arrangement, the continuance of the company out of the jurisdiction, a sale, lease or other disposition by the company of all or substantially all of its undertaking, and any other resolution, if dissent is authorized by the resolution. Subject to fulfilling all of the requirements of the BCBCA in respect of the shareholder’s right to dissent, the company must promptly purchase the dissenting shareholder’s shares at fair value, unless there are grounds for believing that the company is insolvent.

Under the NRS, shareholders have the right, in some circumstances (including, unless otherwise provided in the articles of incorporation or bylaws of a corporation, when a controlling interest has been acquired by an acquiring person, to dissent from certain corporate actions and to instead demand payment of the fair value of their shares.

Unless otherwise provided in the articles of incorporation or board of director resolutions approving the plan of merger, conversion or exchange, shareholders do not have appraisal rights with respect to shares of any class or series of stock if such shares of stock are, among other things,

- (i) listed on a national securities exchange; or
- (ii) traded in an organized market and held by at least 2,000 shareholders of record and have a market value of at least \$20,000,000, exclusive of the value of such shares held by a corporation’s subsidiaries, senior executives, directors and beneficial shareholders owning more than 10% of such shares; or
- (iii) issued by an open end management investment company registered under the Investment Company Act of 1940, as amended,

unless the shareholders receive in exchange for their shares anything other than cash, or shares of any class or any series of shares of any corporation, or any other proprietary interests of any other entity, that is, among other things, listed on a national securities exchange or traded in an organized market and held by at least 2,000 shareholders of record with market value of at least \$20,000,000, exclusive of the value of such shares held by corporation’s subsidiaries, senior executives, directors and beneficial shareholders owning more than 10% of such shares at the time the corporate action becomes effective. Both shareholders of record and beneficial shareholders are entitled to dissenters’ rights.

Neither the Articles of Incorporation nor the Company Nevada Bylaws contains any specific provisions that depart from the provisions of the NRS.

Oppression Remedy

The BCBCA contains an oppression remedy that enables the court, if satisfied upon application by a complainant (being a shareholder of the company or any other person whom the court considers to be an appropriate person) that (i) the affairs of the company are being or have been conducted, or that the powers of the directors are being or have been exercised, in a manner oppressive to one or more of the shareholders; or (ii) that some act of the company has been done or is threatened, or that some resolution of the shareholders or of the shareholders holding shares of a class or series of shares has been passed or is proposed, that is unfairly prejudicial to one or more of the shareholders. Because of the breadth of the conduct which can be complained of and the scope of the court’s remedial powers, the oppression remedy is very flexible and regularly is relied upon to safeguard the interests of persons with a substantial interest in the company.

Under the NRS, unless the articles of incorporation or an amendment thereto, provide for greater individual liability, a director or officer is not individually liable to the corporation or its shareholders or creditors for any damages as

a result of any act or failure to act in his or her capacity as a director or officer unless it is proven that: (a) the director's or officer's act or failure to act constituted a breach of his or her fiduciary duties as a director or officer; and (b) the breach of those duties involved intentional misconduct, fraud or a knowing violation of law.

Derivative Actions

Under the BCBCA, a complainant (being a shareholder or director of a company or any other person whom the court considers to be an appropriate person) may, with leave of the court, prosecute a civil, criminal, quasi-criminal, administrative or regulatory action or proceeding in the name and on behalf of the company; to enforce a right, duty, or obligation owed to the company that could be enforced by the company itself; or to obtain damages for any breach of any such right, duty, or obligation, whether the right, duty, or obligation arises under the BCBCA or otherwise. A complainant may also, with leave of the court, defend, in the name and on behalf of a company, a legal proceeding brought against the company.

NRS 41.520 grants shareholders a derivative cause of action where the corporation refuses to enforce rights which may properly be asserted by it, where the plaintiff was a shareholder at the time of the transaction of which the plaintiff complains or that the plaintiff's share thereafter devolved on the plaintiff by operation of law. The complaint must also set forth with particularity the efforts of the plaintiff to secure from the board of directors and, if necessary, from the shareholders such action as the plaintiff desires, and the reasons for the plaintiff's failure to obtain such action or the reasons for not making such effort. In any such action, at any time within 30 days after service of summons upon the corporation or any defendant who is an officer or director of the corporation or held such office at the time of the acts complained of, the corporation or such defendant may move the court for an order, upon notice and hearing, requiring the plaintiff to furnish security as hereinafter provided. Such motion must be based upon one or more of the following grounds: (a) that there is no reasonable possibility that the prosecution of the cause of action alleged in the complaint against the moving party will benefit the corporation or its security holder or (b) that the moving party, if other than the corporation, did not participate in the transaction complained of in any capacity.

Business Combinations

The NRS generally prohibits an interested shareholder from engaging in a business combination with a corporation that has at least 200 shareholders of record for two years after the person first became an interested shareholder unless the combination or the transaction is approved by the board of directors before the person first became an interested shareholder, or the combination is approved by the board of directors and by the affirmative vote of the holders of stock representing at least 60 percent of the outstanding voting power of the resident domestic corporation not beneficially owned by the interested shareholder. This prohibition does not apply after the expiration of 4 years from when such person first became an interested shareholder.

The BCBCA does not contain a corresponding provision. Such matters as take-over bids, issuer bids, going-private transactions, business combinations and transactions with directors, officers, significant shareholders and other related parties to which the Company is a party are subject to regulation by Canadian provincial securities legislation and administrative policies and rules of the Canadian securities administrators. Such legislation, administrative policies and rules may impose board and/or shareholder approval requirements separate and apart from the BCBCA.

Control Share Acquisition Statute

The NRS limits the rights of persons acquiring a controlling interest in a Nevada corporation with 200 or more shareholders of record, at least 100 of whom have Nevada addresses appearing on the stock ledger of the corporation, and that does business in Nevada directly or through an affiliated corporation. A "controlling interest" is deemed to be the direct or indirect power to exercise at least 20% of the voting power of the shareholders in the election of directors. An "acquisition" means, with certain exceptions, the direct or indirect acquisition of a controlling interest. Under the NRS, an "acquiring person" that acquires a controlling interest in such a corporation may not exercise voting rights on any control shares unless such voting rights are conferred on such person by a majority vote of the disinterested shareholders of the corporation at a special or annual meeting of the shareholders. In the event that the control shares are accorded full voting rights and the acquiring person acquires control shares with a majority or more of all the voting power, any shareholder, other than the acquiring person, that does not vote in favor of authorizing voting rights for the control shares is entitled to demand payment for the fair value of such person's shares.

The control share acquisition statute does not apply if the corporation opts out of such provision in the articles of incorporation or bylaws in effect on the tenth day following the acquisition of a controlling interest by an acquiring person.

The Articles of Incorporation do not contain any specific provisions that depart from the provisions of the NRS and the Company Nevada Bylaws expressly elect not to be governed by these provisions of the NRS.

The BCBCA does not contain a corresponding provision.

Compulsory Acquisition Right

The BCBCA provides a right of compulsory acquisition for an offeror that acquires at least 90% of the target company's outstanding securities pursuant to a take-over bid or issuer bid, other than securities held at the date of the bid by or on behalf of the offeror (i.e., an "acquiring person" under the BCBCA). Those shareholders who did not accept the offer may be compelled, on notice from the acquiring person, to sell their shares to the acquiring person at the price and on the terms offered, unless the court otherwise orders. If the acquiring person does not give that notice, it must give notice to those shareholders that they may require the acquiring person to purchase their shares from them. A shareholder may apply to the court to set the price and terms of payment.

The NRS does not contain a similar provision. However, in circumstances where an offeror acquired a least 90% of the target company's stock, NRS 92A.180 would permit the acquiror to merge the target into a new subsidiary and provide that the minority stockholders receive only cash for their shares in the merger.

Comparison of the Articles of Incorporation and Company Nevada Bylaws with the BC Notice of Articles and BC Articles

In addition to the differences noted above, set forth below is a comparison of the material provisions of the Articles of Incorporation and Company Nevada Bylaws with the BC Notice of Articles and BC Articles. While it is not practical to summarize all of the legal differences between the different sets of charter documents, certain principal differences that could materially affect the rights of Shareholders are set forth below. The following summary is not a substitute for direct reference to the Articles of Incorporation, Company Nevada Bylaws and the BC Articles themselves, or for professional interpretation of such documents, and is qualified by reference thereto. Copies of the Articles of Domestication, Articles of Incorporation and Company Nevada Bylaws are attached as Schedule A, Schedule B and Schedule C, respectively, to the Plan of Arrangement. A copy of the BC Articles has been filed with the SEC as Exhibit 3.3 to the Company's Current Report on Form 8-K filed with the SEC and on SEDAR on March 8, 2022. A copy of the current BC Notice of Articles can be found attached as **Appendix "F"** to this Proxy Statement. **The following summary does not purport to be complete or exhaustive and Shareholders should therefore consult their legal advisors regarding the implications of the adoption of the Articles of Incorporation and Company Nevada Bylaws which may be of particular importance to them.**

Authorized Capital and Voting Rights

The BC Notice of Articles provide that the authorized share structure of the Company consists of an unlimited number of Common Shares and an unlimited number of Class A Restricted Voting Shares (collectively, the "**Restricted Voting Shares**"). Holders of the Common Shares are entitled to dividends, if, as and when declared by the Board, to one vote per Common Share at meetings of shareholders of the Company and, upon dissolution, to share equally in such assets of the Company as are distributable to the holders of the Common Shares. The Common Shares do not have pre-emptive or subscription rights, and there are no redemption or sinking-fund provisions applicable to the Common Shares. Unless a different majority is required by law or the BC Articles, resolutions to be approved by holders of the Common Shares require approval by a simple majority of the total number of votes of all Common Shares cast at a meeting of shareholders at which a quorum is present.

Except with respect to the election or removal of directors of the Company, each Restricted Voting Share entitles the holder to receive notice of and to attend any meeting of shareholders of the Company and to exercise one vote for each Restricted Voting Share held at all meetings of shareholders of the Company, other than meetings at which only the holders or another class or series of shares are entitled to vote separately as a class or series. Unlike the Common Shares, the Restricted Voting Shares do not entitle the holder to exercise voting rights in respect of the election or removal of directors of the Company.

Subject to the rights of the shares of any other class ranking senior to the Common Shares with respect to priority upon a liquidation event, in the event of a liquidation event, the holders of Common Shares and the holders of Restricted Voting Shares will participate ratably in equal amounts per share, without preference or distinction, in the remaining assets of the Company.

On May 7, 2021, all of the outstanding Restricted Voting Shares were converted to Common Shares. As a result, there are currently no Restricted Voting Shares outstanding.

The Articles of Incorporation provide that the total number of shares of all classes of stock that the Company is authorized to issue is one billion five hundred fifty million (1,550,000,000), consisting of (i) one billion five hundred million (1,500,000,000) shares of the Company Nevada Common Stock and (ii) fifty million (50,000,000) shares of preferred stock, no par value. The Company Nevada Common Stock will not have pre-emptive or subscription rights, and there are no redemption or sinking-fund provisions applicable to the Company Nevada Common Stock except for the Company Redemption right described below under “Regulatory Matters”. On matters submitted to the shareholders of the Company, the holders of the Company Nevada Common Stock will be entitled to one vote for each share held. No stockholder has any right or will be permitted to cumulate votes in any election of directors. Holders of the Company Nevada Common Stock are entitled to receive any dividends declared by the Board of Directors out of funds legally available therefor. In the event of any liquidation or dissolution of the Company, all assets of the Company legally available for distribution after payment or provision for payment of (i) all debts and liabilities of the Company, (ii) any accrued dividend claims and (iii) liquidation preferences of any outstanding preferred stock, will be distributed ratably, in cash or in kind, among the holders of the Company Nevada Common Stock. Except as otherwise provided by law or by the Articles of Incorporation, the Company Nevada Bylaws or any preferred stock designation, the majority of the votes cast by shares present and entitled to vote, in person or by proxy, shall decide any question brought before shareholders for approval, provided that directors are elected by plurality of the votes cast as described above.

The Articles of Incorporation give the Board of Directors the express authority, without further action of the shareholders, to issue shares of preferred stock from time to time and to establish from time to time the number of shares to be included in each such class or series, and to fix the voting powers, designations, preferences, limitations, restrictions and relative rights thereof, including, without limitation, the authority to fix or alter the dividend rights, dividend rates, conversion rights, exchange rights, voting rights, rights and terms of redemption (including sinking fund provisions), the redemption price or prices, the dissolution preferences and the rights in respect to any distribution of assets of any wholly unissued class or series of preferred stock, and the treatment in the case of a merger, business combination transaction, or sale of the Company’s assets, and to increase or decrease the number of shares of any class or series so created subsequent to the issue of that class or series but not below the number of shares of such class or series then outstanding. All the shares of any one series of the preferred stock shall be identical in all respects.

The number of authorized shares of any of the Company Nevada Common Stock or preferred stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the voting power of all of the outstanding shares of stock of the Company entitled to vote thereon, without a separate vote of any holders of the Company Nevada Common Stock or preferred stock, or of any class or series thereof, unless a separate vote of any such holders is required pursuant to the terms of any Preferred Stock Designation irrespective of the provisions of the NRS.

Directors

Under the BC Articles, the number of directors is set at the greater of three and the most recently set number of directors elected by ordinary resolution.

Under the Articles of Incorporation, the number of directors are to be fixed exclusively by resolutions adopted by a majority of the Board of Directors. Pursuant to the Company Nevada Bylaws, the number of directors shall also be fixed from time to time exclusively by the Board of Directors but the number shall be not less than three nor more than nine directors.

Meetings of Directors

The BC Articles require that reasonable notice of the time, date and place of the meeting be given to the directors. It is not necessary to give notice of a meeting of directors if (a) the meeting is to be held immediately following a meeting of shareholders at which that director was elected or appointed or is the meeting of the directors as which that director is appointed; or (b) the director has waived notice of the meeting.

Regular meetings of the Board of Directors shall be held at the times and places within or without the State of Nevada as may be designated from time to time by resolution of the Board of Directors or by written consent of all members

of the Board of Directors. No notice of any kind to members of the Board of Directors for these regular meetings shall be necessary unless the meeting is to be held at a place other than the principal business office of the Company, in which case notice of the place of the meeting shall be given. Special meetings of the Board of Directors for any purpose or purposes may be held at any time upon call by the President or, if the President is absent or unable or refuses to act or by any two (2) Directors. Special meetings may be held at any place within or without the State of Nevada.

Quorum for Directors' Meetings

Under the BC Articles, unless otherwise fixed by the Board, a majority of the number of directors appointed and present in person shall constitute a quorum.

The Company Nevada Bylaws provide that a majority of the authorized number of directors shall be necessary to constitute a quorum for the transaction of business.

Voting at Directors' Meetings

Under the BC Articles, matters considered at directors' meetings shall be decided by a majority of the votes cast. In the case of an equality of votes, no person shall have a second or casting vote.

The Company Nevada Bylaws are substantially similar. Every act or decision done or made by a majority of the directors present at a directors' meeting duly held at which a quorum is present shall be regarded as the act of the board of directors unless a greater number be required by the Articles of Incorporation, the Company Nevada Bylaws or applicable law.

Committees

The BC Articles provide for the appointment, variation and removal of committees and the procedures to be taken thereat. The Company Nevada Bylaws provide for the appointment, variation and removal of committees and the procedures to be taken thereat.

Indemnification of Directors, Officers and Others

Under the BC Articles, the Company must indemnify a director, former director or alternate director of the Company and his or her heirs and legal personal representatives against all eligible penalties to which such person is or may be liable, and the Company must, after the final disposition of an eligible proceeding, pay the expenses actually and reasonably incurred by such person in respect of that proceeding.

Under the Company Nevada Bylaws, the Company must indemnify any director, officers, employee or agent of the Company against any claim, action, suit, proceeding, arbitration or governmental investigation against expenses (including attorneys' fees, judgments, fines and amounts paid or owed in settlement actually and reasonably paid or rendered or levied against the person if acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Company and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful.

Officers

The BC Articles provide that the appointment of various officers and the function and duties of the officers shall be determined by the Board.

The Company Nevada Bylaws contain substantially similar provisions but require that the Company have a president, secretary and treasurer in accordance with the NRS.

Shareholders' Meetings

The BC Articles provide that the Company must send notice of the date, time and location of any meeting of shareholders in the manner provided in the BC Articles, or in such other manner as may be prescribed by directors' resolution, to each shareholder entitled to attend the meeting, to each director and to the auditor of the Company at least 21 days before the meeting if and for so long as the Company is a public company.

The Company Nevada Bylaws provide for notice stating the place, day and hour of a shareholders' meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called, must be delivered not less than ten (10) days, nor more than sixty (60) days before the date of the meeting, by or at the direction of the president, the secretary, or the officer or persons calling the meeting, to each shareholder entitled to vote at the meeting.

Quorum for Shareholders' Meetings

The BC Articles provide that, subject to the rights and restrictions attached to the shares of any class or series of shares, the quorum for the transaction of business at a meeting of shareholders is one person, present in person or by proxy, holding shares entitled to be voted at the meeting.

The Company Nevada Bylaws provide that one-third of the voting power of stock entitled to vote at the meeting, present and represented in person or by proxy (regardless of whether such proxies are entitled to vote on all matters) is a quorum at a shareholders' meeting.

Attendance at Shareholders' Meetings

The BC Articles permit meetings of shareholders to be held in British Columbia or at another location outside British Columbia if that location is approved, before the meeting is held, by resolution of the directors or in writing by the Registrar of Companies of British Columbia.

The Company Nevada Bylaws provide that meetings of shareholders may be held within Nevada or outside of Nevada if that location is approved, before the meeting is held, by resolution of the directors. A shareholder may participate in a meeting of shareholders through remote communication, including, without limitation, electronic communications, videoconferencing, teleconferencing or other available technology in accordance with the NRS and such participation shall constitute presence in person at the meeting as authorized by the NRS.

Advance Notice Provisions

The BC Articles do not contain provisions relating to advance notice procedures required of shareholders in order to properly bring business before a meeting of shareholders. However, the BCBCA contains provisions relating to the ability of shareholders to bring forward specific matters submitted for consideration at the next annual general meeting by way of shareholder proposals as noted above.

The Company has also adopted an advance notice policy with respect to director nominations, pursuant to which any additional director nomination for an annual meeting of shareholders or a special meeting of the shareholders (which is not also an annual meeting) must be received by the Secretary of the Company in proper written form at the principal office of the Company, (i) in the case of an annual meeting of shareholders, not less than thirty (30) days nor more than sixty-five (65) days prior to the date of the annual meeting of Shareholders; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than fifty (50) days after the date (the "**Notice Date**") on which the first public announcement of the date of the annual meeting was made, notice by the nominating shareholder may be given not later than the close of business on the tenth (10th) day following the Notice Date; and (ii) in the case of a special meeting of the Shareholders (which is not also an annual meeting), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of Shareholders was made.

The Company Nevada Bylaws provide that a shareholder proposal may be considered at a meeting of shareholders if such proposal is properly requested to be brought before such meeting by a shareholder in accordance with the Company Nevada Bylaws, which requires the proposal be delivered to the secretary of the Company not earlier than the 120th day and not later than the 90th day prior to the meeting and the disclosure of certain information including the name and address of the shareholder, the number of shares directly or indirectly held by the shareholder and any other information relating to the shareholder, beneficial owner or a control person of the shareholder that would be required to be disclosed in a proxy statement.

Forum for Adjudication for Disputes

The Articles of Incorporation provide that unless the Company consents in writing to the selection of an alternative forum, the Eighth Judicial District Court of Clark County of the State of Nevada (the "**Court**") shall be the sole and exclusive forum for any shareholder (including a beneficial owner) to bring (i) any derivative action or proceeding brought on behalf of the Company, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director,

officer or other employee of the Company to the Company or the Company's shareholders, (iii) any action asserting a claim against the Company, any director or the Company's officers or employees arising pursuant to any provision of the NRS, Chapter 92A or the Articles of Incorporation or the Company Nevada Bylaws, or (iv) any action asserting a claim against the Company, any director or the Company's officers or employees governed by the internal affairs doctrine, except, as to each of clauses (i) through (iv) above, for any claim as to which the Court determines that there is an indispensable party not subject to the jurisdiction of the Court (and the indispensable party does not consent to the personal jurisdiction of the Court within ten (10) days following such determination), which is vested in the exclusive jurisdiction of a court or forum other than the Court, or for which the Court does not have subject matter jurisdiction. The Articles of Incorporation provide that any amendment to the provision relating to action by written consent of shareholders shall be effective only upon the affirmative vote of the holders of capital stock then outstanding representing two-thirds or more of the votes eligible to be cast in an election of directors.

The BC Articles do not contain a corresponding provision.

Regulatory Matters

The Articles of Incorporation contains certain provisions (the "**Regulatory Compliance Provisions**"), which are designed to allow the Company to ensure compliance with, and maintenance of, its licenses relating to its cannabis operations. The Regulatory Compliance Provisions include a discretionary right to force a share transfer to a third party and/or a discretionary redemption right in favor of the Company.

The purpose of the Regulatory Compliance Provisions are to provide the Company with a means of protecting itself from (a) a shareholder or a group of shareholders acting jointly or in concert (which determination may be made by the Board of Directors), with an ownership interest of, whether of record or beneficially (or having the power to exercise control or direction over) of five percent (5%) or more of the issued and outstanding shares of any class or series of the capital stock of the Company or the capital stock, member's interests or membership interests, partnership interests or other equity securities of any affiliate of the Company ("**Equity Securities**"), or such other lesser percentage as is determined in good faith by the Board of Directors from time to time, and: (i) who a governmental authority granting licenses to, or otherwise governing the operations of the Company or its subsidiaries, has determined to be unsuitable to own any of the Equity Securities; (ii) whose ownership or control of any of the Equity Securities may reasonably result in the loss, suspension, revocation or non-renewal (or similar action) with respect to any licenses, permits, approvals, orders, authorizations, registrations, findings of suitability, franchises, exemptions, waivers and entitlements issued by a governmental authority relating to the Company's or its subsidiaries' conduct of business (being the conduct of any activities relating to the cultivation, manufacturing and dispensing of cannabis and cannabis-derived products in the U.S., which include the owning and operating of cannabis licenses) (collectively, the "**Licenses**") or in the Company or an affiliate being unable to obtain any new Licenses in the normal course, all as determined by the Board of Directors; or (b) any person or entity: (i) who has not been determined by the applicable regulatory authority to be an acceptable person or otherwise have not received the requisite consent of such regulatory authority to own Equity Securities, in each case within a reasonable time period acceptable to our Board of Directors or prior to acquiring any Equity Securities, as applicable; or (ii) who is deemed likely, in the sole discretion of the Board of Directors, to: (A) preclude or materially delay, impede, threaten or jeopardize any License held by the Company or any of its affiliates or the Company or its affiliates' application for, right to the use of, entitlement to, or ability to retain or any License, (B) cause or otherwise result in, the disapproval, cancellation, termination, material adverse modification or non-renewal of any material contract to which the Company or its subsidiaries is a party, or (C) cause or otherwise result in the imposition of any materially burdensome or unacceptable terms or conditions on any License of the Company or any of its affiliates (in each case, an "**Unsuitable Person**").

The Regulatory Compliance Provisions provide that, at the option of the Company and at the sole discretion of the Board of Directors, any Equity Securities owned or controlled by an Unsuitable Person may be either redeemed by the Company (a "**Redemption**") or required to be transferred to a third party (a "**Transfer**").

In the case of a Redemption, the Company will send a written notice to the holder of the Equity Securities called for Redemption, which will set forth: (i) the date on which the Redemption is to occur, (ii) the number of Equity Securities to be redeemed on such date, (iii) the price to be paid for such redeemed Equity Securities or the formula pursuant to which such price will be determined and the manner of payment therefor, (iv) the place where such Equity Securities (or certificate therefor, as applicable) must be surrendered, or accompanied by proper instruments of transfer, and (v) any other requirement of surrender of the Equity Securities to be redeemed.

In the case of a Transfer, the Company will send a written notice to the holder of the Equity Securities in question, which will set forth: (i) the date on which the Transfer is to occur, (ii) the number of Equity Securities to be transferred on such date, (iii) the price to be paid for such transferred Equity Securities or the formula pursuant to which such price will be determined and the manner of payment therefor, (iv) the place where such Equity Securities (or certificate therefor, as applicable) must be surrendered, or accompanied by proper instruments of transfer, and (v) any other requirement of surrender of the Equity Securities to be transferred, which may without limitation include a requirement to dispose of the Equity Securities via the Canadian Securities Exchange or the then principal securities exchange on which the Equity Securities are listed or quoted for trading, if any, to a person who would not be in violation of the Regulatory Compliance Provisions.

The price per Equity Security in the case of both a Redemption and a Transfer shall be determined in the sole discretion of the Board of Directors, but not less than 95% of the lesser of: (i) the closing market price of the Equity Securities on the Canadian Securities Exchange or the then principal securities exchange on which the Equity Securities are listed or quoted for trading; (ii) the five-day volume weighted average price of the Equity Securities on the Canadian Securities Exchange or the then principal securities exchange on which the Equity Securities are listed or quoted for trading, for the five trading days immediately prior to the closing of the Redemption or Transfer (or the average of the last bid and last asking prices if there was no trading on the specified dates), (iii) if such Equity Securities are not then listed for trading on the Canadian Securities Exchange or another securities exchange, then the mean between the representative bid and the ask price as quoted by another generally recognized reporting system, (iv) if such Equity Securities are not so quoted, then the average of the highest bid and lowest ask prices on such day in the domestic over-the-counter market as reported by Pink OTC Markets Inc. or any similar successor organization, and (v) if such Equity Securities are not quoted by any recognized reporting system, then the fair value thereof, as determined in good faith and in the reasonable discretion of the Board of Directors.

The Regulatory Compliance Provisions also provide that any newly elected or appointed director or officer of, or nominee to any such position with, the Company, who is required to qualify pursuant to applicable law or by regulatory authorities may not exercise any powers of the office to which such individual has been elected, appointed or nominated until such individual has been found qualified to hold such office or position by the applicable regulatory authorities in accordance with applicable law or the regulatory authorities permit such individual to perform duties and exercise powers relating to any such position pending qualification, with the understanding that such individual will be immediately removed from such position by the Board of Directors if the applicable regulatory authority determines that there is reasonable cause to believe that such individual may not be qualified to hold such position.

The BC Articles do not contain corresponding provisions.

Dividends

The BC Articles contain provisions with respect to dividend payments and entitlement thereof, including manner of payment and settlement of difficulties in regard to the distribution of dividends.

The Articles of Incorporation and the Company Nevada Bylaws rely upon the default provisions of the NRS relative to the payment of dividends. Under the NRS, except as provided in its articles of incorporation, a company may make distributions to its shareholders, including by the payment of dividends, provided that, after giving effect to the distribution, the company would be able to pay its debts as they become due in the usual course of business and, except as otherwise specifically allowed by its articles of incorporation, the company's total assets would not be less than the sum of its total liabilities plus any amount needed, if the company were to be dissolved at the time of the distribution, to satisfy the preferential rights of shareholders whose rights are superior to those receiving the distribution.

PROCEDURE FOR THE ARRANGEMENT TO BECOME EFFECTIVE

Procedural Steps

The Arrangement is proposed to be carried out pursuant to section 288 of the BCBCA. The following procedural steps must be taken in order for the Arrangement to become effective:

1. the Arrangement must be approved by the Shareholders in the manner set forth in the Interim Order;
2. the Court must grant the Final Order;

3. all conditions to the completion of the Arrangement must be satisfied;
4. an Application for Authorization to Continue out of British Columbia must be filed with the Registrar; and
5. the Articles of Domestication and the Articles of Incorporation, each in the form prescribed by the NRS must be filed with the Secretary of State of Nevada.

Shareholder Approval

Pursuant to the terms of the Interim Order, the Arrangement Resolution must, subject to further order of the Court, be approved by at least 66^{2/3}% of the votes cast by the Shareholders present in person or by proxy at the Meeting. Such approval will constitute approval of the Arrangement, including the Articles of Incorporation and the Company Nevada Bylaws.

Notwithstanding the foregoing, the Arrangement Resolution authorizes the Board, without further notice to or approval of the Shareholders, to decide not to proceed with the Arrangement and to revoke the Arrangement Resolution for any reason at any time prior to the Arrangement becoming effective pursuant to the provisions of the BCBCA. See **Appendix “A”** to this Proxy Statement for the full text of the Arrangement Resolution.

Court Approval

Interim Order

The Arrangement requires approval by the Court under Section 291 of the BCBCA. Prior to the mailing of this Proxy Statement, on June 20, 2023, the Company obtained the Interim Order attached as **Appendix “D”** to this Proxy Statement, authorizing and directing the Company to call, hold and conduct the Meeting, submit the Arrangement to the Shareholders for approval, and other procedural matters, including, but not limited to: (a) the required Shareholder approval of the Arrangement Resolution; (b) the Dissent Rights for Registered Shareholders; (c) the notice requirements with respect to the Court hearing of the application for the Final Order; (d) the ability of the Company to adjourn or postpone the Meeting from time to time in accordance with the terms of the Interim Order, without the need for additional approval of the Court; and (2) the Record Date for the Shareholders entitled to notice of and to vote at the Meeting.

Final Order

The BCBCA provides that an arrangement requires approval by the Court under Section 291 of the BCBCA. If the Arrangement Resolution is approved by the Shareholders at the Meeting in the manner required by the Interim Order, the Company intends to apply to the Court for the Final Order (the **“Final Order Hearing”**).

The Final Order Hearing is scheduled for August 3, 2023 at 9:45 a.m. (Vancouver time) at the Supreme Court of British Columbia, 800 Smithe Street, Vancouver, British Columbia, V6Z 2E1, or as soon thereafter as counsel may be heard, or at any other date and time and by any other method as the Court may direct. At the Final Order Hearing, any Securityholder, including holders of Company Options or Company RSUs or any other interested person, who wishes to participate or to be represented or to present evidence or argument at the Final Order Hearing may do so, subject to filing with the Court and serving upon the Company on or before 4:00 p.m. (Vancouver time) on July 27, 2023 a Response to Petition (**“Response”**), in accordance with the terms set out in the Interim Order and in the form prescribed by the *Supreme Court Civil Rules* (British Columbia), including his, her, or its address for service, together with all materials on which he, she or it intends to rely at the Final Order Hearing. The Response and supporting materials must be served on the Company, within the time specified, by delivery to Cozen O’Connor LLP, Bentall 5, 550 Burrard Street, Suite 2501, Vancouver, British Columbia, V6C 2B5, Attention: Samuel Bogetti. See **Appendix “E”** to this Proxy Statement for the Notice of Hearing of Petition for Final Order. In the event the Final Order Hearing is postponed, adjourned or rescheduled, then, subject to further order of the Court, only those persons having previously served a Response in compliance with the Interim Order will be given notice of the postponement, adjournment or rescheduled date. Participation in the Final Order Hearing, including who may participate and present evidence or argument and the procedure for doing so, is subject to the terms of the Interim Order and any subsequent direction of the Court.

Securityholders who wish to participate in or be represented at the Final Order Hearing should consult their legal advisors as to the necessary requirements. For further information regarding the Final Order Hearing and the rights of Securityholders in connection with the Final Order Hearing, see the Interim Order attached as **Appendix “D”** to

this Proxy Statement and the Notice of Hearing of Petition for Final Order attached as **Appendix “E”** to this Proxy Statement. The Notice of Hearing of Petition for Final Order constitutes notice of the Final Order Hearing and is the only such notice of that proceeding.

The Court has broad discretion under the BCBCA when making orders with respect to the Arrangement. The Court, in hearing the Company’s application at the Final Order Hearing, will consider, among other things, the fairness of the Arrangement to the Securityholders and any other interested party as the Court determines appropriate. The Court may approve the Arrangement either as proposed or as amended in any manner the Court may direct, subject to compliance with such terms and conditions, if any, as the Court may determine appropriate. The Company may determine not to proceed with the Arrangement in the event that any amendment ordered by the Court is not satisfactory to it.

Timing

The Arrangement will become effective on Effective Date. If the Meeting is held and the Arrangement Resolution is approved by the Shareholders as required by the Interim Order, the Company intends apply to the Court for the Final Order. If the Final Order is obtained on August 3, 2023, in form and substance satisfactory to the Company, the Company expects the Effective Date to be on or prior to August 31, 2023.

The Effective Date could be delayed, however, for a number of reasons, including an objection before the Court in the hearing of the application for the Final Order.

Securityholders should consult their legal advisors with respect to the legal rights available to them in relation to the Arrangement.

TAX MATTERS

The Nevada Domestication may have different tax consequences for Shareholders resident in Canada and the United States. Shareholders are urged to carefully read the sections below entitled “Certain United States Federal Income Tax Consequences” and “Certain Canadian Federal Income Tax Considerations”, as applicable, and to consult with their own tax and other advisors.

Certain United States Federal Income Tax Consequences

The following discussion summarizes certain U.S. federal income tax considerations generally applicable to U.S. Holders and Non-U.S. Holders (each as defined below) relating to the Continuance. This summary is based upon the Code, the U.S. Treasury Regulations promulgated thereunder (“**Treasury Regulations**”), judicial authorities, published positions of the IRS, and other applicable authorities, all as in effect on the date hereof. Any of the authorities on which this summary is based could be changed in a material and adverse manner at any time, and any such change could be applied on a retroactive basis.

This summary is of a general nature only, does not address all of the U.S. federal income tax considerations that may be relevant to a U.S. Holder or Non-U.S. Holder in light of their circumstances and does not constitute tax advice to any particular holder of Common Shares. The effects of other U.S. federal tax laws, such as estate and gift tax laws, and any applicable state and local or non-U.S. tax laws are not discussed. In particular, this discussion only deals with a beneficial owner that holds Common Shares, as applicable, as “capital assets” within the meaning of Section 1221 of the Code (generally, property held for investment purposes), and does not address the special tax rules that may apply to special classes of taxpayers, such as:

- (a) securities broker-dealers;
- (b) persons that hold Common Shares as part of a hedging or integrated financial transaction or a straddle;
- (c) persons whose functional currency is not the U.S. dollar;
- (d) U.S. expatriates;
- (e) persons that are owners of an interest in a partnership or other pass-through entity that is a holder of Common Shares;
- (f) partnerships or other pass-through entities;
- (g) regulated investment companies or real estate investment trusts;

- (h) banks, thrifts, mutual funds and other financial institutions;
- (i) insurance companies;
- (j) traders that have elected a mark-to-market method of accounting;
- (k) tax-exempt organizations and pension funds;
- (l) controlled foreign corporations, passive foreign investment companies and corporations that accumulate earnings to avoid U.S. federal income tax; and
- (m) persons who hold options or restricted stock units or persons who received their Common Shares upon the exercise of employee stock options or otherwise as compensation or through a tax-qualified retirement plan.

For purposes of this summary, a “**U.S. Holder**” means a beneficial owner of Common Shares, as the case may be, who is, for U.S. federal income tax purposes:

- (a) an individual citizen or resident alien of the United States;
- (b) a corporation or other entity treated as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of the United States or any political subdivision thereof;
- (c) an estate the income of which is subject to U.S. federal income taxation regardless of its source; or
- (d) a trust (i) that validly elects to be treated as a U.S. person for U.S. federal income tax purposes or (ii) the administration over which a U.S. court can exercise primary supervision and all of the substantial decisions of which one or more U.S. persons have the authority to control.

For purposes of this summary, a “**Non-U.S. Holder**” is a beneficial owner of Common Shares that is not a U.S. Holder and that is not an entity that is classified for U.S. federal income tax purposes as a partnership. If a partnership (including an entity treated as a partnership for U.S. federal income tax purposes) holds Common Shares, the tax treatment of a partner in the partnership will generally depend on the status of such partner and the activities of the partnership.

The Company has not and does not intend to seek any rulings from the IRS regarding the Continuance. There can be no assurance that the IRS will not take positions concerning the tax consequences of the Continuance that are inconsistent with the considerations discussed below or that any such positions would not be sustained by a court.

THE FOLLOWING IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT TAX ADVICE. ALL SHAREHOLDERS SHOULD CONSULT THEIR TAX ADVISORS REGARDING THE TAX CONSEQUENCES OF THE CONTINUANCE, INCLUDING THE EFFECTS OF U.S. FEDERAL, STATE AND LOCAL AND NON-U.S. TAX LAWS.

Treatment of the Company for U.S. Federal Income Tax Purposes

A corporation is generally considered for U.S. federal income tax purposes to be a tax resident in the jurisdiction of its organization or incorporation. Accordingly, under the generally applicable U.S. federal income tax rules, the Company, which is incorporated under the Laws of Canada, would be classified as a non-U.S. corporation (and, therefore, not a U.S. tax resident) for U.S. federal income tax purposes. However, Section 7874 of the Code, provides an exception to this general rule, under which a non-U.S. incorporated entity may, in certain circumstances, be treated as a U.S. corporation for U.S. federal income tax purposes. These rules are complex and there is limited guidance regarding their application.

Under Section 7874, a corporation created or organized outside the United States (i.e., a non-U.S. corporation) will nevertheless be treated as a U.S. corporation for U.S. federal income tax purposes (and, therefore, as a U.S. tax resident subject to U.S. federal income tax on its worldwide income) if each of the following three conditions are met: (i) the non-U.S. corporation, directly or indirectly, acquires substantially all of the properties held directly or indirectly by a U.S. corporation or partnership (including through the acquisition of all of the outstanding shares or interests of the U.S. corporation or partnership); (ii) the non-U.S. corporation’s “expanded affiliated group” does not have “substantial business activities” in the non-U.S. corporation’s country of organization or incorporation and tax residence relative to the expanded affiliated group’s worldwide activities; and (iii) after the acquisition, the former shareholders of the acquired U.S. corporation hold at least 80% (by either vote or value) of the shares of the non-U.S.

acquiring corporation by reason of holding shares in the U.S. acquired corporation (taking into account the receipt of the non-U.S. corporation's shares in exchange for the U.S. corporation's shares) as determined for purposes of Section 7874.

For purposes of Section 7874, the Company believes that the three conditions described above have been met, and the Company has taken the position that it is treated as a U.S. domestic corporation for U.S. federal income tax purposes. A number of significant and complicated U.S. federal income tax consequences may result from such classification, and this summary does not attempt to describe all such U.S. federal income tax consequences. Section 7874 of the Code and the Treasury Regulations promulgated thereunder do not address all the possible tax consequences that arise from the Company being treated as a U.S. domestic corporation for U.S. federal income tax purposes. Accordingly, there may be additional or unforeseen U.S. federal income tax consequences to the Company that are not discussed in this summary.

For purposes of the remainder of this discussion, it is assumed that the Company is treated as a U.S. domestic corporation for U.S. federal income tax purposes.

Effects of the Continuance on U.S. Holders of Common Shares

The U.S. federal income tax consequences of the Continuance will depend primarily upon whether the Continuance qualifies as a "reorganization" within the meaning of Section 368 of the Code. Under Section 368(a)(1)(F) of the Code, a reorganization is a "mere change in identity, form, or place of organization of one corporation, however effected" (an "**F Reorganization**"). Pursuant to the Continuance, the Company will change its jurisdiction of incorporation from British Columbia, Canada to Nevada. It is intended that the Continuance will qualify as an F Reorganization.

Assuming the Continuance qualifies as an F Reorganization, the general U.S. federal income tax consequences of the Continuance are as follows:

- U.S. Holders of Common Shares generally should not recognize gain or loss as a result of the Continuance;
- Neither the Company nor Planet 13 Nevada should recognize gain or loss as a result of the Continuance;
- The tax basis of a share of Company Nevada Common Stock received by a U.S. Holder in the Continuance will equal the U.S. Holder's tax basis in the Company Common Share surrendered in exchange therefor; and
- The holding period for a share of Company Nevada Common Stock received by a U.S. Holder generally will include such U.S. Holder's holding period for the Company Common Share surrendered in exchange therefor.

Effects of the Continuance on Non-U.S. Holders of Common Shares

Assuming the Continuance qualifies as an F Reorganization, the Continuance should generally not result in any U.S. federal income tax consequences to Non-U.S. Holders.

FIRPTA

If the Company is or has been a U.S. real property holding corporation (as defined in Section 897(c)(2) of the Code) ("**USRPHC**") for U.S. federal income tax purposes at any time during the shorter of the Non-U.S. Holder's holding period or the 5-year period ending on the date of the Continuance, gain realized by a Non-U.S. Holder as a result of the Continuance may be subject to tax at generally applicable U.S. federal income tax rates unless an exception applies. The Company does not believe that it is currently a USRPHC and does not anticipate becoming one in the foreseeable future. If for any reason the Company were treated as a USRPHC, then gain realized by a Non-U.S. Holder in connection with the Continuance should not be subject to U.S. federal income tax as long as the Common Shares are regularly traded on an established securities market as determined under the Treasury Regulations (the "**Regularly Traded Exception**"), unless the Non-U.S. Holder has owned more than 5% of the Common Shares at any time during such 5-year or shorter period (a "**5% Stockholder**"). For this purpose, certain attribution rules apply in determining ownership for this purpose. For purposes of the Regularly Traded Exception, the regular trading of the Company's Common Shares on the U.S. over-the-counter market should qualify as being regularly traded on an established securities market. Other non-recognition exceptions may also be available Non-U.S. Holders. Non-U.S. Holders should consult with their own tax advisors regarding the possible implications of the foregoing rules as a result of the Continuance.

Payments Related to Dissent Rights

U.S. Holders

A U.S. Holder of Common Shares that exercises Dissent Rights in the Continuance and is paid cash in exchange for all of its Common Shares generally will generally recognize a taxable gain or loss in an amount equal to the difference, if any, between (i) the amount of cash received by such U.S. Holder in exchange for Common Shares (other than amounts, if any, that are or are deemed to be interest for U.S. federal income tax purposes, which amounts will be taxed as ordinary income) and (ii) the tax basis of such U.S. Holder in such Common Shares surrendered. Preferential tax rates apply to long-term capital gains of a U.S. Holder that is an individual, estate, or trust. There are no preferential tax rates for long-term capital gains of a U.S. Holder that is a corporation. Deductions for capital losses are subject to complex limitations under the Code.

Non-U.S. Holders

Subject to the discussions below under “*Information Reporting and Backup Withholding*”, a Non-U.S. Holder will generally not be subject to U.S. federal income tax on any gain recognized upon the exercise of Dissent Rights in the Continuance unless:

- the gain is effectively connected with a U.S. trade or business carried on by the Non-U.S. Holder (and, where an income tax treaty applies, is attributable to a U.S. permanent establishment of the Non-U.S. Holder), in which case the Non-U.S. Holder will be subject to tax on the net gain from the sale at regular graduated U.S. federal income tax rates, and if the Non-U.S. Holder is a corporation, may be subject to an additional U.S. branch profits tax at a gross rate equal to 30% of its effectively connected earnings and profits for that taxable year, subject to any exemption or lower rate as may be specified by an applicable income tax treaty;
- the Non-U.S. Holder is an individual who is present in the United States for 183 days or more in the taxable year of disposition and certain other conditions are met, in which case the Non-U.S. Holder will be subject to a 30% tax on the gain from the sale, which may be offset by U.S. source capital losses; or
- The Company is or has been a USRPHC for U.S. federal income tax purposes at any time during the shorter of the Non-U.S. Holder’s holding period or the 5-year period ending on the date of the Continuance and either, (i) the Common Shares have ceased to be regularly traded on an established securities market or (ii) such Non-U.S. Holder is a 5% Stockholder. For a discussion of the Company’s status as a USRPHC, see discussion above under “*FIRPTA*.”

Non-U.S. Holders should consult with their tax advisors regarding potentially applicable income tax treaties that may provide for different rules.

Interest Payment Related to Dissent Rights

A U.S. Holder or Non-U.S. Holder of Common Shares that receives payment pursuant to the exercise of Dissent Rights may also receive an amount of interest income. Any such interest income that is received by a U.S. Holder will be subject to U.S. federal income tax at ordinary income rates. Any such interest income that is received by a Non-U.S. Holder should not be subject to U.S. federal income tax unless the interest income is effectively connected with the conduct of a trade or business (and, if a United States income tax treaty applies, is attributable to a permanent establishment maintained) within the United States by the Non-U.S. Holder, in which event the interest income will be subject to U.S. federal income tax at regular graduated rates. If the Non-U.S. Holder is classified as a corporation for U.S. federal income tax purposes, such income may also be subject to a U.S. branch profits tax at a rate of 30% (or at a lower rate under an applicable income tax treaty) on effectively connected earnings and profits, subject to certain adjustments. Such effectively connected income will not be subject to U.S. federal income tax withholding; however, if the Non-U.S. Holder furnishes a properly completed IRS Form W-8ECI (or a suitable successor form) to the Person that otherwise would be required to withhold U.S. tax. Interest income that is not effectively connected with the conduct of a United States trade or business will be subject to U.S. federal income tax withholding unless the Non-U.S. Holder furnishes a properly completed IRS Form W-8BEN or W-8BEN-E, as applicable, or otherwise properly establishes an exemption.

Information Reporting and Backup Withholding

U.S. Holders of Common Shares who exercise Dissent Rights may be subject to information reporting and may be subject to backup withholding on any cash payments received in exchange for Common Shares.

Backup withholding generally will not apply, however, to a U.S. Holder who:

- (a) furnishes a correct taxpayer identification number and certifies that he, she or it is not subject to backup withholding on IRS Form W-9; or
- (b) is otherwise exempt from backup withholding.

Backup withholding is not an additional tax. Any amounts withheld from a payment to a holder under the backup withholding rules may be credited against the holder's U.S. federal income tax liability and a holder may obtain a refund of any excess amounts withheld by filing the appropriate claim for refund with the IRS in a timely manner and furnishing any required information.

A Non-U.S. Holder who provides an appropriate certification (such as an IRS Form W-8BEN or W-8BEN-E) to the applicable withholding agent attesting to its status as a non-U.S. person and otherwise qualifies for exemption is not subject to the backup withholding and information reporting requirements.

FATCA Withholding

Sections 1471 through 1474 of the Code (“**Foreign Account Tax Compliance Act**” or “**FATCA**”) may impose withholding at a rate of 30% in certain circumstances on dividends in respect of Common Shares, which are held by or through certain foreign financial institutions (including investment funds), unless any such institution (1) enters into, and complies with, an agreement with the IRS to report, on an annual basis, information with respect to interests in, and accounts maintained by, the institution that are owned by certain U.S. persons and by certain non-U.S. entities that are wholly or partially owned by U.S. persons and to withhold on certain payments, or (2) if required under an intergovernmental agreement between the United States and an applicable foreign country, reports such information to its local tax authority, which will exchange such information with the IRS. An intergovernmental agreement between the United States and an applicable foreign country may modify these requirements. Accordingly, the entity through which Common Shares are held will affect the determination of whether such withholding is required. Similarly, dividends in respect of Common Shares held by a holder that is a non-financial non-U.S. entity that does not qualify under certain exceptions will generally be subject to withholding at a rate of 30%, unless such entity either (1) certifies to the Company or the applicable withholding agent that such entity does not have any “substantial United States owners” or (2) provides certain information regarding the entity’s “substantial United States owners,” which will in turn be provided to the U.S. Department of Treasury. FATCA withholding also potentially applies to payments of gross proceeds from the sale or other taxable disposition of Common Shares. Proposed Treasury Regulations, however, would eliminate FATCA withholding on such payments, and the U.S. Treasury Department has indicated that taxpayers may rely on this aspect of the proposed Treasury Regulations until final Treasury Regulations are issued. Non-U.S. Holders should consult with their own tax advisors regarding the possible implications of the foregoing rules on their holding of Common Shares.

Certain Canadian Federal Income Tax Consequences

The following summary describes the principal Canadian federal income tax considerations under the Tax Act of the Continuance. This summary is generally applicable to Shareholders who beneficially own their Common Shares and who, at all relevant times, for purposes of the Tax Act (i) deal at arm’s length with the Company, (ii) are not affiliated with the Company, and (iii) hold Common Shares as capital property (a “**Holder**”). The Common Shares will generally be considered to be capital property to the applicable Holder unless such shares are held by the Holder in the course of carrying on a business of buying and selling securities or were acquired in one or more transactions considered to be an adventure or concern in the nature of trade.

This summary assumes that the Company will cease to be resident in Canada for purposes of the Tax Act at the time of the Continuance and that from the time of the Continuance and at all relevant times thereafter the Company will be a resident of the United States for the purpose of the Canada-United States Income Tax Convention (the “**U.S. Treaty**”) and will be entitled to the benefits of the U.S. Treaty.

This summary is based upon the current provisions of the Tax Act, the regulations thereunder, all specific proposals to amend the Tax Act publicly announced by or on behalf of the Minister of Finance (Canada) prior to the date hereof (the “**Tax Proposals**”) and an understanding of the current published administrative practices and assessing policies of the Canada Revenue Agency (the “**CRA**”). No assurances can be given that the Tax Proposals will be enacted as proposed, if at all. This summary does not otherwise take into account or anticipate any changes in applicable law, whether by legislative, regulatory, administrative or judicial action or administrative policy or assessing practice nor

does it take into account other federal tax legislation or considerations or those of any province, territory or foreign jurisdiction, which may differ from those discussed herein.

This summary does not apply to a Holder (i) that is a “specified financial institution” for the purposes of the Tax Act, (ii) that is a “financial institution” for the purposes of the mark-to-market rules in the Tax Act, (iii) an interest in which is a “tax shelter investment” for the purposes of the Tax Act, (iv) that reports its “Canadian tax results” for the purposes of the Tax Act in a currency other than Canadian currency, (v) that has entered into or will enter into a “derivative forward agreement” (as defined in the Tax Act) in respect of Common Shares, (vi) that is a “foreign affiliate” (as defined in the Tax Act) of a taxpayer resident in Canada, (vii) that is a partnership, or (viii) that has acquired any Common Shares upon the exercise of an employee stock option or other employee compensation plan or otherwise in the course of employment. In addition, this summary does not address the tax considerations for holders of Company Options, Company RSUs or any other outstanding equity awards of the Company. Holders of such securities should consult with their own tax advisors.

For the purposes of this summary, the term Common Shares is used to refer to either Common Shares or Company Nevada Common Stock, as the context requires.

This summary is of a general nature only and is not, and is not intended to be, legal or tax advice to any particular Holder. This summary is not exhaustive of all Canadian income tax considerations. Consequently, Holders are urged to consult their own tax advisors to determine the particular tax effects to them of the Continuance and of any other consequences to them in connection with the Continuance under Canadian federal, provincial, territorial or local tax laws and under foreign tax laws, having regard to their own particular circumstances.

Tax Consequences to the Company

The “corporate emigration” rules in the Tax Act will apply to the Company upon the Company ceasing to be resident in Canada for the purposes of the Tax Act. The Company will also have a deemed tax year-end immediately prior to the time it ceases to be resident in Canada for purposes of the Tax Act. Each property owned by the Company immediately before the deemed year-end will be deemed to have been disposed of by the Company for proceeds of disposition equal to the fair market value of each such property at that time. Any gains or losses realized by the Company from the deemed disposition will be taken into account when determining the amount of the Company’s taxable income for the taxation year which is deemed to end immediately before the Continuance.

The Company will also be required to pay a special departure tax under the Tax Act as a result of the Continuance. Provided that the Company becomes a resident of the United States for purposes of the U.S. Treaty at the time of the Continuance, such departure tax will generally be equal to 5% of the amount by which (i) the fair market value of the Company’s assets immediately before the deemed year-end arising because of the Continuance exceeds (ii) the aggregate of its liabilities (other than amounts payable in respect of dividends and amounts payable in connection with this emigration tax) and the paid-up capital in respect of its issued and outstanding shares at that time.

Management of the Company currently expects that it will not incur a material amount of Canadian income tax as a result of the Continuance, although there can be no assurance in this regard. This expectation is based in part on determinations of factual matters, including determinations regarding the fair market value of the Company’s assets and tax attributes, and the paid-up capital for purposes of the Tax Act in respect of its issued and outstanding shares, any or all of which could change prior to the effective time of the Continuance, and also depends in part on factors or circumstances beyond the Company’s control and as to which only incomplete information may be available. Moreover, there can be no assurance that the CRA will accept the valuations or the positions that the Company has adopted in calculating the amount of Canadian tax that will be payable in connection with the Continuance.

Due to the change in residence upon the Continuance, the Company will no longer be subject to taxation under the Tax Act on its worldwide income. However, if the Company carries on business in Canada or has other Canadian sources of income, the Company may be subject to Canadian tax on its Canadian-source income.

Tax Consequences to Shareholders Resident in Canada

This portion of the summary is generally applicable to a Holder who is a Shareholder and who, at all relevant times, for purposes of the Tax Act, is, or is deemed to be, resident in Canada (a “**Resident Holder**”).

The Continuance

Resident Holders who continue to hold Common Shares following the Continuance will not be considered to have disposed of their Common Shares by reason only of the Continuance. Accordingly, the Continuance will not cause the Resident Holder to realize a capital gain or loss on their Common Shares and there will be no effect on the adjusted cost base of their Common Shares.

Dividends on Common Shares Following the Continuance

Dividends received on Common Shares following the Continuance will be required to be included in the Resident Holder's income for the purposes of the Tax Act. Such dividends received by a Resident Holder who is an individual will not be subject to the gross-up and dividend tax credit rules in the Tax Act. A Resident Holder that is a corporation will include such dividends in computing its income and generally will not be entitled to deduct the amount of such dividends in computing its taxable income.

Any U.S. non-resident withholding tax on such dividends generally should be eligible, subject to certain limitations under the Tax Act, to be credited against the Resident Holder's income tax or deducted from income.

Disposition of Common Shares Following the Arrangement

A disposition or deemed disposition of Common Shares by a Resident Holder will generally result in a capital gain (or capital loss) to the extent that the proceeds of disposition, net of any reasonable costs of disposition, exceed (or are less than) the adjusted cost base to the Resident Holder of such Common Shares immediately before the disposition. See "*Taxation of Capital Gain or Capital Loss*" immediately below.

Taxation of Capital Gains and Capital Losses

Generally, one-half of any capital gain (a "**taxable capital gain**") realized by a Resident Holder in a taxation year must be included in computing the income of that Resident Holder, and one-half of any capital loss (an "**allowable capital loss**") realized by a Resident Holder in a taxation year must be applied to reduce taxable capital gains realized by the Resident Holder in that year. Allowable capital losses for the year in excess of taxable capital gains generally may be applied by the Resident Holder to reduce net taxable capital gains realized in any of the three preceding taxation years or in any subsequent year, subject to the detailed provisions of the Tax Act.

In the case of a Resident Holder that is a corporation, the amount of any capital loss arising on a disposition, or deemed disposition, of any Common Share may be reduced by the amount of dividends received, or deemed to have been received, by it on such share. Similar rules may apply where a corporation is a member of a partnership or a beneficiary of a trust that owns shares, or where a trust or partnership of which a corporation is a beneficiary or a member is a member of a partnership or a beneficiary of a trust that owns any shares.

Capital gains realized by a Resident Holder that is an individual (including certain trusts) may be relevant for purposes of calculating liability for alternative minimum tax under the Tax Act.

Additional Refundable Tax

A Resident Holder that is a "Canadian-controlled private corporation" (as such term is defined in the Tax Act) is liable for tax, a portion of which may be refundable, on certain investment income, including taxable capital gains and dividends on Common Shares. Pursuant to certain Tax Proposals, such tax may also apply to a Resident Holder that is a "substantive CCPC" (for purposes of the Tax Act and as defined in the Tax Proposals).

Foreign Property Information Reporting

A Resident Holder that is a "specified Canadian entity" (as such term is defined in the Tax Act) for a taxation year or fiscal period whose total cost amount of "specified foreign property" (as such term is defined in the Tax Act), which will include the Common Shares, at any time in the year or fiscal period exceeds CAD\$100,000 is required to file an information return for the year or period disclosing prescribed information in respect of such property. Such holders are advised to consult their own tax advisors.

Dissenting Shareholders

A Resident Holder that properly exercises Dissent Rights in respect of its Common Shares (a "**Dissenting Resident Holder**") will dispose of its Common Shares to the Company and will be entitled to be paid the fair value of such

Common Shares. Although not free from doubt, such Dissenting Resident Holder be deemed to have received a dividend equal to the amount, if any, by which such payment (other than any portion of the payment that is interest awarded by a court in connection with the Arrangement) exceeds the “paid-up capital” of such Common Shares for purposes of the Tax Act immediately before that time.

A Dissenting Resident Holder will be required to include in computing its income for a taxation year any dividend deemed to be received on the Common Shares. In the case of a Dissenting Resident Holder that is an individual (including certain trusts), any such dividend will be subject to the gross-up and dividend tax credit rules normally applicable to taxable dividends received by Canadian resident individuals from a taxable Canadian corporation, including the enhanced gross-up and dividend tax credit if the Company validly designates the dividend as an “eligible dividend”. There may be limitations on the Company’s ability to designate such dividends as eligible dividends.

In the case of a Dissenting Resident Holder that is a corporation, any such dividend generally will be included in computing such Dissenting Resident Holder’s income as a dividend, and will ordinarily be deductible in computing its taxable income subject also to all other limitations under the Tax Act. In certain circumstances, a taxable dividend received by a Dissenting Resident Holder that is a corporation will be treated under the Tax Act as proceeds of disposition or a capital gain. Dissenting Resident Holders that are corporations should consult their own tax advisors having regard to their own circumstances.

A “private corporation” or a “subject corporation” (as defined in the Tax Act) may be liable under Part IV of the Tax Act to pay a refundable tax on any dividend that it is deemed to receive on Common Shares to the extent that the dividend is deductible in computing the corporation’s taxable income.

A Dissenting Resident Holder who transfers Common Shares to the Company for cancellation will also be considered to have disposed of their Common Shares for proceeds of disposition equal to the amount paid to such Dissenting Resident Holder (other than any portion of the payment that is interest awarded by a court in connection with the Arrangement), less the amount of any deemed dividend arising on the transfer described above. The Dissenting Resident Holder will realize a capital gain (or capital loss) to the extent that the proceeds of disposition, net of any reasonable costs of disposition, exceed (or are less than) the adjusted cost base of the Dissenting Resident Holder’s Common Shares. For a description of the tax treatment of capital gains or capital loss, see “*Taxation of Capital Gains and Capital Losses*” above.

A Dissenting Resident Holder will also be required to include in computing its income any interest awarded by a court in connection with the Arrangement.

Dissenting Resident Holders should consult their own tax advisors with respect to the Canadian income tax consequences of exercising their Dissent Rights.

Eligibility for Investment

Provided the Common Shares are listed on a designated stock exchange (which, for purposes of the Tax Act, currently includes the CSE), the Common Shares would, at the time of the Continuance, be qualified investments under the Tax Act for trusts governed by a registered retirement savings plan, registered retirement income fund, registered education savings plan, registered disability savings plan, tax-free savings account, first home savings account (collectively, “**Registered Plans**”), or a deferred profit sharing plan.

Notwithstanding the foregoing, if the Common Shares are a “prohibited investment” for a Registered Plan, the holder, subscriber or annuitant of the Registered Plan, as the case may be, will be subject to a penalty tax as set out in the Tax Act. A Common Share will generally be a “prohibited investment” for a Registered Plan if the holder, subscriber or annuitant, as the case may be, does not deal at arm’s length with the Company for purposes of the Tax Act or has a “significant interest” (as defined in the Tax Act) in the Company. In addition, the Common Shares will generally not be a prohibited investment if such shares are “excluded property” as defined in the Tax Act for purposes of the prohibited investment rules.

The Continuance will not, in and of itself, cause the Common Shares to cease to be a qualified investment under the Tax Act for trusts governed by Registered Plans.

Tax Consequences to Shareholders Not Resident in Canada

This portion of the summary is generally applicable to a Holder who is a Shareholder and who, at all relevant times, for the purposes of the Tax Act and any applicable tax treaty or convention, is not, and is not deemed to be, resident

in Canada and does not use or hold, and is not deemed to use or hold, Common Shares in a business carried on in Canada (a “**Non-Resident Holder**”). Special rules, which are not discussed in this summary, may apply to certain Non-Resident Holders that are insurers carrying on an insurance business in Canada and elsewhere or are “authorized foreign banks” (as defined in the Tax Act).

The Continuance

Non-Resident Holders who continue to hold Common Shares following the Continuance will not be considered to have disposed of their Common Shares by reason only of the Continuance. Accordingly, the Continuance will not cause the Non-Resident Holder to realize a capital gain or loss on their Common Shares and there will be no effect on the adjusted cost base of their Common Shares.

After the Continuance, Non-Resident Holders will not be subject to Canadian withholding tax on dividends received from the Company.

Dissenting Shareholders

A Non-Resident Holder that properly exercises Dissent Rights in respect of its Common Shares (a “**Dissenting Non-Resident Holder**”) will dispose of its Common Shares to the Company and will be entitled to be paid the fair value of such Common Shares. Although not free from doubt, such Dissenting Non-Resident Holder may be deemed to have received a dividend equal to the amount, if any, by which such payment (other than any portion of the payment that is interest awarded by a court in connection with the Arrangement) exceeds the “paid-up capital” of such Common Shares for purposes of the Tax Act immediately before that time.

A dividend deemed to be received by a Dissenting Non-Resident Holder will be subject to Canadian withholding tax at a rate of 25% or such lower rate as may be substantiated under the terms of an applicable tax treaty. For example, a dividend deemed to be received by a Dissenting Non-Resident Holder that is a resident of the United States for purposes of the U.S. Treaty, is fully entitled to benefits under the U.S. Treaty and is the beneficial owner of such dividends will generally be subject to withholding tax at a treaty-reduced rate of 15% (or 5% if the beneficial owner of such dividends is a company that owns at least 10% of the Common Shares). Dissenting Non-Resident Holders are urged to consult their own tax advisors to determine their entitlement, if any, to relief under an applicable tax treaty, if applicable.

A Dissenting Non-Resident Holder who transfers Common Shares to the Company for cancellation will also be considered to have disposed of their Common Shares for proceeds of disposition equal to the amount paid to such Dissenting Resident Holder (other than any portion of the payment that is interest awarded by a court in connection with the Arrangement), less the amount of any deemed dividend arising on the transfer described above.

The Dissenting Non-Resident Holder will not be subject to tax under the Tax Act on any capital gain unless the Common Shares are “taxable Canadian property” to the Dissenting Non-Resident Holder at the time of the exchange and such gain is not exempt from tax under the Tax Act pursuant to the provisions of an applicable tax treaty (if any). Generally, provided that the Common Shares are listed on a “designated stock exchange” (which currently includes the CSE) at the time of disposition, the Common Shares will not be taxable Canadian property of a Non-Resident Holder at that time unless at any time during the 60-month period immediately preceding that time: (a) one or any combination of (i) the Non-Resident Holder, (ii) persons with whom the Non-Resident Holder did not deal at arm’s length for purposes of the Tax Act and (iii) a partnership in which the Non-Resident Holder or such non-arm’s length person holds a membership interest directly or indirectly through one or more partnerships owned 25% or more of the issued Common Shares or any other issued class of the Company’s shares; and (b) more than 50% of the fair market value of the Common Shares was derived directly or indirectly from one or any combination of (i) real or immovable property situated in Canada, (ii) “Canadian resource properties” (as defined in the Tax Act), (iii) “timber resource properties” (as defined in the Tax Act), and (iv) options in respect of, or interests in, or for civil law rights in, property described in any of (i) to (iii), whether or not such property exists. In addition, the Common Shares may be deemed to be taxable Canadian property of a Non-Resident Holder in certain circumstances specified in the Tax Act.

In the event the Common Shares are “taxable Canadian property” of a Dissenting Non-Resident Holder and the Dissenting Non-Resident Holder is not entitled to an exemption pursuant to the provisions of an applicable tax treaty (if any), any capital gain or capital loss realized by the Dissenting Non-Resident Holder will be treated in the same manner as described under the heading “*Taxation of Capital Gains and Capital Losses*” above.

Generally, a Dissenting Non-Resident Holder will not be subject to Canadian income or withholding tax under the Tax Act on any interest awarded by a court in connection with the Arrangement.

SECURITIES LAW MATTERS

The foregoing discussion of Canadian and U.S. securities laws and their application to the Arrangement is necessarily general and accordingly is not intended and should not be relied upon as legal advice. Therefore, Shareholders should consult with their legal advisors regarding applicable resale restrictions relating to securities issuable to them in connection with the Arrangement.

Canada

Any restrictions on the resale of securities of the Company applicable under Canadian securities laws before the Arrangement will continue to apply after completion of the Arrangement.

United States

Upon completion of the Arrangement, the Shareholders (other than Dissenting Shareholders) and other Securityholders of the Company will be deemed to receive the Company Nevada Common Stock, the Company Nevada Options and the Company Nevada RSUs, as applicable, as of the Effective Date without further act or formality.

The Company Nevada Common Stock, Company Nevada Options and the Company Nevada RSUs that may be deemed to be issued or exchanged upon completion of the Arrangement are not being registered under the U.S. Securities Act or under any U.S. state securities laws in connection with the Arrangement. In that regard, the Company is relying on the Section 3(a)(10) Exemption, which provides an exemption from registration under the U.S. Securities Act for any security which is issued in exchange for one or more bona fide outstanding securities, where the terms and conditions of such issuance and exchange are approved, after a hearing upon the fairness of such terms and conditions, by a court expressly authorized by law to grant such approval and on exemptions from registration or qualification requirements under applicable U.S. state securities laws. Based on interpretations of the Section 3(a)(10) Exemption by the SEC, the Company believes that the approval of the British Columbia Supreme Court of the Arrangement will satisfy the requirements of the Section 3(a)(10) Exemption.

The Company Nevada Common Stock that may be deemed to be issued or exchanged upon completion of the Arrangement may generally be resold without restriction under the U.S. Securities Act if the Shareholders receiving such Company Nevada Common Stock in the Arrangement are not “affiliates” (as defined under Rule 144(a)(1) under the U.S. Securities Act) of the Company and have not been affiliates within 90 days of the date of completion of the Arrangement, as such securities would not constitute “restricted securities” within the meaning of Rule 144(a)(3) under the U.S. Securities Act. In the event that the Company Nevada Common Stock is held by affiliates of the Company, those holders may be able to resell the Company Nevada Common Stock in accordance with the provisions of Rule 144.

The Company Nevada Common Stock issuable upon exercise of the Company Nevada Options (the “**Underlying Option Shares**”) and the Company Nevada Common Stock issuable upon settlement of the Company Nevada RSUs (the “**Underlying RSU Shares**”) will not be eligible for the Section 3(a)(10) Exemption. The Underlying Option Shares and the Underlying RSU Shares will be “restricted securities” within the meaning of Rule 144 under the U.S. Securities Act, and, unless registered, may be issued only pursuant to an exemption from the registration requirements of the U.S. Securities Act.

Reporting and Trading

Notwithstanding the Nevada Domestication, the Company will continue to be a “reporting issuer” in each of the Provinces of Canada and a domestic issuer under applicable SEC rules and will continue to be subject to the reporting requirements of the Exchange Act.

The Common Shares currently trade on the CSE under the symbol “PLTH” and are quoted on the OTCQX under the symbol “PLNHF”. After completion of the Arrangement, the Company expects that the Company Nevada Common Stock will trade on the CSE and be quoted on the OTCQX in place of the Common Shares but the trading symbols on the CSE and OTCQX will remain the same.

RIGHTS OF DISSENT

Registered Shareholders who wish to dissent should take note that the procedures for dissenting to the Plan of Arrangement (the “**Dissent Procedures**”) require strict compliance with Sections 237 to 247 of the BCBCA, as modified by the Plan of Arrangement, Interim Order and the Final Order. **Accordingly, Dissenting Shareholders who might desire to exercise the right to dissent and appraisal should carefully consider and comply with the provisions of the BCBCA, the full text of which is set out in Appendix “C,” to this Proxy Statement as modified**

by the Plan of Arrangement and the Interim Order, the full texts of which are set out in Appendix “B” and Appendix “D”, respectively, to this Proxy Statement and consult their own legal advisors.

As indicated in the Notice of the Meeting, any **registered** Shareholder is entitled to be paid the fair value of such Common Shares in accordance with Section 245 of the BCBCA if such Shareholder duly dissents in respect of the Plan of Arrangement and the Plan of Arrangement becomes effective (a “**Dissenting Shareholder**”). A Shareholder is not entitled to dissent with respect to such Shareholder’s Common Shares if such Shareholder votes any of those Common Shares in favor of the Arrangement Resolution.

If a Dissenting Shareholder exercises Dissent Rights, duly complies with the Dissent Procedures and is ultimately entitled to be paid for their Dissenting Shares, the Dissenting Shares will be redeemed and cancelled by the Company in accordance with the terms of the Plan of Arrangement and the Dissenting Shareholder shall be entitled to be paid the fair market value of such Dissenting Share in accordance with the Plan of Arrangement.

A brief summary of the provisions of Sections 237 to 247 of the BCBCA is set out below.

A written notice of dissent from the Arrangement Resolution pursuant to Section 242 of the BCBCA, must be sent to the Company by a Dissenting Shareholder by 4:00 p.m., Vancouver time, on July 25, 2023. The notice of dissent should be delivered by registered mail to the Company at the address for notice described below. After the Arrangement Resolution is approved by Shareholders and within one month after the Company notifies the Dissenting Shareholder of the Company’s intention to act upon the Arrangement Resolution pursuant to Section 243 of the BCBCA, the Dissenting Shareholder must send to the Company, a written notice that such Dissenting Shareholder requires the purchase of all of the Common Shares in respect of which such Dissenting Shareholder has given notice of dissent, together with the share certificate or certificates representing those Common Shares (including a written statement prepared in accordance with Section 244(1)(c) of the BCBCA if the dissent is being exercised by the Dissenting Shareholder on behalf of a beneficial holder). A Dissenting Shareholder who does not strictly comply with the Dissent Procedures or, for any other reason, is not entitled to be paid fair value for his, her or its Dissenting Shares will be deemed to have participated in the Plan of Arrangement on the same basis as non-Dissenting Shareholders.

Any Dissenting Shareholder who has duly complied with Section 244(1) of the BCBCA or the Company may apply to the Court, and the Court may determine the fair value of the Dissenting Shares and make consequential orders and give directions as the Court considers appropriate. There is no obligation on the Company to apply to the Court. The Dissenting Shareholder will be entitled to receive the fair value that the Dissenting Shares had immediately before the passing of the Arrangement Resolution.

Strict Compliance with Dissent Provisions Required

The foregoing summary does not purport to provide a comprehensive statement of the procedures to be followed by a Dissenting Shareholder who seeks payment of the fair value of Common Shares held and is qualified in its entirety by reference to Sections 237 to 247 of the BCBCA, as modified by the Interim Order, the Final Order and the Plan of Arrangement. A copy of the Interim Order is attached to this Proxy Statement as **Appendix “D”**. Sections 237 to 247 of the BCBCA are reproduced in **Appendix “C”** to this Proxy Statement. The Dissent Procedures must be strictly adhered to and any failure by a Shareholder to do so may result in the loss of that Shareholder’s Dissent Rights. Accordingly, each Shareholder who wishes to exercise Dissent Rights should carefully consider and comply with the Dissent Procedures and consult such Shareholder’s legal advisors.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE ARRANGEMENT RESOLUTION, WHICH WILL CONSTITUTE APPROVAL OF THE ARRANGEMENT, INCLUDING THE ARTICLES OF DOMESTICATION, ARTICLES OF INCORPORATION AND COMPANY NEVADA BYLAWS.

PROPOSAL NO. 4: APPROVAL AND ADOPTION OF 2023 EQUITY INCENTIVE PLAN

At the Meeting, Shareholders will be asked to approve the Planet 13 Holdings Inc. 2023 Equity Incentive Plan (the “**2023 Equity Incentive Plan**”). The Board has approved the 2023 Equity Incentive Plan, subject to approval from the Shareholders and completion of the Nevada Domestication described in Proposal No. 3. If approved by Shareholders and the Nevada Domestication is completed, the 2023 Equity Incentive Plan will replace the current Planet 13 Holdings Inc. 2018 Stock Option Plan (the “**Stock Option Plan**”) and the Planet 13 Holdings Inc. 2018 Share Unit Plan, as amended (the “**Amended and Restated Share Unit Plan**”) and collectively with the Stock Option Plan, the “**Prior Plans**”). The Prior Plans, however, will continue to govern awards previously granted under them.

The Board has determined that it is in the best interests of the Company to approve and adopt the 2023 Equity Incentive Plan and is asking the Shareholders to approve the 2023 Equity Incentive Plan. If approved by the Shareholders and the Nevada Domestication is completed, the 2023 Equity Incentive Plan will become effective on the effective date of the Nevada Domestication. If the 2023 Equity Incentive Plan is not approved by the Shareholders or the Nevada Domestication is not completed, the 2023 Equity Incentive Plan will not be in effect and the Prior Plans will continue under their terms.

The Board believes that the Company must offer a competitive equity incentive program if it is to successfully attract and retain the best possible candidates for positions of substantial responsibility within the Company. The Board expects that the 2023 Equity Incentive Plan will be an important factor in attracting, retaining and rewarding high caliber employees who are essential to the Company’s success and in providing incentive to these individuals to promote the success of the Company. The Board also believes that the 2023 Equity Incentive Plan is a suitable plan to adopt in light of the potential Nevada Domestication.

In this Proposal No. 4, “shares of common stock” refer to the shares of common stock, no par value per share, of the Company as a Nevada corporation if the Nevada Domestication is completed, as further described in Proposal No. 3.

Material Terms of the 2023 Equity Incentive Plan

The material terms of the 2023 Equity Incentive Plan are described below. The following summary is not a complete statement of the 2023 Equity Incentive Plan and is qualified in its entirety by reference to the complete text of the 2023 Equity Incentive Plan, a copy of which is attached hereto as **Appendix “G”**.

General.

The purposes of the 2023 Equity Incentive Plan are to attract and retain the employees, consultants, officers and directors who will contribute to the Company’s long term success, to provide incentives to the interests of employees, consultants, officers and directors that align their interests to the interests of the Shareholders, and to promote the success of the Company’s business. These incentives are provided through the grant of stock options and restricted stock units.

Eligibility.

Awards may be granted to employees, directors and consultants of the Company and any affiliate of the Company. Incentive stock options may be granted only to employees who, as of the time of grant, are employees of the Company or affiliate of the Company. As of June 5, 2023, approximately 650 persons are eligible to participate in the 2023 Equity Incentive Plan.

Administration of the 2023 Equity Incentive Plan.

The Board is empowered to administer the 2023 Equity Incentive Plan but may delegate administration to a subcommittee or subcommittees of one or more members of the Board. Subject to the provisions of the 2023 Equity Incentive Plan, the administrator has the power to administer the 2023 Equity Incentive Plan, including but not limited to, the power to interpret the terms of the 2023 Equity Incentive Plan and awards granted under it, to prescribe, amend and rescind rules relating to the 2023 Equity Incentive Plan, including creating sub-plans, and to determine the terms of the awards, including the exercise price, the number of shares of common stock subject to each such award, the exercisability of the awards and the form of consideration, if any, payable upon exercise.

Authorized Shares.

A total of 22,000,000 shares of common stock of the authorized capital of the Company as a Nevada corporation will be reserved for issuance under the 2023 Equity Incentive Plan (the “**Total Share Reserve**”) and all other security based compensation arrangements of the Company, including the Prior Plans. Any outstanding awards made under the Prior Plans on the effective date of the Nevada Domestication shall count towards the Total Share Reserve. Any Common Shares that were issued under the Prior Plans before the effective date of the Nevada Domestication upon exercise of Stock Options or vesting of Share Units, and awards under the Prior Plans which are not outstanding as of the effective date of the Nevada Domestication, shall, in each case, not count towards the Total Share Reserve. Currently, no awards have been granted under the 2023 Equity Incentive Plan. As of the Record Date, 20,236,256 Common Shares, in the aggregate, remained available for issuance under the Prior Plans and 1,988,529 Common Shares were issuable upon the exercise or vesting of outstanding Share Units and Stock Options.

If an award expires or becomes unexercisable without having been exercised in full, is surrendered pursuant to an exchange program, or, with respect to, restricted stock units, is forfeited to, or repurchased by, the Company due to failure to vest, then the unpurchased shares (or for restricted stock units, the forfeited or repurchased shares) will not become available for future grant or sale under the 2023 Equity Incentive Plan.

No awards may be granted under the 2023 Equity Incentive Plan if after such grant of awards: (a) the aggregate number of shares of common stock reserved for issuance under the 2023 Equity Incentive Plan and all other security based compensation arrangements of the Company, including the Prior Plans, to (i) Related Persons (as a group), as such term is defined in the 2023 Equity Incentive Plan, exceeds 10% of the shares of common stock outstanding at the time of the grant calculated on a fully diluted basis, or (ii) any one Related Person exceeds 5% of the shares of common stock outstanding at the time of the grant calculated on a fully diluted basis; or (b) the aggregate number of shares of common stock issued pursuant to the 2023 Equity Incentive Plan and all other security based compensation arrangements, including the Prior Plans, within a 12-month period to (i) Related Persons (as a group) exceeds 10% of the total number of shares of common stock outstanding at the time of the grant calculated on a fully diluted basis, or (ii) any one Related Person and the Associates, as such term is defined in the 2023 Equity Incentive Plan, of the Related Person exceeds 5% of the shares of common stock outstanding at the time of the grant calculated on a fully diluted basis. The aggregate number of shares of common stock issued or issuable to persons providing Investor Relations Activities, as such term is defined in the 2023 Equity Incentive Plan, as compensation within a 12-month period, shall not exceed 2% of the total number of shares of common stock outstanding at the time of the grant.

Adjustments to Shares Subject to the 2023 Equity Incentive Plan.

In the event of any changes in the outstanding common stock or in the capital structure of the Company by reason of any dividend (other than regular cash dividends) or other distribution (whether in the form of cash, common stock, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, split-off, spin-off, combination, repurchase, or exchange of common stock or other securities of the Company, issuance of warrants or other rights to acquire common stock or other securities of the Company or other relevant change in capitalization dividend or other distribution (whether in the form of cash, shares, other securities, or other property), the Board will adjust the number and class of shares that may be delivered under the 2023 Equity Incentive Plan, and/or the number, class and price of shares covered by outstanding awards, and the numerical share limitations in the 2023 Equity Incentive Plan.

Types of Awards.

The 2023 Equity Incentive Plan enables the grant of stock options and restricted stock units.

Stock Options. Stock options in the form of nonstatutory stock options or incentive stock options may be granted under the 2023 Equity Incentive Plan. The Board determines the number of shares subject to each option. The Board determines the exercise price of options granted under the 2023 Equity Incentive Plan, provided that the exercise price must at least be equal to the fair market value of the common stock on the date of grant and further provided that so long as the common stock are listed on the CSE, for the purposes of establishing the exercise price of any option, the fair market value shall not be lower than the greater of the closing market price of the common stock on the CSE on: (a) the trading day prior to the grant date, and (b) the grant date. The term of an incentive stock option may not exceed ten years, except that with respect to any participant who owns more than 10% of the voting power of all classes of the Company’s outstanding stock, the term must not exceed five years and the exercise price must

equal at least 110% of the fair market value on the grant date. The Board will determine the methods of payment of the exercise price of an option, which may include cash, shares or other property acceptable to the administrator, as well as other types of consideration permitted by applicable law. After the termination of service of an employee, director or consultant, he or she may exercise his or her option for the period of time stated in his or her option agreement. Generally, if termination is due to death or disability, the option will remain exercisable for 12 months. In all other cases, the option generally will remain exercisable for three months following the termination of service. An option may not be exercised later than the expiration of its term. Subject to the provisions of the 2023 Equity Incentive Plan, the Board determines the other terms of options, including the vesting criteria.

Restricted Stock Units. Restricted stock units may be granted under the 2023 Equity Incentive Plan. Restricted stock units are bookkeeping entries representing an amount equal to the fair market value of one share of common stock. Subject to the provisions of the 2023 Equity Incentive Plan, the Board determines the terms and conditions of restricted stock units, including the vesting criteria and the timing and form of payment. Payment is made following the vesting of restricted stock units. The Board, in its sole discretion, may reduce or waive any vesting criteria that must be met to receive a payout of restricted stock units.

Transferability of Awards.

Unless the Board provides otherwise, the 2023 Equity Incentive Plan generally does not allow for the transfer of awards other than by will or the laws of descent or distribution and only the recipient of an award may exercise an award during his or her lifetime.

Change in Control.

The 2023 Equity Incentive Plan provides that in the event of a change in control, as defined under the 2023 Equity Incentive Plan, each outstanding award will be treated as the Board determines. The Board can, but is not obligated to, accelerate, fully vest or cause restrictions to lapse with respect to awards upon a change in control. In addition, if an option is not assumed or substituted, the administrator will notify the participant in writing or electronically that the option will become fully exercisable, for a specified period prior to the transaction, and will then terminate upon the expiration of the specified period of time.

Amendment; Termination.

The administrator has the authority to amend, alter, suspend, or terminate the 2023 Equity Incentive Plan provided such action does not impair the existing rights of any participant. The 2023 Equity Incentive Plan automatically will terminate on the tenth anniversary of its effective date, unless it is terminated sooner. While no awards may be granted pursuant to the 2023 Equity Incentive Plan after termination, awards granted thereunder may be extended beyond that date.

Summary of U.S. Federal Income Tax Consequences

The following summary is intended only as a general guide to the material U.S. federal income tax consequences of participation in the 2023 Equity Incentive Plan. The summary is based on existing U.S. laws and regulations, and there can be no assurance that those laws and regulations will not change in the future. The summary does not purport to be complete and does not discuss the tax consequences upon a participant's death, or the provisions of the income tax laws of any municipality, state or foreign country in which the participant may reside. As a result, tax consequences for any particular participant may vary based on individual circumstances.

Incentive Stock Options.

An optionee recognizes no taxable income for regular income tax purposes as a result of the grant or exercise of an incentive stock option qualifying under Section 422 of the Internal Revenue Code of 1986, as amended (the “**Code**”). Optionees who neither dispose of their shares within two years following the date the option was granted nor within one year following the exercise of the option normally will recognize a capital gain or loss equal to the difference, if any, between the sale price and the purchase price of the shares. If an optionee satisfies such holding periods upon a sale of the shares, the Company will not be entitled to any deduction for federal income tax purposes. If an optionee disposes of shares within two years after the date of grant or within one year after the date of exercise (a “**disqualifying disposition**”), the difference between the fair market value of the shares on the exercise date and the option exercise price (not to exceed the gain realized on the sale if the disposition is a transaction with respect to which a loss, if sustained, would be recognized) will be taxed as ordinary income at the time of disposition. Any

gain in excess of that amount will be a capital gain. If a loss is recognized, there will be no ordinary income, and such loss will be a capital loss. Any ordinary income recognized by the optionee upon the disqualifying disposition of the shares generally should be deductible by the Company for federal income tax purposes, except to the extent such deduction is limited by applicable provisions of the Code.

The difference between the option exercise price and the fair market value of the shares on the exercise date is treated as an adjustment in computing the optionee's alternative minimum taxable income and may be subject to an alternative minimum tax which is paid if such tax exceeds the regular tax for the year. Special rules may apply with respect to certain subsequent sales of the shares in a disqualifying disposition, certain basis adjustments for purposes of computing the alternative minimum taxable income on a subsequent sale of the shares and certain tax credits which may arise with respect to optionees subject to the alternative minimum tax.

Nonstatutory Stock Options.

Options not designated or qualifying as incentive stock options will be nonstatutory stock options having no special U.S. tax status. An optionee generally recognizes no taxable income as the result of the grant of such an option. Upon exercise of a nonstatutory stock option, the optionee normally recognizes ordinary income equal to the amount that the fair market value of the shares on such date exceeds the exercise price. If the optionee is an employee, such ordinary income generally is subject to withholding of income and employment taxes. Upon the sale of stock acquired by the exercise of a nonstatutory stock option, any gain or loss, based on the difference between the sale price and the fair market value on the exercise date, will be taxed as capital gain or loss. No tax deduction is available to the Company with respect to the grant of a nonstatutory stock option or the sale of the stock acquired pursuant to such grant.

Restricted Stock Unit Awards.

There are no immediate tax consequences of receiving an award of restricted stock units. A participant who is awarded restricted stock units generally will be required to recognize ordinary income in an amount equal to the fair market value of shares issued to such participant at the end of the applicable vesting period. Any additional gain or loss recognized upon any later disposition of any shares received would be capital gain or loss.

Section 409A.

Section 409A of the Code provides certain requirements for non-qualified deferred compensation arrangements with respect to an individual's deferral and distribution elections and permissible distribution events. Awards granted under the 2023 Equity Incentive Plan do not have any deferral feature that is subject to the requirements of Section 409A of the Code. If an award is subject to and fails to satisfy the requirements of Section 409A of the Code, the recipient of that award may recognize ordinary income on the amounts deferred under the award, to the extent vested, which may be prior to when the compensation is actually or constructively received. Also, if an award that is subject to Section 409A fails to comply with Section 409A's provisions, Section 409A imposes an additional 20% federal income tax on compensation recognized as ordinary income, as well as interest on such deferred compensation. Certain states have enacted laws similar to Section 409A which impose additional taxes, interest and penalties on non-qualified deferred compensation arrangements. The Company will also have withholding and reporting requirements with respect to such amounts.

Tax Effect for the Company.

The Company generally will be entitled to a tax deduction in connection with an award under the 2023 Equity Incentive Plan in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income (for example, the exercise of a nonstatutory stock option). Special rules could limit the deductibility of compensation paid to the Company's chief executive officer and other "covered employees" as determined under Section 162(m) and applicable guidance.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF THE U.S. FEDERAL INCOME TAXATION UPON PARTICIPANTS AND THE COMPANY UNDER THE 2023 EQUITY INCENTIVE PLAN. IT DOES NOT PURPORT TO BE COMPLETE AND DOES NOT DISCUSS THE TAX CONSEQUENCES OF A PARTICIPANT'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE, OR FOREIGN COUNTRY IN WHICH THE PARTICIPANT MAY RESIDE.

REPORT OF THE AUDIT COMMITTEE

The material in this report is not “soliciting material,” is not deemed “filed” with the SEC, and is not to be incorporated by reference into any filing by Planet 13 Holdings Inc. under the Securities Act or the Exchange Act.

The primary purpose of the Audit Committee is to assist the Board in fulfilling its responsibilities for oversight of financial, audit and accounting matters. The Audit Committee reviews the financial reports and other financial information provided by the Company to regulatory authorities and its Shareholders, as well as reviews the Company’s system of internal controls regarding finance and accounting, including auditing, accounting and financial reporting processes.

In connection with these responsibilities, the Audit Committee met with management and Davidson to review and discuss the financial statements for the fiscal year ended December 31, 2022. The Audit Committee has also discussed with Davidson, the Company’s independent registered public accounting firm, the matters required to be discussed under applicable auditing standards, including Auditing Standard No. 1301. In addition, the Audit Committee discussed with Davidson its independence, and received from Davidson the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board. Finally, the Audit Committee discussed with Davidson, with and without management present, the scope and results of Davidson’s audit of such financial statements.

Based on the Audit Committee’s discussions with management, review of Davidson’s letter and discussions with Davidson, the Audit Committee recommended to the Board that the audited financial statements be included in our annual report on Form 10-K for the fiscal year ended December 31, 2022.

CORPORATE GOVERNANCE

The Canadian Securities Administrators (the “CSA”) have adopted National Policy 58-201 *Corporate Governance Guidelines* (“NP 58-201”), which provides non-prescriptive guidelines on corporate governance practices for reporting issuers. Additionally, the CSA has implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”), which requires issuers to disclose the corporate governance practices that they have adopted according to the guidelines provided pursuant to NP 58-201, which apply to all public companies.

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders and has reviewed the Company’s corporate governance practices in light of these guidelines. A description of the Company’s corporate governance practices is set out below.

Board of Directors and Director Independence

The Board is currently comprised of four directors and it is proposed that four directors will be nominated at the Meeting.

NI 58-201 recommends that the board of directors of every listed company should consist of a majority of individuals who qualify as “independent” directors under National Instrument 52-110 – *Audit Committees* (“NI 52-110”), which provides that a director is independent if he or she has no direct or indirect “material relationship” with the company. “Material relationship” is defined as a relationship which could, in the view of the company’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

Currently, the Board consists of Robert Groesbeck, Larry Scheffler, Lee Fraser, and Adrienne O’Neal, of whom, Robert Groesbeck and Larry Scheffler are considered “not independent”, as they are executive officers of the Company. Each of the remaining two directors is considered by the Board to be “independent”, within the meaning of NI 52-110. In making the foregoing determinations, the circumstances of each director have been examined by the Board in relation to a number of factors.

Although the Common Shares are not listed on any U.S. national securities exchange, we also use the definition of independence of Nasdaq to make the independence determination of our directors. Our board of directors is composed of two “independent directors” as defined under the rules of Nasdaq. Nasdaq Rule 5605(a)(2) provides that an “independent director” is a person other than an officer or employee of the Company or any other individual having a relationship which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Nasdaq Rule 5605(a)(2) provides that a director cannot be considered independent if :

- the director is, or at any time during the past three (3) years was, an employee of the company;
- the director or a family member of the director accepted any compensation from the company in excess of \$120,000 during any period of twelve (12) consecutive months within the three (3) years preceding the independence determination (subject to certain exemptions, including, among other things, compensation for board or board committee service);
- the director or a family member of the director is a partner in, controlling shareholder of, or an executive officer of an entity to which the company made, or from which the company received, payments in the current or any of the past three fiscal years that exceed 5% of the recipient’s consolidated gross revenue for that year or \$200,000, whichever is greater (subject to certain exemptions);
- the director or a family member of the director is employed as an executive officer of an entity where, at any time during the past three (3) years, any of the executive officers of the company served on the compensation committee of such other entity; or
- the director or a family member of the director is a current partner of the company’s outside auditor, or at any time during the past three (3) years was a partner or employee of the company’s outside auditor, and who worked on the company’s audit.

Under such definitions, Adrienne O’Neal and Lee Fraser are each independent directors. Ms. O’Neal and Lee Fraser are also considered independent and, although not required to under the policies of the CSE, meet the other requirements under Nasdaq Rule 5605(c)(A)(2)(i),(ii),(iii) and (iv) applicable to audit committee members and under Nasdaq Rule 5605(2)(A) applicable to compensation committee members. We also meet the director independence requirements for the quotation of the Common Shares on the OTCQX Best Market, being a minimum of two independent directors and a majority of the audit committee being comprised of independent directors. However, our

Common Shares are not currently quoted or listed on any U.S. national exchange or interdealer quotation system that has a requirement that a majority of our Board be independent.

The Board facilitates its exercise of independent supervision over management through the independent directors on the Board. The independent directors may hold meetings at which non-independent directors and members of management are not in attendance in conjunction with meetings of the Board. The Board and its committees held 10 meetings in 2022. In 2022, each person serving as a director attended at least 75% of the total number of meetings of our Board and any committee on which he or she served.

Our directors are expected to attend the Meeting virtually or in person. Any director who is unable to attend the Meeting is expected to notify one of the co-Chairmen of the Board in advance of the Meeting. All of our directors then serving as a director attended the annual meeting of Shareholders in 2022 virtually or in person.

We do not currently have a process for Shareholders to send communications to the Board. However, we welcome comments and questions from our Shareholders. Shareholders can direct communications to the Company at our principal executive offices or through our Investor Relations at ir@planet13holdings.com. The mailing address of our principal executive offices is 2548 West Desert Inn Road, Las Vegas, Nevada.

Board Leadership Structure

The Board does not have a policy on whether or not the role of the Chief Executive Officer and Chairman should be separate or, if it is to be separate, whether the Chairman should be selected from the non-employee directors or be an employee. Currently, we operate with Robert Groesbeck and Larry Scheffler serving as our Co-Chairmen and our Co-Chief Executive Officers (“Co-CEOs”). We currently believe that each of Mr. Groesbeck and Mr. Scheffler serving in both capacities best serves the Company and suits the talents, expertise and experience that both people bring to the Company. The Board has not appointed a lead independent director.

Risk Oversight

The Board is responsible for identifying the principal risks of the Company’s business and reviewing the risk management systems implemented by management to effectively monitor and manage such risks. The Board does not have a standing risk management committee and instead administers this oversight function directly through the Board as a whole, as well as through various standing committees of our Board that address risks inherent in their respective areas of oversight. Our Board fulfills its oversight role directly and through the operations of its various committees, including the Audit Committee, Compensation Committee, and Corporate Governance and Nominating Committee. Our Board receives periodic reports on each committee’s activities. Our Audit Committee has responsibility for risk oversight in connection with its review of our financial reports filed with the SEC and on SEDAR. Our Audit Committee receives reports from our Chief Financial Officer and our independent auditors in connection with the review of our quarterly and annual financial statements regarding significant financial transactions, accounting and reporting matters, critical accounting estimates and management’s exercise of judgment in accounting matters. When reporting on such matters, our independent auditors also provide their assessment of management’s report and conclusions.

Orientation and Continuing Education

The Board has established the Corporate Governance and Nominating Committee, presently comprised of Lee Fraser and Adrienne O’Neal. Mr. Fraser and Ms. O’Neal are independent within the meaning of NI 52-110. The Corporate Governance and Nominating Committee is appointed by and reports to the Board to assist the Company with the recruitment and education of new and current directors.

Pursuant to its charter, the Corporate Governance and Nominating Committee develops and annually reviews orientation and education programs for new directors and provides ongoing education for all directors. Upon joining the Board, each director is provided with an orientation briefing regarding the role of the Board, its committees and its directors, and the nature and operation of the Company’s current and past business. They are also provided with a copy of the Audit Committee charter, Corporate Governance and Nominating Committee charter, Compensation Committee charter and the Code of Ethics (as defined hereinafter).

The Board encourages directors to participate in continuing education opportunities in order to ensure that the directors maintain or enhance their skills and abilities as directors, and maintain a current and thorough understanding of the Company’s business.

Code of Ethics

Corporate governance is the structure and process used to direct and manage the business and affairs of a corporation with the objective of enhancing shareholder value. The Board believes that the Company has in place corporate governance practices that are both effective and appropriate to the Company's size and business operations. To facilitate meeting this responsibility, the Board seeks to foster and maintain a culture of ethical business conduct and social responsibility as critically important. The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. The Board is expected to execute the Company's business plan and to meet performance goals and objectives. The Board consistently strives to instill the Company's principles into the practices and actions of the Board and the Company's employees.

We have adopted the Code of Business Conduct and Ethics of Planet 13 Holdings Inc. (the "**Code of Ethics**") to assist all directors, officers, employees, and where practical key consultants of the Company and its subsidiaries to maintain the highest standards of ethical conduct in business affairs.

A copy of the Code of Ethics can be found in the "Investor Relations" section of our website at www.planet13holdings.com/investors/. We intend to satisfy the disclosure requirements of the SEC regarding amendments to, or waivers from, the Code of Ethics, by posting such information on the same website.

Audit Committee

The Audit Committee assists the Board in fulfilling its responsibilities for oversight of financial, audit and accounting matters. The Audit Committee reviews the financial reports and other financial information provided by us to regulatory authorities and our Shareholders, as well as reviews our system of internal controls regarding finance and accounting, including auditing, accounting and financial reporting processes. The current members of the Audit Committee include the following directors: Lee Fraser (Chair), Adrienne O'Neal and Larry Scheffler. In 2022, the members of the Audit Committee were Mike Harman, Adrienne O'Neal and Larry Scheffler.

NI 52-110 requires the Company's Audit Committee to meet certain requirements in respect of responsibilities, composition and authority. NI 52-110 also requires the Company to disclose certain information regarding the Audit Committee as described herein.

The overall purpose of the Audit Committee of the Company is to assist the Board in fulfilling its oversight responsibilities relating to financial accounting and reporting process and internal controls for the Company. The Audit Committee exists to ensure that management has designed and implemented an effective system of internal financial controls, to review and report on integrity of the consolidated financial statements of the Company and to review the Company's compliance with regulatory and statutory requirements as they relate to financial statements, taxation matters and disclosure of material facts.

The Audit Committee held five meetings in 2022.

EXECUTIVE COMPENSATION

In accordance with reduced disclosure rules applicable to emerging growth companies as set forth in Item 402 of Regulation S-K, this section explains how our compensation program is structured for the Co-CEOs and NEOs, as defined below.

Compensation Committee

The Board as a whole determines the level of compensation in respect of our senior executives. The Compensation Committee is appointed by and reports to the Board. The Compensation Committee, on behalf of the Board, establishes policies with respect to the compensation of our Co-CEOs, CFO and other senior executive officers. The Compensation Committee assists the Board in discharging the Board's oversight responsibilities relating to the attraction, compensation, evaluation and retention of key senior management employees, and in particular the Co-CEOs, with the skills and expertise needed to enable us to achieve our goals and strategies at fair and competitive compensation and appropriate performance incentives.

The Compensation Committee is responsible to review and approve corporate goals and objectives relevant to the Co-CEOs and other senior executive officers' compensation, evaluate the performance of the Co-CEOs and each senior executive officer's performance in light of those goals and objectives, and recommend to the Board for approval the compensation level each senior executive officer based on this evaluation. The Compensation Committee is also responsible for the review of our compensation systems in order to ensure the fairness and appropriateness of the compensation of senior executive officers that may participate, including incentive compensation plans and equity-based plans.

Named Executive Officers

For the purpose of this Proxy Statement, a named executive officer ("NEO") of the Company means each of the following individuals:

- each Co-CEO of the Company;
- the two most highly compensated executive officers other than the Co-CEOs who were serving as executive officers at the end of the last completed fiscal year; and
- up to two additional individuals for whom disclosure would have been provided under the above but for the fact that the individual was not serving as an executive officer at the end of the last completed fiscal year.

For the year ended December 31, 2022, we had four NEOs: Larry Scheffler, Co-CEO; Robert Groesbeck, Co-CEO; Dennis Logan, Chief Financial Officer; and Chris Wren, Vice President, Operations.

Elements of Compensation

In determining such compensation, the Compensation Committee will consider our performance and relative shareholder return and the compensation of CEOs and other senior executive officers at comparable companies. Additionally, the Compensation Committee may consider input from the Co-CEOs on senior executive compensation, but the Co-CEOs may not provide input with respect to their own compensation.

A combination of fixed and variable compensation is used to motivate executives to achieve overall company goals. The basic components of the executive compensation program are:

1. *Base Salary.* Base salary is the fixed portion of each executive officer's total compensation. It is designed to provide income certainty and retain executives. In determining the base level of compensation for the executive officers, weight is placed on the following objective factors: the particular responsibilities related to the position; salaries or fees paid by companies of similar size in the industry; level of experience and expertise; and subjective factors such as leadership, commitment and attitude.
2. *Short-Term Incentive Compensation.* The short-term incentive compensation is intended to reward an executive officer for his or her yearly individual contribution and performance of personal objectives in the context of our overall annual performance. The short-term incentive compensation is designed to motivate executives annually to achieve their predetermined objectives. In determining compensation and, in particular, short-term incentive compensation, the Compensation Committee and the Board consider factors

over which the executive officer can exercise control, such as their role in identifying and completing acquisitions and integrating such acquisitions into our business, meeting any budget targets established by controlling costs, taking successful advantage of business opportunities and enhancing our competitive and business prospects.

3. *Stock Options.* Stock options are a form of long-term equity incentive compensation granted from time to time to align executives' interests with those of the Company and its Shareholders and reward executives for their contribution to the creation of Shareholder value. Participants benefit only if the market value of our Common Shares at the time of the stock option exercise is greater than the exercise price. In establishing the number of stock options that may be granted, reference is made to the recommendations made by the Compensation Committee as well as, from time to time, the number of similar awards granted to officers and directors of other publicly-traded companies of similar size in the same business as us. The Compensation Committee and the Board also consider previous grants of stock options and the overall number of stock options that are outstanding relative to the number of outstanding securities in determining whether to make any new grants and the size and terms of any such grants. With respect to executive officers, the Compensation Committee and the Board also consider the level of effort, time, responsibility, ability, experience and level of commitment of the executive officer in determining the level of long-term equity incentive awards. With respect to directors, the Compensation Committee and the Board also consider committee assignments and committee chair responsibilities, as well as the overall time requirements of the Board members in determining the level of long-term equity incentive awards.
4. *Restricted Share Units.* Restricted Share Units (“RSUs”) are a form of long-term equity incentive compensation granted from time to time to align executives' interests with those of the Company and its Shareholders and to attract and retain executives. RSUs are notional shares that have the same value as Common Shares. In determining new grants of RSUs, the Compensation Committee and the Board consider factors similar to those contemplated when making new grants of stock options.

It is expected that stock options and RSUs held by management will be taken into consideration by the Compensation Committee at the time of any subsequent grants under the compensation plan in determining the amount or terms of any such subsequent award grants. The Compensation Committee will further consider the base salary, bonuses and competitive market factors. The size of a grant of an award is anticipated to be proportionate to the deemed ability of the individual to make an impact on our success, as determined by the Board.

We do not have a defined benefit plan, defined contribution plan, deferred compensation or pension or retirement plan applicable to our NEOs and no plans are currently in place in respect of change of control or termination.

Financial Instruments and Hedging

As of the date hereof, the Company does not have a formal policy that restricts the purchase by its NEOs, directors or other employees of financial instruments (including prepaid variable forward contracts, equity swaps, collars or units of exchange funds) that are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly, by the NEO, director or employee. To the knowledge of the Company, none of the NEOs or directors have purchased any such financial instruments. The Company will continue to review whether a formal policy in this regard is necessary or advisable as the Company continues to execute its business plan and gain further market visibility.

Summary Compensation Table

The following table is a summary of annual compensation paid, or recognized as an expense in accordance with Accounting Standards Codification (“ASC”) Topic 718 (Compensation - Stock Compensation), to the NEOs for our two most recently completed fiscal years, December 31, 2022 and December 31, 2021. Summary of the Stock Option Plan

On May 22, 2018, the Company adopted and received Shareholder approval of the Stock Option Plan, pursuant to which the Board may, from time to time, in its discretion, grant to directors, officers, employees and or eligible contractors of the Company (collectively, the "**Eligible Persons**"), options to purchase Common Shares ("**Stock Options**"). The purpose of the Stock Option Plan is to advance the interests of the Company by granting Stock Options to Eligible Persons as an incentive to: (i) dedicate their efforts to advancing the success of the Company; (ii) encourage them to remain with Company or its affiliates; and (iii) attract new directors, employees, officers and service providers.

The Stock Option Plan provides for a floating maximum limit of Stock Options to purchase ten percent (10%) of the outstanding Common Shares, as permitted by the policies of the CSE in combination with National Instrument 45-106 *Prospectus Exemptions*, provided that the number of Common Shares reserved for issuance under the Stock Option Plan, in combination with the aggregate number of Common Shares issuable under all of the Company's other equity incentive plans (including the Amended and Restated Share Unit Plan), shall not exceed ten percent (10%) of the issued and outstanding Common Shares from time to time, calculated on a non-diluted basis. The maximum number of Common Shares which may be reserved for issuance pursuant to Stock Options to any one person under the Stock Option Plan is five percent (5%) of the Common Shares issued and outstanding at the time of the grant, calculated on a non-diluted basis, less the aggregate number of Common Shares reserved for issuance to such person under any other security-based compensation arrangement of the Company (including the Amended and Restated Share Unit Plan). The Stock Option Plan complies with Section 2.25 of National Instrument 45-106 - *Prospectus Exemptions*. As of the Record Date, 20,236,256 Common Shares, in the aggregate, remained available for issuance under the Stock Option Plan and the Amended and Restated Share Unit Plan, as applicable. As of the Record Date, Stock Options to purchase a total of 2,174,425 Common Shares were issued to employees and eligible contractors of the Company and 785,017 Stock Options remained issued and outstanding.

The maximum number of Common Shares issuable pursuant to the Stock Option Plan and any other security-based compensation arrangements of the Company (including the Amended and Restated Share Unit Plan) to insiders (as a group) shall not exceed ten percent (10%) of the outstanding Common Shares (on a non-diluted basis) at the time of the grant. The maximum number of Common Shares which may be issued pursuant to the Stock Option Plan and any other security-based compensation arrangements of the Company (including the Amended and Restated Share Unit Plan) to insiders (as a group) within a 12-month period shall not exceed ten percent (10%) of the outstanding Common Shares (on a non-diluted basis) at the time of issuance.

The Board determines the exercise price of a Stock Option at the time the Stock Option is granted. Subject to a certain specific exception, the exercise price of Stock Options may not be less than the Market Price (as defined in the Stock Option Plan) on the date of grant, being the greater of the closing Market Price of the Common Shares on the CSE on: (a) the trading day prior to the date of grant of the Stock Options; and (b) the date of grant of the Stock Options.

In the event that the Common Shares are not then listed and posted for trading on the CSE or such other stock exchange or quotation system on which the Common Shares are listed or quoted from time to time, the Market Price shall be the fair market value of such Common Shares as determined by the Board in its sole discretion.

The Board establishes vesting and other terms and conditions for a Stock Option at the time each Stock Option is granted. Subject to specific exceptions and restrictions outlined in the Stock Option Plan, Stock Options are not assignable and will terminate as follows:

- (1) if a participant ceases to be an Eligible Person for any reason other than death or termination for cause, their Stock Options will be cancelled:
 - (a) 90 days after the participant ceases to be an Eligible Person or otherwise in accordance with the terms of the participant's employment agreement;
 - (b) such longer period as may be determined by the Board, but not exceeding the original expiry date of the Stock Option; or
 - (c) immediately if the Stock Options are unvested at the date the participant ceases to be an Eligible Person unless the Board determines otherwise;

- (2) if a participant ceases to be an Eligible Person because their relationship with the Company or an affiliate is terminated for cause by the Company or an affiliate, their Stock Options will be cancelled immediately after the participant ceases to be an Eligible Person; or
- (3) if a participant ceases to be an Eligible Person as a result of their death, all Stock Options unvested at the date of the participant's death will vest immediately and their Stock Options will be cancelled:
 - (a) 180 days after their death; or
 - (b) such longer period as may be determined by the Board, but not exceeding the original expiry date of the Stock Option to a maximum of 12 months.

Stock Options are non-assignable and non-transferable by a participant otherwise than by will or the laws of descent and distribution and are exercisable only by the participant during the lifetime of the participant and only by the participant's legal representative after death of the participant (in accordance with the Stock Option Plan). However, Stock Options granted to a participant may be assigned to a Permitted Assign (as such term is defined in the Stock Option Plan) of such participant, following which such Stock Options will be non-assignable and non-transferable by such permitted assign, except to another Permitted Assign, otherwise than by will or the laws of descent and distribution, and will be exercisable only by such permitted assign during the lifetime of such permitted assign and only by such permitted assign's legal representative after death of such permitted assign.

Subject to any applicable regulatory or stock exchange requirements or restrictions in the Stock Option Plan, the Board may at any time and without Shareholder approval, terminate the Stock Option Plan or amend the provisions of the Stock Option Plan or any Stock Options granted under it, including without limitation amendments:

- (1) related to the exercise of Stock Options, including the inclusion of a cashless exercise feature where payment is in cash or Common Shares or otherwise;
- (2) deemed by the Board to be necessary or advisable because of any change in applicable securities laws or other laws;
- (3) to the definitions of terms in the Stock Option Plan;
- (4) to the change of control provisions;
- (5) relating to the administration of the Stock Option Plan;
- (6) to the vesting provisions of any outstanding Stock Option;
- (7) to postpone or adjust any exercise of a Stock Option or the issuance of any Common Shares pursuant to the Stock Option Plan in order to permit the Company to effect or maintain registration of the Stock Option Plan or the common shares issuable pursuant to the Stock Option Plan under the securities laws of any applicable jurisdiction, or to determine that the Common Shares and the Stock Option Plan are exempt from such registration; or
- (8) fundamental or otherwise, not requiring Shareholder approval under applicable law or the rules of an exchange on which the Common Shares are listed, including amendments of a "clerical" or "housekeeping" nature and amendments to ensure that the Stock Options granted under the Stock Option Plan will comply with any provisions respecting income tax and other laws in force in any country or jurisdiction of which an Eligible Person may from time to time be resident or a citizen.

The Board may not make any of the following amendments to the Stock Option Plan without first having obtained the approval of a majority of Shareholders voting at a Shareholders meeting:

- (1) an increase in the maximum number of Common Shares which may be issued under the Stock Option Plan;
- (2) an increase in the ability of the Board to amend the Stock Option Plan without Shareholder approval;
- (3) amendments to the definitions of "Eligible Person" and "Permitted Assigns";
- (4) amendments to the exercise price of any Stock Option issued under the Stock Option Plan where such amendment reduces the exercise price of such Stock Option;
- (5) amendments to the term of any Stock Option issued under the Stock Option Plan; or

(6) amendments to the transfer provisions of the Stock Option Plan.

In addition, the Board may not amend the Stock Option Plan to increase insider participation limits without first having obtained the approval of a majority of Shareholders excluding shares voted by insiders who are Eligible Persons.

There was no re-pricing of Stock Options under the Stock Option Plan during the Company's most recently completed fiscal year ended December 31, 2022. A copy of the Stock Option Plan is available under the Company's profile on the SEC's website at www.sec.gov and its SEDAR profile at www.sedar.com.

Summary of the Amended and Restated Share Unit Plan

On May 22, 2018, the Company adopted and received Shareholder approval of, which was subsequently amended on July 11, 2018, the Amended and Restated Share Unit Plan by an ordinary majority Shareholder resolution, such amendment permitting all directors of the Company to be eligible to participate in and receive share unit awards under the Amended and Restated Share Unit Plan.

The Amended and Restated Share Unit Plan provides that the Board may from time to time, in its discretion, grant share units ("**Share Units**") to directors, employees, officers or eligible contractors of the Company or its affiliates. The purpose of the Amended and Restated Share Unit Plan is to provide for the award of Share Units and the settlement of such Share Units through the issuance of Common Shares from treasury in order to advance the interests of the Company, its affiliates and the Shareholders through the motivation, attraction and retention of employees, officers and eligible contractors and the alignment of their interests with the interests of the Shareholders.

The maximum number of Common Shares made available for issuance under the Amended and Restated Share Unit Plan is determined by the Board, however in combination with the aggregate number of Common Shares issuable under the Company's other share compensation arrangements (including the Stock Option Plan) shall not exceed ten percent (10%) of the Common Shares issued and outstanding from time to time. The maximum number of Common Shares which may be reserved for issuance pursuant to Share Units to any one person under the Amended and Restated Share Unit Plan is five percent (5%) of the Common Shares issued and outstanding (on a non-diluted basis) at the time of the grant less the aggregate number of Common Shares reserved for issuance to such person under any other security-based compensation arrangement of the Company (including the Stock Option Plan). As of the Record Date, 20,236,256 Common Shares, in the aggregate, remained available for issuance under the Amended and Restated Share Unit Plan and the Stock Option Plan, as applicable. As of the Record Date, 12,719,789 Share Units were issued to directors, officers, employees and eligible contractors of the Company and 1,203,512 Share Units remained issued and outstanding.

The Amended and Restated Share Unit Plan is a "rolling plan" and therefore when Share Units are settled, cancelled or terminated, Common Shares are automatically available for the award of new Share Units under the Amended and Restated Share Unit Plan. Pursuant to the terms of the Amended and Restated Share Unit Plan, the Board has the authority to determine the terms, limitations, restrictions and conditions applicable to the grant or vesting of a Share Unit. Furthermore, the Amended and Restated Share Unit Plan provides that the Board determines when any Share Unit will vest pursuant to the provisions of the Amended and Restated Share Unit Plan and rules of the CSE. Each participant has the right to redeem a vested Share Unit at any time prior to the settlement date of such Share Unit, by providing a notice of redemption to the Company. A vested Share Unit will entitle a participant, subject to the satisfaction of any conditions, to receive one Common Share.

Unless the Board determines otherwise, a participant's settlement date shall be accelerated as follows:

- (1) in the event of the death of the participant, the participant's settlement date shall be the date of death; and
- (2) in the event of the total disability of the participant, the participant's settlement date shall be the date which is 60 days following the date on which the participant becomes totally disabled.

In the event of the termination with or without cause (or retirement) of a participant, all unvested Share Units credited to the participant shall become void and the participant shall have no entitlement and will forfeit any rights to receive Common Shares under the Amended and Restated Share Unit Plan, except as may otherwise be determined by the Board in its sole and absolute discretion.

If any of the events set out below (a "**Triggering Event**") occurs in connection with or within the 12-month period immediately following a change of control of the Company pursuant to the provisions of the Amended and Restated Share Unit Plan, all outstanding Share Units shall vest (notwithstanding any contrary vesting provisions previously in place) and the settlement date shall occur, on the date of such Triggering Event:

- (1) in the case of a director, the termination of board membership of the director by the Company or any affiliate of the Company, the failure to re-elect or re-appoint the individual as a director of the Company or any affiliate of the Company;
- (2) in the case of an employee, the termination of the employment of the employee, without cause, as the context requires by the Company or an Affiliate or in the case of an officer, the removal of or failure to re-elect or re-appoint the individual as an officer of the Company or any affiliate of the Company;
- (3) in the case of an employee or an officer, a material adverse change imposed by the Company or any affiliate of the Company (as the case may be) in duties, powers, rights, discretion, prestige, salary, benefits, perquisites, as they exist, and with respect to financial entitlements, the conditions under and manner in which they were payable, immediately prior to the change of control, or a material diminution of title imposed by the Company or any affiliate of the Company (as the case may be), as it exists immediately prior to the change of control; and
- (4) in the case of an eligible contractor, the termination of the services of the eligible contractor by the Company or any affiliate of the Company.

If a resolution is adopted to wind-up, dissolve or liquidate the Company, all Share Units outstanding shall immediately vest and the settlement date shall occur.

Share Units are non-assignable and non-transferable by a participant otherwise than by will or the laws of descent and distribution and no Share Unit and no other right or interest of a participant under the Amended and Restated Share Unit Plan is assignable or transferable.

The Board may, in its sole discretion, elect to credit each participant with additional Share Units as a bonus in the event any dividend (other than a stock dividend) is paid on the Common Shares (the “**Bonus Units**”). In such cases, the number of Bonus Units to be issued to each participant will be equal to the aggregate amount of dividends that would have been paid to the participant if the Share Units (vested and unvested) held by the participant had been Common Shares divided by the Market Price (as defined in the Amended and Restated Share Unit Plan) of a Common Share on the date on which dividends were paid by the Company. Any Bonus Units so granted would vest and be subject to the same terms in proportion to the initial Share Units.

Subject to any applicable regulatory or stock exchange requirements or restrictions in the Amended and Restated Share Unit Plan, the Board may at any time and without Shareholder approval, amend the provisions of the Amended and Restated Share Unit Plan including without limitation:

- (1) amendments of a house keeping nature; and
- (2) changes to the settlement date of any Share Units.

The Board may not make any of the following amendments to the Amended and Restated Share Unit Plan without first having obtained the approval of a majority of Shareholders voting at a Shareholders meeting:

- (1) materially increase the benefits to the holder of the Share Units who is an insider to the material detriment of the Company and its Shareholders;
- (2) increase the number of Common Shares or maximum percentage of Common Shares which may be issued pursuant to the Amended and Restated Share Unit Plan other than in the event of a change in the Common Shares, whether by reason of a stock dividend, consolidation, subdivision or reclassification;
- (3) reduce the range of amendments requiring Shareholder approval;
- (4) permit Share Units to be transferred other than for normal estate settlement purposes;
- (5) change insider participation limits which would result in Shareholder approval being required on a disinterested basis; or
- (6) materially modify the eligibility requirements for participation in the Amended and Restated Share Unit Plan, shall only be effective on such amendment, modification or change being approved by the Shareholders.

There was no re-pricing of Share Units under the Amended and Restated Share Unit Plan during the Company's most recently completed fiscal year ended December 31, 2022. A copy of the Amended and Restated Share Unit Plan is available under the Company's profile on the SEC's website at www.sec.gov and its SEDAR profile at www.sedar.com.

Liability Insurance for Directors and Officers

The Company has directors' and officers' liability insurance coverage for losses to the Company if the Company is required to reimburse directors and officers, where permitted. This insurance protects the Company against liability (including costs), subject to standard policy exclusions, which may be incurred by directors and/or officers acting in such capacity for the Company. All directors and officers are covered by the policy and the amount of insurance applies collectively to all. The annual cost for this insurance in 2022 was \$400,000.

The Company has entered into employment agreements that include indemnification provisions with each of our executive officers. Under these provisions, each executive officer is entitled, subject to the terms and conditions thereof, to the right of indemnification and contribution for certain expenses to the fullest extent permitted by applicable law. We believe that these provisions are necessary to attract and retain qualified individuals to serve as executive officers.

Compensation Committee Interlocks and Insider Participation

During 2022, our Compensation Committee members were Adrienne O'Neal (Chair) and Mike Harman, neither of whom currently is, or formerly was, an officer or employee of the Company. None of our executive officers served as a member of the Board or Compensation Committee of any other company that had one or more executive officers serving as a member of our Board or Compensation Committee.

DIRECTOR COMPENSATION

We do not provide separate or additional compensation to directors who are also executives in connection with their services as a director. We adopted a director compensation program which provides for the payment of annual base fees to non-employee directors of \$100,000 each that is payable quarterly in arrears. Other than as set out in the table below, no non-employee director has received compensation pursuant to:

- (a) any standard arrangement for the compensation of directors for their services in their capacity as directors, including any additional amounts payable for committee participation or special assignments;
- (b) any other arrangement, in addition to, or in lieu of, any standard arrangement, for the compensation of directors in their capacity as directors; or
- (c) any arrangement for the compensation of directors for services as consultants or experts.

The following table sets forth all compensation paid to or earned, or recognized as an expense in accordance ASC Topic 718, by each non-employee director during our fiscal year ended December 31, 2022. All amounts are expressed in US Dollars:

Name	Fees earned or paid in cash(\$)	Stock awards (\$)	Option awards (\$)	Non-equity incentive plan compensation (\$)	Non qualified deferred compensation earnings (\$)	All other compensation (\$)	Total (\$)
Lee Fraser ⁽¹⁾	—	—	—	—	—	—	—

Michael Harman ⁽²⁾	100,000	—	—	—	—	—	100,000

(1) Mr. Fraser was appointed to the Board on May 10, 2023.

(2) Mr. Harman passed away on April 6, 2023.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The shareholders and the Board approved the Stock Option Plan on May 22, 2018, and approved the Amended and Restated Share Unit Plan on May 22, 2018. The granting of awards under these plans is intended to promote the interests of the Company and its shareholders by aiding us in attracting and retaining persons capable of assuring our future success, to offer such persons incentives to put forth maximum efforts for the success of our business and to compensate such persons through various stock based arrangements and provide them with opportunities for stock ownership in the Company, thereby aligning the interests of such persons with our Shareholders. Eligible participants under the Stock Option Plan and Amended and Restated Share Unit Plan include non-employee directors, officers (including the named executive officers), employees, consultants and advisors of the Company and its subsidiaries.

As of December 31, 2022: (i) options to purchase an aggregate of 792,518 Common Shares were outstanding, representing approximately 0.36% of the issued and outstanding Common Shares on such date; and (ii) Share Units to acquire an aggregate of 2,464,928 Common Shares were outstanding, representing approximately 1.12% of the issued and outstanding Common Shares on such date, for a total of 3,257,446 Common Shares issuable pursuant to outstanding awards. As a result, Stock Options/Share Units under our equity compensation plans to purchase/receive a total of 18,894,398 Common Shares, representing approximately 8.57% of the total issued and outstanding Common Shares, were available for grant as of December 31, 2022.

The following table provides information regarding compensation plans, previously approved by shareholders, under which securities of the Company are authorized for issuance in effect as of December 31, 2022:

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

The following is a description of each transaction since January 1, 2021 and each currently proposed transaction in which:

- we have been or are to be a participant;
- the amounts involved exceeded or will exceed the lesser of \$120,000 or 1% of the average of the Company's total assets at year end for the last two completed fiscal years; and

Other than as described below, there have not been, nor are there any currently proposed, transactions or series of similar transactions to which we have been or will be a party other than compensation arrangements, which are described where required under the section entitled "*Executive Compensation*" and "*Director Compensation Table*."

Office Space Sublease and Storage Space

Prior to March 15, 2022, the Company was the sub-lessee of approximately 2,000 square feet of office space and purchased certain printed marketing collateral and stationery items from a company owned by Larry Scheffler, one of the Company's Co-CEOs. This entity was sold to an unrelated third-party on March 15, 2022. Amounts paid by us for rent for the years ended December 31, 2022 and December 31, 2021 to this related party equaled \$6,010 and \$16,027, respectively. Amounts paid by us for printed marketing collateral and stationery items to this related party for the years ended December 31, 2022 and December 31, 2021, equaled \$183,914 and \$450,692, respectively. As of March 31, 2023, there were no accounts payable owed to this related party.

From November 2020 to April 2021, we leased a 25,000 square foot cultivation facility from an entity owned by both our Co-CEOs. Rents paid by us for this facility for the years ended December 31, 2022 and December 31, 2021, equaled \$nil, and \$301,894, respectively. On April 30, 2021, our Co-CEOs sold this building to an arm's length third party who assumed the lease. As of March 31, 2023, there were no accounts payable owed to this related party.

A company previously owned by Larry Scheffler, one of the Company's Co-CEOs, until March 15, 2022 paid us for storage space. Amounts paid to us from the related party for storage space were \$5,968 and \$171,895 for the years ended December 31, 2022 and December 31, 2021, respectively. As of March 31, 2023, there were no accounts payable owed to this related party.

WCDN Acquisition

On July 17, 2020, we entered into an asset purchase agreement (the "**WCDN Asset Acquisition Agreement**") with West Coast Development Nevada, LLC ("**WCDN**") and certain other parties, pursuant to which we, through MMDC, acquired cannabis inventory, equipment and tenant improvements located in a 25,000 square foot facility at 4801 West Bell Drive, Las Vegas, Nevada 89118 (the "**WCDN Acquisition Facility**"), which has the ability to expand to 45,000 square feet (the "**WCDN Acquisition**").

The transaction was scheduled to close in two parts, the first closing being cash transferred for the equipment and cannabis inventory which occurred on July 17, 2020, and the second closing being contingent on the approval to transfer the license and receipt of the cultivation and production licenses from the State of Nevada's Cannabis Compliance Board.

Concurrent with the first closing of the WCDN Acquisition, RX Land, LLC ("**RX Land**"), an entity owned by Robert Groesbeck and Larry Scheffler, our co-chief executive officers, acquired the WCDN Acquisition Facility for US\$3.3 million and entered into a lease agreement with WCDN in respect of such facility (the "**Initial West Bell Lease**"). In accordance with the terms of the WCDN Asset Acquisition Agreement and approvals by our independent directors, WCDN assigned the Initial West Bell Lease to MMDC on November 25, 2020, and MMDC subsequently entered into an amending agreement with RX Land on November 27, 2020, to amend certain terms of such lease agreement including increasing the lease payments, extending the duration of the lease and, if desired, allowing for second floor installation by MMDC without a corresponding lease rate increase due to an increase in facility size. In April 2021, RX Land was sold to an arm's length third party.

Related Person Transaction Policy

We have adopted a written related person transactions policy that provides that our executive officers, directors, nominees for election as a director, beneficial owners of more than 5% of any class of our voting securities, and any members of the immediate family of the foregoing persons, are not permitted to enter into a material related person transaction with us without the review and approval of our Audit Committee. The policy provides that any request for us to enter into a transaction with an executive officer, director, nominee for election as a director, beneficial owner of more than 5% of our common shares or with any of their immediate family members or affiliates in which the amount involved exceeds \$120,000 will be presented to our Audit Committee for review, consideration and approval, subject to exceptions for certain transaction for which there is standing pre-approval as described in the policy, including for employment of executive officers and director compensation. In approving or rejecting any such proposal, our Audit Committee shall take into account, among other factors it deems appropriate, (i) whether the transaction was undertaken in our ordinary course of business, (ii) whether the transaction was initiated by us, a subsidiary of us, or the related person, (iii) whether the transaction is proposed to be, or was, entered into on terms no less favorable to us than terms that could have been reached with an unrelated third party, (iv) the purpose of, and the potential benefits to us of, the transaction, (v) the approximate dollar value of the amount involved in the transaction, particularly as it relates to the related person, (vi) the related person's interest in the transaction and (vii) any other information regarding the transaction or the related person that would be material to investors in light of the circumstances of the particular transaction.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the directors, executive officers, and employees, proposed nominees for election as directors or their associates has been or is indebted to the Company or any of its subsidiaries except for de minimis "routine indebtedness" as defined under applicable Canadian securities legislation of certain employees.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

An "informed person" means: (a) a director or executive officer of the Company; (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Company; (c) any person or company who beneficially owns, directly or indirectly, voting securities of the Company or who exercises control or direction over voting securities of the Company or a combination of both carrying more than 10% of the voting rights other than voting securities held by the person or company as underwriter in the course of a distribution; and (d) the Company itself, if and for so long as it has purchased, redeemed or otherwise acquired any of its Shares.

To the knowledge of management of the Company, no informed person or nominee for election as a director of the Company or any associate or affiliate of any informed person or proposed director had any interest in any transaction which has materially affected or would materially affect the Company or any of its subsidiaries during the year ended December 31, 2022, or has any interest in any material transaction in the current year other than as set out in the section "*Certain Relationships and Related Person Transactions.*"

(a) *Annual Meetings of Stockholders.*

(i) Nominations of persons for election to the Board of Directors and the proposal of other business to be considered by the Stockholders may be made at an annual meeting of Stockholders only (A) pursuant to the Corporation's notice of meeting (or any supplement thereto), (B) by or at the direction of the Board of Directors or a committee appointed by the Board of Directors or (C) by any Stockholder who (1) was a Stockholder of record at the time the notice provided for in this Section 3.12 is delivered to the Secretary, who is entitled to vote at the meeting and who complies with the notice procedures set forth in this Section 3.12 or (2) properly made such proposal in accordance with Rule 14a-8 under the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (as so amended and inclusive of such rules and regulations, the "Exchange Act"), which proposal has been included in the proxy statement for the annual meeting.

(ii) For any nominations or other business to be properly brought before an annual meeting by a Stockholder pursuant to Section 3.12(a)(ii)(C) of these Bylaws, the Stockholder must have given timely notice thereof in writing to the Secretary and must provide any updates or supplements to such notice at the times and in the forms required by this Section 3.12, and any such proposed business (other than the nominations of persons for election to the Board of Directors) must constitute a proper matter for Stockholder action. To be timely, a Stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the ninetieth (90th) day, nor earlier than the close of business on the one hundred twentieth (120th) day, prior to the first anniversary of the preceding year's annual meeting (*provided, however*, that in the event that the date of the annual meeting is more than thirty (30) days before or more than seventy (70) days after such anniversary date, notice by the Stockholder must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Corporation). In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a Stockholder's notice as described above.

(A) as to each person whom the Stockholder proposes to nominate for election as a director of the Corporation, set forth (I) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to and in accordance with Section 14(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations promulgated thereunder, (II) such person's written consent to being named in the proxy statement as a nominee and to serving as a director of the Corporation if elected and (III) such other information regarding such person as may reasonably be requested by the Board of Directors in writing prior to the meeting of Stockholders at which such candidate's nomination is to be acted upon in order for the Board of Directors to determine the eligibility of such candidate for nomination to be an independent director of the Corporation;

(B) with respect to each nominee for election or reelection to the Board of Directors, include the completed and signed questionnaire, representation and agreement required by Section 3.13 of these Bylaws;

(C) as to any other business that the Stockholder proposes to bring before the meeting, set forth (I) a brief description of the business desired to be brought before the meeting, (II) the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend these Bylaws, the language of the proposed amendment), (III) the reasons for conducting such business at the meeting and any material interest in such business of such Stockholder and the beneficial owner, if any, on whose behalf the proposal is made, and (IV) any other information relating to such item of business that would be required to be disclosed in a proxy statement or other filing required to be made in connection with the solicitation of proxies in support of the business proposed to be brought before the meeting pursuant to Section 14A of the Exchange Act; and

(D) as to the Stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made, set forth (I) the name and address of such Stockholder, as they appear on the Corporation's books, and of such beneficial owner, (II) the class or series and number of Stock which are owned beneficially and of record by such Stockholder and such beneficial owner, except that such Stockholder shall in all events be deemed to beneficially own any shares of any class or series of Stock of the Corporation as to which such Stockholder has a right to acquire beneficial ownership at any time in the future, (III) a description of any agreement, arrangement or understanding with respect to the nomination or proposal between or among such Stockholder and/or such beneficial owner, any of their respective affiliates or associates, and any others acting in concert with any of the foregoing, including, in the case of a nomination, the nominee, (IV) a description of any agreement, arrangement or understanding (including any derivative or short positions, profit interests, options, warrants, convertible securities, stock appreciation or similar rights, hedging transactions, and borrowed or loaned shares) that has been entered into as of the date of the Stockholder's notice by, or on behalf of, such Stockholder and such beneficial owners, whether or not such instrument or right shall be subject to settlement in underlying Stock, the effect or intent of which is to mitigate loss to, manage risk or benefit of share price changes for, or increase or decrease the voting power of, such Stockholder or such beneficial owner, with respect to securities of the Corporation, (V) a representation that the Stockholder is a holder of record of Stock entitled to vote at such meeting and intends to appear in person or by proxy at the meeting, and (VI) a representation that the Stockholder or the beneficial owner, if any, intends or is part of a group which intends (1) to solicit proxies or votes in support of such Director nominees or nomination in accordance with Rule 14a-19 promulgated under the Exchange Act, and (2) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Corporation's outstanding capital stock required to approve or adopt the proposal or elect the nominee.

The foregoing notice requirements of this Section 3.12(a) shall be deemed satisfied by a Stockholder with respect to business other than a nomination for election as a director of the Corporation if the Stockholder has notified the Corporation of his, her or its intention to present a proposal at an annual meeting in compliance with applicable rules and regulations promulgated under the Exchange Act and such Stockholder's proposal has been included in a proxy statement that has been prepared by the Corporation to solicit proxies for such annual meeting. The Corporation may require any proposed nominee for election as a director of the Corporation to furnish such other information as the Corporation may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Corporation.

(iii) Notwithstanding anything in the second sentence of Section 3.12(a)(ii) of these Bylaws to the contrary, in the event that the number of directors to be elected to the Board of Directors at the annual meeting is increased effective after the time period for which nominations would otherwise be due under Section 3.12(a)(ii) of these Bylaws and there is no public announcement by the Corporation naming the nominees for the additional directorships at least one hundred (100) days prior to the first anniversary of the preceding year's annual meeting, a Stockholder's notice required by this Section 3.12 shall also be considered

timely, but only with respect to nominees for the additional directorships, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Corporation.

(b) *Special Meetings of Stockholders.* The only business to be conducted at a special meeting of Stockholders is that brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board of Directors may be made at a special meeting of Stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting (1) by or at the direction of the Board of Directors or a committee appointed by the Board of Directors or (2) provided that the Board of Directors has determined that directors shall be elected at such meeting, by any Stockholder who is a Stockholder of record at the time the notice provided for in this Section 3.12 is delivered to the Secretary, who is entitled to vote at the meeting and upon such election and who complies with the notice procedures set forth in this Section 3.12. In the event the Corporation calls a special meeting of Stockholders for the purpose of electing one or more directors to the Board of Directors, any such Stockholder entitled to vote in such election of directors may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Corporation's notice of meeting, if the Stockholder's notice required by Section 3.12(a)(ii) of these Bylaws (including the completed and signed questionnaire, representation and agreement required by Section 3.13 of these Bylaws and any other information, documents, affidavits, or certifications required by the Corporation) shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the close of business on the one hundred twentieth (120th) day prior to such special meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such special meeting or the tenth (10th) day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) for the giving of a Stockholder's notice as described above.

(c) *General.*

(i) Except as otherwise expressly provided in any applicable rule or regulation promulgated under the Exchange Act, only such persons who are nominated in accordance with the procedures set forth in this Section 3.12 shall be eligible to be elected at an annual or special meeting of Stockholders to serve as directors and only such business shall be conducted at a meeting of Stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 3.12. Except as otherwise provided by law, the chair of the meeting shall have the power and duty (A) to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Section 3.12 (including whether the Stockholder or beneficial owner, if any, on whose behalf the nomination or proposal is made or solicited (or is part of a group which solicited) or did not so solicit, as the case may be, proxies or votes in support of such Stockholder's nominee or proposal in compliance with such Stockholder's representation as required by Section 3.12(a)(ii)(D)(VI) of these Bylaws) and (B) if any proposed nomination or business was not made or proposed in compliance with this Section 3.12, to declare that such nomination shall be disregarded or that such proposed business shall not be transacted. Notwithstanding the foregoing provisions of this Section 3.12, unless otherwise required by law, if the Stockholder (or a qualified representative of the Stockholder) does not appear at the annual or special meeting of Stockholders to present a nomination or proposed business, such nomination shall be disregarded and such proposed business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Corporation. For purposes of this Section 3.12, to be considered a qualified representative of the Stockholder, a person must be a duly authorized officer, manager or partner of such Stockholder or must be authorized by a writing executed by such Stockholder or an electronic transmission delivered by such Stockholder to act for such Stockholder as proxy at the meeting of Stockholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of Stockholders. Without limiting the other provisions and requirements of this Section 3.12, unless otherwise required by Law, if any Stockholder (A) provides notice pursuant to Rule 14a-19(b) promulgated under the Exchange Act and (B) subsequently fails to comply with the requirements of Rule 14a-19(a)(2) and Rule 14a-19(a)(3) promulgated under the Exchange Act, then the Corporation

shall disregard any proxies or votes solicited for such Stockholders' nominees. Upon request by the Corporation, if any Stockholder provides notice pursuant to Rule 14a-19(b) promulgated under the Exchange Act, such Stockholder shall deliver to the Corporation, no later than five business days prior to the applicable meeting, reasonable evidence that it has met the requirements of Rule 14a-19(a)(3) promulgated under the Exchange Act.

(ii) For purposes of this Section 3.12, “public announcement” shall include disclosure in a press release reported by the Dow Jones News Service, Associated Press or other national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act and the rules and regulations promulgated thereunder.

(iii) Notwithstanding the foregoing provisions of this Section 3.12, a Stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations promulgated thereunder with respect to the matters set forth in this Section 3.12; *provided, however*, that any references in these Bylaws to the Exchange Act or the rules and regulations promulgated thereunder are not intended to and shall not limit any requirements applicable to nominations or proposals as to any other business to be considered pursuant to this Section 3.12 (including clause (a)(ii)(C)) hereof and clause (b) hereof), and compliance with clauses (a)(ii)(C) and (b) of this Section 3.12 shall be the exclusive means for a Stockholder to make nominations or submit other business (other than, as provided in the penultimate sentence of clause (a)(i) hereof, business other than nominations brought properly under and in compliance with Rule 14a-8 promulgated under the Exchange Act, as may be amended from time to time). Nothing in this Section 3.12 shall be deemed to affect any rights (x) of Stockholders to request inclusion of proposals or nominations in the Corporation's proxy statement pursuant to applicable rules and regulations promulgated under the Exchange Act or (y) of the holders of any series of Preferred Stock of the Corporation to elect directors pursuant to any applicable provisions of the Articles of Incorporation.

(iv) A Stockholder providing notice of its intent to propose business or to nominate a person for election to the Board of Directors shall update and supplement its notice to the Corporation, if necessary, so that the information provided or required to be provided in such notice pursuant to this Section 3.12 shall be true and correct as of the record date for notice of the meeting and as of the date that is ten (10) business days prior to the meeting or any adjournment or postponement thereof, and such update and supplement shall be delivered to, or mailed and received by, the Secretary at the principal executive offices of the Corporation not later than five (5) business days after the record date for notice of the meeting (in the case of the update and supplement required to be made as of such record date), and not later than eight (8) business days prior to the date for the meeting or, if practicable, any adjournment or postponement thereof (and, if not practicable, on the first practicable date prior to the date to which the meeting has been adjourned or postponed) (in the case of the update and supplement required to be made as of ten (10) business days prior to the meeting or any adjournment or postponement thereof).

3.13. Submission of Questionnaire, Representation, and Agreement. To be eligible to be a nominee for election or reelection as a director of the Corporation, the candidate for nomination must have previously delivered (in accordance with the time periods prescribed for delivery of notice under Section 3.12 of these Bylaws), to the Secretary at the principal executive offices of the Corporation, (a) a completed written questionnaire (in a form provided by the Corporation) with respect to the background, qualifications, Share ownership and independence of such proposed nominee and (b) a written representation and agreement (in form provided by the Corporation) that such candidate for nomination (i) is not and, if elected as a director during his or her term of office, will not become a party to (A) any agreement, arrangement or understanding with, and has not given and will not give any commitment or assurance to, any person or entity as to how such proposed nominee, if elected as a director of the Corporation, will act or vote on any issue or question (a “Voting Commitment”) or (B) any Voting Commitment that could limit or interfere with such proposed nominee's ability to comply, if elected as a director of the Corporation, with such proposed nominee's fiduciary duties under applicable law, (ii) is not, and will not become a party to, any agreement, arrangement or understanding with any person or entity other than the Corporation with respect to any direct or indirect compensation or reimbursement for service as a director and (iii) if elected as a director of the Corporation, will comply with all applicable corporate governance, conflict of interest, confidentiality, Share

ownership and trading and other policies and guidelines of the Corporation applicable to directors and in effect during such person's term in office as a director of the Corporation (and, if requested by any candidate for nomination, the Secretary shall provide to such candidate for nomination all such policies and guidelines then in effect).

ARTICLE IV **THE BOARD OF DIRECTORS**

4.01. Number of Directors. The number of Directors shall be fixed from time to time exclusively by the Board of Directors pursuant to a resolution adopted by a majority of the Board of Directors but the number shall be not less than three (3) nor more than nine (9). The members of the Board of Directors need not be Stockholders.

4.02. Election. Members of the initial Board of Directors shall hold office until the first annual Stockholders' meeting or until their successors shall have been elected and qualified. At the first annual Stockholder's meeting and at each annual meeting thereafter, or by a written consent filed in lieu of an annual meeting, the Stockholders shall elect Directors to hold office until the time for the next succeeding annual meeting. If any annual Stockholders' meeting is not held and a written consent in lieu of an annual meeting is not filed, or the Directors are not elected, the Directors may be elected at any special Stockholders' meeting held for that purpose or by the filing of a special written consent. Each Director shall hold office for the term for which the Director is elected or until the Director's successor shall be elected and qualified.

4.03. Vacancies and Removal. Except as otherwise required by law and subject to the rights of the holders of any class or series of Preferred Stock then outstanding, unless the Board of Directors otherwise determines, newly created directorships resulting from any increase in the authorized number of directors or any vacancies on the Board of Directors resulting from the death, resignation, retirement, disqualification, removal from office or other cause shall be filled only by a majority vote of the Directors then in office and entitled to vote thereon, though less than a quorum, or by a sole remaining Director entitled to vote thereon, and if any such vacancies are not filled by the remaining Director or Directors, then such vacancy may be filled by the Stockholders. Any Director so chosen shall hold office until the next election of Directors and until his successor shall be elected and qualified. If the Board of Directors accepts the resignation of a Director tendered to take effect at a future time, the Board of Directors shall have power to elect a successor to take office when the resignation is to become effective. No reduction of the authorized number of Directors shall have the effect of removing any Director prior to the expiration of the Director's term of office. Subject to the rights of the holders of any class or series of Preferred Stock then outstanding and except as otherwise provided in the Articles of Incorporation or these Bylaws, any Director, or the entire Board of Directors, may be removed from office by a vote of Stockholders representing not less than two-thirds of the voting power of the issued and outstanding Stock entitled to vote at an annual or special meeting duly noticed and called in accordance with the Bylaws.

4.04. Regular Meetings. Regular meetings of the Board of Directors shall be held at the times and places within or without the State of Nevada as may be designated from time to time by resolution of the Board of Directors or by written consent of all members of the Board of Directors. No Notice of any kind to members of the Board of Directors for these regular meetings shall be necessary unless the meeting is to be held at a place other than the principal business office of the Corporation, in which case Notice of the place of the meeting shall be given as provided in Section 4.05.

4.05. Special Meetings. Special meetings of the Board of Directors for any purpose or purposes may be held at any time upon call by the President or, if the President is absent or unable or refuses to act or by any two (2) Directors. Special meetings may be held at any place within or without the State of Nevada. Notice shall be given, in the manner hereinafter provided, of each such special meeting, which Notice shall state the time and place of such meeting, but need not state the purposes thereof. Except as otherwise provided in Section 4.07, Notice of each such meeting shall be given to each Director at least two (2) days before the day on which such meeting is to be held. A written waiver of Notice, whether given before or after the meeting to which it relates, shall be equivalent to the giving of Notice of such meeting to the Director or Directors signing such waiver. Attendance of a Director at a special meeting of the Board of Directors shall constitute a waiver of Notice of such meeting, except when he or she attends the meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

4.06. Notice of Adjourned Meetings. Notice of the time and place of holding an adjourned meeting need not be given to absent Directors if the time and place be fixed at the meeting adjourned.

4.07. Waiver of Notice. The transactions of any meeting of the Board of Directors, however called and Noticed or wherever held, shall be as valid as though had at a meeting duly held after regular call and Notice, if a quorum be present, and if, either before or after the meeting, each of the Directors not present signs a written waiver of Notice or a consent to the holding of the meeting or an approval of the minutes thereof. All such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

4.08. Quorum. A majority of the authorized number of Directors, or, in the event that a flexible number of Directors is authorized by the Articles of Incorporation or these Bylaws, a majority of the exact authorized number of Directors, shall be necessary to constitute a quorum for the transaction of business, except to adjourn as hereinafter provided. Every act or decision done or made by a majority of the Directors present at a meeting duly held at which a quorum is present shall be regarded as the act of the Board of Directors unless a greater number be required by the Articles of Incorporation, these Bylaws or applicable Law.

4.09. Adjournment. A quorum of the Directors may adjourn any Directors' meeting to meet again at a stated day and hour; provided, however, that in the absence of a quorum, a majority of the Directors present at any Directors' meeting either regular or special, may adjourn from time to time until the time fixed for the next regular meeting of the Board of Directors.

4.10. Telephone and Electronic Meetings. Members of the Board of Directors or of any committee designated by the Board of Directors may participate in a meeting of the Board of Directors or such committee through electronic communications, videoconferencing, teleconferencing or other available technology for which the Corporation shall have implemented reasonable measures to: verify the identity of each person participating through such means as a director or committee, as the case may be; and provide the directors or members a reasonable opportunity to participate in the meeting and to vote on matters submitted to the directors or members, as the case may be, including an opportunity to communicate and to read or hear the proceedings of the meeting in a substantially concurrent manner with such proceedings. Participation in a meeting pursuant to this Section 4.10 constitutes presence in person at the meeting.

4.11. Action Without Meeting. Any action required or permitted to be taken by the Board of Directors under the Articles of Incorporation, these Bylaws, or under applicable Law, may be taken without a meeting if all members of the Board of Directors shall individually or collectively consent, in writing (which may include through electronic transmission) before or after the action, to the action. Any action by written consent shall have the same force and effect as a unanimous vote of all Directors. All written consents must be filed with the Secretary.

4.12. Committees. Committees designated and appointed by the Board of Directors shall function subject to and in accordance with the following regulations and procedures:

(a) *Designation and Appointment.* The Board of Directors may designate and appoint one or more committees under such name or names and for such purpose or function as may be deemed appropriate or under no name.

(b) *Members; Alternate Members; Terms.* Each committee thus designated and appointed shall consist of one or more of the directors of the Corporation. The Board of Directors may designate one or more of its members as alternate members of any committee, who may, subject to any limitations imposed by the entire Board of Directors, replace absent or disqualified members at any meeting of that committee. If the Board of Directors has not designated alternate members to a committee, then in the absence or disqualification of a member of a committee from a meeting, the member or members thereof present at such meeting and not disqualified from voting, whether or not he, she or they constitute a quorum, may unanimously appoint another member of the Board of Directors to act at such meeting in the place of any such absent or disqualified member ("substitute member"). The members or alternate members of any such committee shall serve at the pleasure of and subject to the discretion of the Board of Directors.

(c) *Authority.* Each committee, to the extent provided in the resolution of the Board of Directors creating same, shall have and may exercise such of the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation as the Board of Directors may direct and delegate, except, however, those matters which are required by statute to be reserved unto or acted upon by the entire Board of Directors.

(d) *Records.* Each such committee shall keep and maintain regular records or minutes of its meetings and report the same to the Board of Directors when required.

(e) *Change in Number.* The number of members or alternate members of any committee appointed by the Board of Directors, as herein provided, may be increased or decreased from time to time by appropriate resolution adopted by of the Board of Directors.

(f) *Vacancies.* Vacancies in the membership of any committee designated and appointed hereunder shall be filled by the Board of Directors, at a regular or special meeting of the Board of Directors, in a manner consistent with the provisions of this Section 4.12.

(g) *Removal.* Any member or alternate member of any committee appointed hereunder may be removed by the Board of Directors by the Board of Directors, whenever in its judgment the best interests of the Corporation will be served thereby.

(h) *Meetings.* The time, place and notice (if any) of committee meetings shall be determined by the members of such committee.

(i) *Quorum; Requisite Vote.* At meetings of any committee appointed hereunder, a majority of the number of members designated by the Board of Directors to such committee shall constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum, alternate members or substitute members acting in the place of members at a meeting shall be counted to the same extent as the members of the committee they are replacing; *provided, however,* that for purposes of determining the presence of a quorum, alternate members and substitute members (whether or not acting in the place of members at a meeting) shall not be included in the number of members designated by the Board of Directors to such committee. The act of a majority of the members (and to if acting in the place of members, alternate members or substitute members) of the committee present at any meeting at which a quorum is present shall be the act of such committee, except as otherwise specifically provided by statute. If a quorum is not present at a meeting of such committee, the members of such committee present may adjourn the meeting from time to time, without notice other than an announcement at the meeting, until a quorum is present.

(j) *Compensation.* Unless otherwise restricted by the Articles of Incorporation or these Bylaws, compensation for members and alternate members of any committee appointed pursuant to the authority hereof may be authorized by the Board of Directors or by a committee specifically authorized by the Board of Directors to authorize compensation.

(k) *Action Without Meeting.* Unless otherwise restricted by the Articles of Incorporation or these Bylaws, any action required or permitted to be taken at a meeting of any committee may be taken without a meeting if a consent in writing, setting forth the action so taken, is signed by all members of such committee. Such consent shall have the same force and effect as a unanimous vote at a meeting. The signed consent, or a signed copy, shall become a part of the record of such committee.

4.13. Organization and Chair of the Board. The Board of Directors may elect one or more Directors to be its chair (the “Chair of the Board”) and such position may be held by two or more persons as co-Chairs. Meetings of the Board of Directors shall be presided over by the Chair of the Board, or in the absence of the Chair of the Board by Chief Executive Officer, or in his or her absence by a chair chosen at the meeting. The secretary, or in the absence of the secretary an assistant secretary, shall act as secretary of the meeting, but in the absence of the secretary and any assistant secretary the chair of the meeting may appoint any person to act as secretary of the meeting. The order of business at each such meeting shall be as determined by the chair of the meeting.

4.14. Fees and Compensation. Directors shall not receive any stated salary for their services as Directors or as members of committees, but, by resolution of the Board of Directors, a fixed fee or equity-based compensation, with or without expenses of attendance, may be allowed to Directors for the Director’s services. Nothing herein contained shall be construed to preclude any Director from serving the Corporation in any other capacity as an officer, agent, employee or otherwise, and receiving compensation therefor.

ARTICLE V **THE OFFICERS**

5.08 President. Subject to such supervisory powers, if any, as may be given by the Board of Directors to the Chief Executive Officer(s), if any, or an officer senior to the President, if there be such an officer, the President shall be the Chief Executive Officer of the Corporation and shall, subject to the control of the Board of Directors, have general supervision, direction and control of the business and officers of the Corporation. 5.11. Secretary. The Secretary shall keep or cause to be kept, at the Registered Office, the principal business office or such other place as the Board of Directors may order, a book of minutes of all meetings of Directors and Stockholders, with the time and place of holding, whether regular or special, and, if special, how authorized, the Notice thereof given, the names of those present at Directors' meetings, the number of Stock present or represented at Stockholders' meetings, and the proceedings thereof. The Secretary shall give, or cause to be given, Notice of all the meetings of the Stockholders and of the Board of Directors and written consents in lieu thereof required by these Bylaws or by Law to be given, and shall keep the seal of the Corporation in safe custody, and shall have such other powers and perform such other duties as may be prescribed by the Board of Directors, the President or these Bylaws.

5.12. Treasurer. The Treasurer shall keep and maintain, or cause to be kept and maintained, adequate and correct accounts of the properties and business transactions of the Corporation, including accounts of its assets, liabilities, receipts, disbursements, gains, losses, capital, surplus and Stock. Any surplus, including earned surplus, paid-in surplus and surplus arising from a reduction of stated capital, shall be classified according to source and shown in a separate account. The books of account shall at all times be open to inspection by any Director. The Treasurer shall deposit all moneys and other valuables in the name and to the credit of the Corporation with such depositories as may be designated by the Board of Directors. The Treasurer shall disburse the funds of the Corporation as may be ordered by the Board of Directors, shall render to the President and Board of Directors, whenever they request it, an account of all transactions as Treasurer and of the financial condition of the Corporation, and shall have such other powers and perform such other duties as may be prescribed by the Board of Directors, the President or these Bylaws. If required by the Board of Directors, the Treasurer shall give the Corporation a bond in such sum and with such surety or sureties as shall be satisfactory to the Board of Directors for the faithful performance of the duties of office of Treasurer and for the restoration to the Corporation, in case of death, resignation, retirement or removal from office, of all books, papers, vouchers, money and other property of whatever kind in the Treasurer's possession or under the Treasurer's control belonging to the Corporation.

5.13. Transfers of Authority. In case of the absence of any officer of the Corporation, or for any reason that the Board of Directors may consider sufficient, the Board of Directors may transfer the powers or duties of that Officer to any other officer or to any Director or employee of the Corporation, provided a majority of the full Board of Directors concurs.

ARTICLE VI INDEMNIFICATION

6.01 Indemnification. The Corporation shall indemnify any Person who was or is a party or is threatened to be made a party to any threatened, pending or completed Action or Proceeding, whether civil, criminal, administrative or investigative (other than an Action or Proceeding by or in the right of the Corporation) by reason of the fact that the Person is or was a Director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid or owed in settlement actually and reasonably paid or incurred by the Person or rendered or levied against the Person in connection with such Action or Proceeding if the Person acted in good faith and in a manner the Person reasonably believed to be in or not opposed to the best interests of the Corporation, and with respect to any criminal Action or Proceeding, had no reasonable cause to believe the Person's conduct was unlawful. The termination of any Action or Proceeding by Order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the Person did not act in good faith and in a manner which the Person reasonably believed to be in or not opposed to the best interests of the Corporation, or, with respect to any criminal Action or Proceeding, had reasonable cause to believe that the Person's conduct was unlawful.

6.02 Derivative Actions. The Corporation may indemnify any Person who was or is a party or is threatened to be made a party to any threatened, pending or completed Action or Proceeding by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that the Person is or was a Director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses, including attorneys' fees, actually and reasonably paid or incurred by the Person in connection with the defense or settlement of such Action or Proceeding if the Person acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, provided, however, that no indemnification shall be made in respect of any

claim, issue or matter as to which such Person shall have been adjudged to be liable for misfeasance or nonfeasance in the performance of the Person's duty to the Corporation unless and only to the extent that, despite the adjudication of liability but in view of all circumstances of the case, such Person fairly and equitably merits indemnification.

6.03 Expenses. If a Person who may be entitled to indemnification by the Corporation under this Section is or has been successful on the merits or otherwise in defense of any Action or Proceeding referred to in Sections 6.01 and 6.02, or in defense of any claim, issue or matter therein, the Person shall be indemnified against expenses, including attorneys' fees, actually and reasonably paid or incurred by the Person in connection therewith.

6.04 Authorization. Any indemnification under Sections 6.01 and 6.02 shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the Director, officer, employee or agent is proper in the circumstances because the Person has met the applicable standard of conduct set forth in Sections 6.01 and 6.02. Such determination shall be made (i) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such Action or Proceeding, or (ii) if such a quorum is not obtainable or, even if obtainable, a quorum of disinterested Directors so directs, by either independent legal counsel in a written opinion, or the Stockholders, or (iii) if required by Law, by the court in which such Action or Proceeding was brought or another court of competent jurisdiction.

6.05 Advancement of Expenses. Expenses incurred in defending a civil or criminal Action or Proceeding may be paid by the Corporation in advance of the final disposition of such Action or Proceeding if such payment is authorized in the manner provided in Section 6.04 upon receipt of an undertaking by or on behalf of the Director, officer, employee or agent to repay such amount unless it shall ultimately be determined that the Person is entitled to be indemnified by the Corporation as authorized in this Section.

6.06 Non-exclusivity. The indemnification provided by this Section shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of Stockholders or disinterested Directors or otherwise, both as to action in the Person's official capacity and as to action in another capacity while holding such office, shall continue as to a Person who has ceased to be a Director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such Person. The Corporation shall have power to purchase and maintain insurance on behalf of any Person who is or was a Director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against the Person and incurred by the Person in any such capacity, or arising out of the Person's status as such, whether or not the Corporation would have the power to indemnify the Person against such liability under the provisions of this Section.

6.07 Other Definitions. For purposes of this Article VI, references to "other enterprises" shall include employee benefit plans; references to "fines" shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to "serving at the request of the Corporation" shall include any service as a director, officer, employee or agent of the Corporation which imposes duties on, or involves services by, such Director, officer, employee, or agent with respect to an employee benefit plan, its participants, or beneficiaries; and a Person who acted in good faith and in a manner such Person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interests of the Corporation" as referred to in this Article VI.

6.08 Continuation of Rights. The indemnification and advancement of expenses provided by, or granted pursuant to this Article VI shall continue as to a Person who has ceased to be a Director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such Person. No amendment to or repeal of this Article VI shall apply to or have any effect on, the rights of any Director, officer, employee or agent under this Article VI which rights come into existence by virtue of acts or omissions of such Director, officer, employee or agent occurring prior to such amendment or repeal.

ARTICLE VII **MISCELLANEOUS**

7.01. Record Date and Closing Share Register. The Board of Directors may fix a time in the future, as a record date for the determination of the Stockholders entitled to Notice of and to vote at any meeting of Stockholders, or entitled to receive any dividend or distribution, or any allotment of rights, or to exercise rights in respect to any change, conversion or exchange of Stock. The record date so fixed shall not be more than sixty (60) nor less than ten (10) days prior to the date of the meeting or event for the purposes of which it is fixed. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment

of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting, and a new record date must be fixed if the adjourned meeting is more than sixty (60) days after the date for which the meeting was originally noticed. If a record date for a meeting of stockholders is fixed by the Board of Directors, the record date must be so fixed pursuant to a resolution adopted by the Board of Directors; and must not precede the day on which the resolution is adopted by the Board of Directors, regardless of the effective date of the resolution. When a record date is so fixed, only Stockholders of record on that date shall be entitled to Notice of and to vote at the meeting, or to receive the dividend, distribution or allotment of rights, or to exercise the rights, as the case may be, notwithstanding any transfer of any Stock on the books of the Corporation after the record date. The Board of Directors may close the books of the Corporation against transfers of Stock during the whole or any part of any the sixty (60) day period.

7.02. Inspection of Corporate Records. The Share ledger or duplicate Share ledger, copies of the Articles of Incorporation and the Bylaws, shall be open to inspection of any person who has been a Stockholder of record of the Corporation for at least 6 months immediately preceding the demand, or any person holding, or thereunto authorized in writing by the holders of, at least 5 percent of all of its outstanding Stock, upon at least 5 days' written demand for a purpose reasonably related to his interests as a Stockholder accompanied by an affidavit to the Corporation stating that the inspection is not desired for any purpose not related to his or her interest as a Stockholder. The right to inspect shall include the right to make extracts and copies. The Corporation may impose a reasonable charge to recover the costs of labor and materials and costs to produce such copies furnished to the Stockholder. The inspection may be made in person or by an agent or attorney, and if by agent or attorney the demand to inspect must be accompanied by a power of attorney executed by the Stockholder which authorizes the agent or attorney to inspect the corporate records on behalf of the Stockholder.

7.03. Checks, Drafts, etc. All checks, drafts, bonds, bills of exchange, or other orders for payment of money, notes, or other evidences of indebtedness issued in the name of or payable to the Corporation shall be signed or endorsed by such Person or Persons and in such manner as, from time to time, shall be determined by resolution of the Board of Directors.

7.04. Contracts, etc., How Executed. The Board of Directors, except as in these Bylaws otherwise provided, may authorize any officer or officers, agent or agents, to enter into any contract or execute any instrument or document in the name of and on behalf of the Corporation, and the authority may be general or confined to specific instances. Unless otherwise specifically determined by the Board of Directors or otherwise required by Law, formal contracts, promissory notes and other evidences of indebtedness, deeds of trust, mortgages and corporate instruments or documents requiring the corporate seal, and certificates for shares of stock owned by the Corporation shall be executed, signed or endorsed by the President (or any Vice President) and by the Secretary (or any assistant Secretary) or the Treasurer (or any assistant Treasurer). The Board of Directors may, however, authorize any one (1) of these officers to sign any of such instruments, for and on behalf of the Corporation, without necessity of countersignature; may designate officers or employees of the Corporation, other than those named above, who may, in the name of the Corporation, sign such instruments; and may authorize the use of facsimile signatures for any of such Persons. No officer, agent or employee shall have any power or authority to bind the Corporation by any contract or engagement or to pledge its credit to render it liable for any purpose or to any amount except as specifically authorized in these Bylaws or by the Board of Directors in accordance with these Bylaws.

7.05. Lost Certificates of Stock. The Board of Directors may direct a new certificate or certificates to be issued in place of any certificate or certificates theretofore issued by the Corporation alleged to have been lost, destroyed, or stolen, upon the making of an affidavit of that fact by the Person claiming the certificate of Stock to be lost or destroyed. When authorizing the issue of a new certificate or certificates, the Board of Directors may, in its discretion, and as a condition precedent to the issuance thereof, require the owner of the lost or destroyed certificate or certificates, or the Stockholder's legal representative, to advertise the same in any manner as it shall require or give the Corporation a bond in any sum as it may direct as indemnity against any claim that may be made against the Corporation with respect to the certificate alleged to have been lost or destroyed, or both.

7.06. Representation of Stock. The President (or any Vice President) and the Secretary (or any assistant Secretary) of this Corporation are authorized to vote, represent and exercise on behalf of this Corporation all rights incident to any and all Stock of any other corporation or corporations standing in the name of this Corporation. The authority herein granted to these officers to vote or represent on behalf of this Corporation any and all Stock held by this Corporation in any other corporation or corporations may be exercised either by these officers in person or by any Persons authorized so to do by proxy or power of attorney duly executed by these officers.

(2) This Division applies to any right of dissent exercisable by a shareholder except to the extent that

- (a) the court orders otherwise, or
- (b) in the case of a right of dissent authorized by a resolution referred to in section 238(1)(g), the court orders otherwise or the resolution provides otherwise.

 - (ii) the number, and the class and series, if applicable, of those other shares that are held by each of those registered owners, and
 - (iii) that dissent is being exercised in respect of all of those other shares.

(3) After the dissenter has complied with subsection (1),

- (a) the dissenter is deemed to have sold to the company the notice shares, and
- (b) the company is deemed to have purchased those shares, and must comply with section 245, whether or not it is authorized to do so by, and despite any restriction in, its memorandum or articles.

(4) Unless the court orders otherwise, if the dissenter fails to comply with subsection (1) of this section in relation to notice shares, the right of the dissenter to dissent with respect to those notice shares terminates and this Division, other than section 247, ceases to apply to the dissenter with respect to those notice shares.

(5) Unless the court orders otherwise, if a person on whose behalf dissent is being exercised in relation to a particular corporate action fails to ensure that every shareholder who is a registered owner of any of the shares beneficially owned by that person complies with subsection (1) of this section, the right of shareholders who are registered owners of shares beneficially owned by that person to dissent on behalf of that person with respect to that corporate action terminates and this Division, other than section 247, ceases to apply to those shareholders in respect of the shares that are beneficially owned by that person.

(6) A dissenter who has complied with subsection (1) of this section may not vote, or exercise or assert any rights of a shareholder, in respect of the notice shares, other than under this Division.

Payment for notice shares

245 (1) A company and a dissenter who has complied with section 244(1) may agree on the amount of the payout value of the notice shares and, in that event, the company must

- (a) promptly pay that amount to the dissenter, or
- (b) if subsection (5) of this section applies, promptly send a notice to the dissenter that the company is unable lawfully to pay dissenters for their shares.

(2) A dissenter who has not entered into an agreement with the company under subsection (1) or the company may apply to the court and the court may

- (a) determine the payout value of the notice shares of those dissenters who have not entered into an agreement with the company under subsection (1), or order that the payout value of those notice shares be established by arbitration or by reference to the registrar, or a referee, of the court,

- (b) join in the application each dissenter, other than a dissenter who has entered into an agreement with the company under subsection (1), who has complied with section 244(1), and
 - (c) make consequential orders and give directions it considers appropriate.
- (3) Promptly after a determination of the payout value for notice shares has been made under subsection (2) (a) of this section, the company must
- (a) pay to each dissenter who has complied with section 244(1) in relation to those notice shares, other than a dissenter who has entered into an agreement with the company under subsection (1) of this section, the payout value applicable to that dissenter's notice shares, or
 - (b) if subsection (5) applies, promptly send a notice to the dissenter that the company is unable lawfully to pay dissenters for their shares.
- (4) If a dissenter receives a notice under subsection (1)(b) or (3)(b),
- (a) the dissenter may, within 30 days after receipt, withdraw the dissenter's notice of dissent, in which case the company is deemed to consent to the withdrawal and this Division, other than section 247, ceases to apply to the dissenter with respect to the notice shares, or
 - (b) if the dissenter does not withdraw the notice of dissent in accordance with paragraph (a) of this subsection, the dissenter retains a status as a claimant against the company, to be paid as soon as the company is lawfully able to do so or, in a liquidation, to be ranked subordinate to the rights of creditors of the company but in priority to its shareholders.
- (5) A company must not make a payment to a dissenter under this section if there are reasonable grounds for believing that
- (a) the company is insolvent, or
 - (b) the payment would render the company insolvent.

Loss of right to dissent

246 The right of a dissenter to dissent with respect to notice shares terminates and this Division, other than section 247, ceases to apply to the dissenter with respect to those notice shares, if, before payment is made to the dissenter of the full amount of money to which the dissenter is entitled under section 245 in relation to those notice shares, any of the following events occur:

- (a) the corporate action approved or authorized, or to be approved or authorized, by the resolution or court order in respect of which the notice of dissent was sent is abandoned;
- (b) the resolution in respect of which the notice of dissent was sent does not pass;
- (c) the resolution in respect of which the notice of dissent was sent is revoked before the corporate action approved or authorized by that resolution is taken;
- (d) the notice of dissent was sent in respect of a resolution adopting an Nevada Domestication agreement and the Nevada Domestication is abandoned or, by the terms of the agreement, will not proceed;
- (e) the arrangement in respect of which the notice of dissent was sent is abandoned or by its terms will not proceed;
- (f) a court permanently enjoins or sets aside the corporate action approved or authorized by the resolution or court order in respect of which the notice of dissent was sent;
- (g) with respect to the notice shares, the dissenter consents to, or votes in favour of, the resolution in respect of which the notice of dissent was sent;
- (h) the notice of dissent is withdrawn with the written consent of the company;
- (i) the court determines that the dissenter is not entitled to dissent under this Division or that the dissenter is not entitled to dissent with respect to the notice shares under this Division.

Shareholders entitled to return of shares and rights

247 If, under section 244(4) or (5), 245(4)(a) or 246, this Division, other than this section, ceases to apply to a dissenter with respect to notice shares,

- (a) the company must return to the dissenter each of the applicable share certificates, if any, sent under section 244(1)(b) or, if those share certificates are unavailable, replacements for those share certificates,
- (b) the dissenter regains any ability lost under section 244(6) to vote, or exercise or assert any rights of a shareholder, in respect of the notice shares, and;
- (c) the dissenter must return any money that the company paid to the dissenter in respect of the notice shares under, or in purported compliance with, this Division.

DISSENT RIGHTS

28. Each Registered Shareholder as of the Record Date shall have the right to dissent in respect of the Arrangement Resolution in accordance with the provisions of sections 237-247 of the BCBCA, as modified by the terms of this Interim Order and the Plan of Arrangement.  - (b) delivery of a Dissent Notice does not deprive such dissenting Shareholder of its right to vote at the Meeting, however, a vote in favour of the Arrangement Resolution will result in a loss of the Dissent Right;
 - (c) a vote against the Arrangement Resolution or an abstention shall not constitute the written notice of dissent required under subparagraph (a);
 - (d) a dissenting Shareholder may not exercise the Dissent Right in respect of only a portion of such dissenting Shareholder’s Planet 13 Shares, but may dissent only with respect to all of its Planet 13 Shares; and

32. Subject to further order of this Court, the rights available to the Shareholders under the BCBCA, this Interim Order, and the Plan of Arrangement to dissent from the Arrangement will constitute full and sufficient Dissent Rights for the Shareholders with respect to the Arrangement.
33. Neither Planet 13 nor any other person will be required to recognize a Shareholder who has validly dissented as a Registered Shareholder at or after the effective time of the Arrangement (the “**Effective Time**”), and at the Effective Time, the names of such Registered Shareholders will be deleted from the central securities register of Planet 13.

All Awards granted under this Plan will be subject to the terms of this Plan.

“**Cause**” means, unless the applicable Award Agreement provides otherwise:

“Code” means the Internal Revenue Code of 1986, as it may be amended from time to time. Any reference to a section of the Code shall be deemed to include a reference to any regulations promulgated thereunder.

“Continuous Service” means that the Participant's service with the Company and its Affiliates, whether as an Employee, Consultant or Director, is not interrupted or terminated. The Participant's Continuous Service shall not be deemed to have terminated merely because of a change in the capacity in which the Participant renders service to the Company and its Affiliates as an Employee, Consultant or Director or a change in the entity for which the Participant renders such service, *provided that* there is no interruption or termination of the Participant's Continuous Service; *provided further that* if any Award is subject to Section 409A of the Code, this sentence shall only be given effect to the extent consistent with Section 409A of the Code. For example, a change in status from an Employee of the Company to a Director will not constitute an interruption of Continuous Service. The Board, in its sole discretion,

may determine whether Continuous Service shall be considered interrupted in the case of any leave of absence approved by that party, including sick leave, military leave or any other personal or family leave of absence. The Board, in its sole discretion, may determine whether a Company transaction, such as a sale or spin-off of a division or subsidiary that employs a Participant, shall be deemed to result in a termination of Continuous Service for purposes of affected Awards, and any such decision shall be final, conclusive and binding on all parties.

“**Employee**” means any person, including an officer or Director, employed by the Company; *provided, that*, for purposes of determining eligibility to receive Incentive Stock Options, an Employee shall mean an employee of the Company or an Affiliate. Any determination by the Board shall be final, conclusive and binding on all parties.

“**Grant Date**” means the date on which the Board adopts a resolution, or takes other appropriate action, expressly granting an Award to a Participant that specifies the key terms and conditions of the Award or, if a later date is set forth in such resolution, then such date as is set forth in such resolution.

“Tax-Related Items” has the meaning set forth in Section 9.6

“Ten Percent Shareholder” means a person who owns (or is deemed to own pursuant to Section 424(d) of the Code) stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or of any of its Affiliates.

“Total Share Reserve” has the meaning set forth in Section 4.1.

3. Administration.

3.1 Authority of Board. The Plan shall be administered by the Board. Subject to the terms of the Plan and Applicable Laws, and in addition to other express powers and authorization conferred by the Plan, the Board shall have the authority:

- (a) to construe and interpret the Plan and apply its provisions;
- (b) to promulgate, amend, and rescind rules and regulations relating to the administration of the Plan;
- (c) to authorize any person to execute, on behalf of the Company, any instrument required to carry out the purposes of the Plan;
- (d) to delegate its authority to a committee or subcommittee or, with respect to Awards that do not involve “insiders” within the meaning of Section 16 of the Exchange Act, to one or more officers of the Company;
- (e) to determine when Awards are to be granted under the Plan and the applicable Grant Date;
- (f) from time to time to select, subject to the limitations set forth in this Plan, those Participants to whom Awards shall be granted;
- (g) to determine the number of shares of Common Stock to be made subject to each Award;
- (h) to determine whether each Option is to be an Incentive Stock Option or a Non-qualified Stock Option;
- (i) to prescribe the terms and conditions of each Award, including, without limitation, the exercise price and medium of payment and vesting provisions, and to specify the provisions of the Award Agreement relating to such grant;

(j) to amend any outstanding Awards, including for the purpose of modifying the time or manner of vesting, or the term of any outstanding Award; *provided, however,* that if any such amendment impairs a Participant's rights or increases a Participant's obligations under his or her Award or creates or increases a Participant's federal income tax liability with respect to an Award, such amendment shall also be subject to the Participant's consent;

(k) to determine the duration and purpose of leaves of absences which may be granted to a Participant without constituting termination of their employment for purposes of the Plan, which periods shall be no shorter than the periods generally applicable to Employees under the Company's employment policies;

(l) to make decisions with respect to outstanding Awards that may become necessary upon a change in corporate control or an event that triggers anti-dilution adjustments;

(m) to interpret, administer, reconcile any inconsistency in, correct any defect in and/or supply any omission in the Plan and any instrument or agreement relating to, or Award granted under the Plan;

(n) to impose a "blackout" or other periods during which Awards may not be exercised or settled; and

(o) to exercise discretion to make any and all other determinations which it determines to be necessary or advisable for the administration of the Plan.

3.2 Acquisitions and Other Transactions. The Board may, from time to time, assume outstanding awards granted by another entity, whether in connection with an acquisition of such other entity or otherwise, by either (i) granting an Award under the Plan in replacement of or in substitution for the award assumed by the Company, or (ii) treating the assumed award as if it had been granted under the Plan if the terms of such assumed award could be applied to an Award granted under the Plan. Such assumed award shall be permissible if the holder of the assumed award would have been eligible to be granted an Award hereunder if the other entity had applied the rules of this Plan to such grant. The Board may also grant Awards under the Plan in settlement of or in substitution for outstanding awards or obligations to grant future awards in connection with the Company or an Affiliate acquiring another entity, an interest in another entity, or an additional interest in an Affiliate whether by merger, stock purchase, asset purchase or other form of transaction. Notwithstanding any provision in the Plan to the contrary but subject to CSE requirements, awards assumed under this Section 3.2 shall not be counted against the Total Share Reserve; *provided, that,* substitute awards issued under this Section 3.2 in connection with the assumption of, or in substitution for, outstanding options intended to qualify as Incentive Stock Options shall be counted against the ISO limit. Subject to applicable stock exchange requirements, available shares under a shareholder-approved plan of an entity directly or indirectly acquired by the Company or with which the Company combines (as appropriately adjusted to reflect such acquisition or transaction) may be used for Awards under the Plan and shall not count toward the Total Share Reserve.

3.3 Board Decisions Final. All decisions made by the Board pursuant to the provisions of the Plan shall be final, binding, and conclusive on the Company, the Participants, and all parties, unless such decisions are determined by a court having jurisdiction to be arbitrary and capricious.

3.4 Delegation. The Board may delegate administration of the Plan to a subcommittee or subcommittees of one or more members of the Board and the term "**Committee**" shall apply to any person or persons to whom such authority has been delegated, subject, however, to Applicable Law and to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. Any such delegation may be revoked by the Board at any time.

3.5 Committee Composition. To the extent the Board desires to comply with the exemption requirements of Rule 16b-3 as promulgated under Section 16 of the Exchange Act, with respect to any insider subject to Section 16 of the Exchange Act, unless the Board approves Awards granted under the Plan for purposes of Rule 16b-3, the Committee shall be a compensation committee of the Board that at all times consists solely of two or more "non-employee directors" as defined in Rule 16b-3. Within the scope of such authority, the Board or the Committee may delegate to a committee of one or more members of the Board who are not Independent Directors, or one or more officers of the Company or any of its subsidiaries, the authority to grant Awards to eligible Persons who are not then subject to Section 16 of the Exchange Act. Nothing herein shall create an inference that an Award is not validly granted under the Plan in the event Awards are granted under the Plan by a Committee that does not at all times consist solely of two or more "non-employee directors."

4. Shares Subject to the Plan.

4.1 Subject to adjustment in accordance with Section 10, a total of 22,000,000 shares of Common Stock shall be available for the grant of Awards under the Plan and all other security based compensation arrangements of the Company, including the Prior Plans (the “**Total Share Reserve**”). During the terms of the Awards, the Company shall keep available at all times the number of shares of Common Stock required to satisfy such Awards. For the avoidance of doubt:

(A) any outstanding Awards under the Prior Plans on the Effective Date shall count towards the Total Share Reserve; and

(B) (i) any shares of Common Stock that were previously, before the Effective Date, issued under the Prior Plans on exercise of Options and/or vesting of Restricted Stock Units; and

(ii) Awards under the Prior Plans which are not outstanding as of the Effective Date,

shall in each case not count towards the Total Share Reserve available for the grant of Awards under the Plan.

4.2 Subject to adjustment in accordance with Section 10, no more than 22,000,000 shares of Common Stock may be issued in the aggregate pursuant to the exercise of Incentive Stock Options under the Plan and all other security based compensation arrangements of the Company, including the Prior Plans (the “**ISO Limit**”).

4.3 Shares of Common Stock available for distribution under the Plan may consist, in whole or in part, of authorized and unissued shares or treasury shares or shares reacquired by the Company in any manner.

4.4 The maximum number of shares of Common Stock subject to Awards granted during a single Fiscal Year to any Independent Director, together with any cash fees paid to such Independent Director during the Fiscal Year shall not exceed a total value of \$1,000,000 (calculating the value of any Awards based on the grant date fair value for financial reporting purposes). Notwithstanding the foregoing, the Board may provide, in its discretion, for exceptions to this limit for an Independent Director, *provided* that the Independent Director receiving such additional compensation may not participate in the decision to award such compensation.

4.5 Any shares of Common Stock subject to an Award that is canceled, forfeited, cash-settled, terminated, or expires prior to exercise or realization, either in full or in part, shall not again become available for issuance under the Plan.

4.6 No Awards may be granted under the Plan if after such grant of Awards: (a) the aggregate number of shares of Common Stock reserved for issuance under the Plan and all other security based compensation arrangements of the Company, including the Prior Plans, to (i) Related Persons (as a group) exceeds 10% of the shares of Common Stock outstanding at the time of the grant calculated on a fully diluted basis, or (ii) any one Related Person exceeds 5% of the shares of Common Stock outstanding at the time of the grant calculated on a fully diluted basis; or (b) the aggregate number of shares of Common Stock issued pursuant to the Plan and all other security based compensation arrangements, including the Prior Plans, within a 12-month period to (i) Related Persons (as a group) exceeds 10% of the total number of shares of Common Stock outstanding at the time of the grant calculated on a fully diluted basis, or (ii) any one Related Person and the Associates of the Related Person exceeds 5% of the shares of Common Stock outstanding at the time of the grant calculated on a fully diluted basis. The aggregate number of shares of Common Stock issued or issuable to persons providing Investor Relations Activities as compensation within a 12-month period, shall not exceed 2% of the total number of shares of Common Stock outstanding at the time of the grant.

5. Eligibility.

5.1 Eligibility for Specific Awards. Incentive Stock Options may be granted to Employees only. Awards other than Incentive Stock Options may be granted to Employees, Consultants and Directors.

5.2 Ten Percent Shareholders. A Ten Percent Shareholder shall not be granted an Incentive Stock Option unless the Option Exercise Price is at least 110% of the Fair Market Value of the Common Stock at the Grant Date and the Option is not exercisable after the expiration of five years from the Grant Date.

6. Option Provisions. Each Option granted under the Plan shall be evidenced by an Award Agreement. Each Option so granted shall be subject to the conditions set forth in Section 5 and this Section 6, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award Agreement. All Options shall be separately designated Incentive Stock Options or Non-qualified Stock Options at the time of grant, and, if certificates are issued,

a separate certificate or certificates will be issued for shares of Common Stock purchased on exercise of each type of Option. Notwithstanding the foregoing, the Company shall have no liability to any Participant or any other person if an Option designated as an Incentive Stock Option fails to qualify as such at any time or if an Option is determined to constitute “nonqualified deferred compensation” within the meaning of Section 409A of the Code and the terms of such Option do not satisfy the requirements of Section 409A of the Code. The provisions of separate Options need not be identical, but each Option shall include (through incorporation of provisions hereof by reference in the Option or otherwise) the substance of each of the following provisions:

6.1 Term. Subject to the provisions of Section 5.2 regarding Ten Percent Shareholders, no Incentive Stock Option shall be exercisable after the expiration of ten years from the Grant Date. The term of a Non-qualified Stock Option granted under the Plan shall be determined by the Board; *provided, however*, no Non-qualified Stock Option shall be exercisable after the expiration of ten years from the Grant Date.

6.2 Exercise Price of an Incentive Stock Option. Subject to the provisions of Section 5.2 regarding Ten Percent Shareholders, the Option Exercise Price of each Incentive Stock Option shall be not less than 100% of the Fair Market Value of the Common Stock subject to the Option on the Grant Date. Notwithstanding the foregoing and subject to CSE requirements, an Incentive Stock Option may be granted with an Option Exercise Price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 424(a) of the Code.

6.3 Exercise Price of a Non-qualified Stock Option. The Option Exercise Price of each Non-qualified Stock Option shall be not less than 100% of the Fair Market Value of the Common Stock subject to the Option, as determined by the Board using one of the methods permitted by Treasury Regulation Section 1.409A-1(b)(5)(iv)(A). Notwithstanding the foregoing and subject to CSE requirements, a Non-qualified Stock Option may be granted with an Option Exercise Price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 409A of the Code.

6.4 Method of Exercise. The Option Exercise Price shall be paid, to the extent permitted by Applicable Laws, either (a) in cash or by certified or bank check at the time the Option is exercised or (b) in the discretion of the Board, upon such terms as the Board shall approve: (i) by delivery to the Company of other shares of Common Stock, duly endorsed for transfer to the Company, with a Fair Market Value on the date of delivery equal to the Option Exercise Price (or portion thereof) due for the number of shares being acquired; (ii) by a “net settlement” procedure effected by withholding the minimum number of shares of Common Stock otherwise issuable in respect of an Option that are needed to pay the Option Exercise Price; (iii) a “cashless” exercise program established with a broker; (iv) by any combination of the foregoing methods; or (v) in any other form of legal consideration that may be acceptable to the Board. Unless otherwise specifically provided in the Option, the Option Exercise Price that is paid by delivery to the Company of other Common Stock acquired, directly or indirectly from the Company, shall be paid only by shares of Common Stock that have been held for more than six months (or such longer or shorter period of time required to avoid a charge to earnings for financial accounting purposes) and subject to compliance with applicable US and Canadian securities laws. Notwithstanding the foregoing, during any period for which the Common Stock is publicly traded (i.e., the Common Stock is listed on any established stock exchange or a national market system), an exercise by a Director who is not an Independent Director or by an Officer that involves or may involve a direct or indirect extension of credit or arrangement of an extension of credit by the Company, directly or indirectly, in violation of Section 402(a) of the Sarbanes-Oxley Act of 2002, shall be prohibited with respect to any Award under the Plan.

6.5 Vesting of Options. Stock Options granted under the Plan shall be subject to such restrictions and limitations described in the Award Agreement as the Board may impose in its discretion, including vesting conditions, restrictions on exercise, and forfeiture provisions. In its discretion, the Board may provide in the Award Agreement that some or all of such restrictions shall lapse upon (a) the Participant’s continued employment with the Company or an Affiliate for a specified period of time, (b) the occurrence of any one or more other events or the satisfaction of any one or more other conditions, as specified by the Board, including satisfaction of performance criteria, a termination of Continuous Service under certain circumstances (such as death or Disability), or a Change in Control, or (c) a combination of any of the foregoing. In its discretion, the Board shall have the authority to accelerate the vesting of a Stock Option at any time, in whole or in part, or otherwise waive or modify any such restrictions.

6.6 Termination of Continuous Service. Unless otherwise provided in an Award Agreement or in an employment agreement the terms of which have been approved by the Board, in the event an Optionholder’s Continuous Service terminates (other than upon the Optionholder’s death or Disability), the Optionholder may

exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination) but only within such period of time ending on the earlier of (a) the date three months following the termination of the Optionholder's Continuous Service or (b) the expiration of the term of the Option as set forth in the Award Agreement; *provided that*, if the termination of Continuous Service is by the Company for Cause, all outstanding Options (whether or not vested) shall immediately terminate and cease to be exercisable. If, after termination, the Optionholder does not exercise his or her Option within the time specified in the Award Agreement, the Option shall terminate.

6.7 Extension of Termination Date. An Optionholder's Award Agreement may also provide that if the exercise of the Option following the termination of the Optionholder's Continuous Service for any reason would be prohibited at any time because the issuance of shares of Common Stock would violate the registration requirements under the Securities Act or any other state, provincial or federal securities law or the rules of any securities exchange or interdealer quotation system, then the Option shall terminate on the earlier of (a) the expiration of the term of the Option in accordance with Section 6.1 or (b) the expiration of a period after termination of the Participant's Continuous Service that is three months after the end of the period during which the exercise of the Option would be in violation of such registration or other securities law requirements.

6.8 Disability of Optionholder. Unless otherwise provided in an Award Agreement, in the event that an Optionholder's Continuous Service terminates as a result of the Optionholder's Disability, the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination), but only within such period of time ending on the earlier of (a) the date 12 months following such termination or (b) the expiration of the term of the Option as set forth in the Award Agreement. If, after termination, the Optionholder does not exercise his or her Option within the time specified herein or in the Award Agreement, the Option shall terminate.

6.9 Death of Optionholder. Unless otherwise provided in an Award Agreement, in the event an Optionholder's Continuous Service terminates as a result of the Optionholder's death, then the Option may be exercised (to the extent the Optionholder was entitled to exercise such Option as of the date of death) by the Optionholder's estate, by a person who acquired the right to exercise the Option by bequest or inheritance or by a person designated to exercise the Option upon the Optionholder's death, but only within the period ending on the earlier of (a) the date 12 months following the date of death or (b) the expiration of the term of such Option as set forth in the Award Agreement. If, after the Optionholder's death, the Option is not exercised within the time specified herein or in the Award Agreement, the Option shall terminate.

6.10 Incentive Stock Option \$100,000 Limitation. To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and its Affiliates) exceeds \$100,000, the Options or portions thereof which exceed such limit (according to the order in which they were granted) shall be treated as Non-qualified Stock Options.

7. Restricted Stock Units. Each Restricted Stock Unit granted under the Plan shall be evidenced by an Award Agreement. Each Restricted Stock Unit so granted shall be subject to the conditions set forth in Section 5 and this Section 7, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award Agreement. No shares of Common Stock shall be issued at the time a Restricted Stock Unit is granted, and the Company will not be required to set aside funds for the payment of any such Award. A Participant shall have no dividend rights or voting rights with respect to any Restricted Stock Units granted hereunder.

7.1 Vesting of Restricted Stock Units. Restricted Stock Units granted under the Plan shall be subject to such restrictions and limitations described in the Award Agreement as the Board may impose in its discretion, including vesting conditions, restrictions on exercise, and forfeiture provisions. In its discretion, the Board may provide in the Award Agreement that some or all of such restrictions shall lapse upon (a) the Participant's continued employment with the Company or an Affiliate for a specified period of time, (b) the occurrence of any one or more other events or the satisfaction of any one or more other conditions, as specified by the Board, including satisfaction of performance criteria, a termination of Continuous Service under certain circumstances (such as death or Disability), or a Change in Control, or (c) a combination of any of the foregoing. In its discretion, the Board shall have the authority to include such other terms and conditions in the applicable Award Agreement as it may deem appropriate.

7.2 Settlement of Restricted Stock Units. Upon the expiration of the restrictions under Section 7.1 with respect to any outstanding Restricted Stock Units, the Company shall deliver to the Participant, or his or her beneficiary,

without charge, one share of Common Stock for each outstanding vested Restricted Stock Unit; *provided, however*, that the Board may, in its sole discretion, elect to pay cash or part cash and part Common Stock in lieu of delivering only shares of Common Stock for vested Restricted Stock Units. If a cash payment is made in lieu of delivering shares of Common Stock, the amount of such payment shall be equal to the Fair Market Value of the Common Stock as of the date on which the restrictions lapsed.

8. Securities Law Compliance.

8.1 Securities Registration. No Awards shall be granted under the Plan and no shares of Common Stock shall be issued and delivered upon the exercise of Options or the vesting of Restricted Stock Units granted under the Plan unless and until the Company and/or the Participant have complied with all applicable federal, provincial and state registration, CSE listing and/or qualification requirements and all other requirements of law or of any regulatory agencies having jurisdiction.

8.2 Representations; Legends. The Board may, as a condition to the grant of any Award or the exercise of any Option under the Plan, require a Participant to (i) represent in writing that the shares of Common Stock received in connection with such Award are being acquired for investment and not with a view to distribution and (ii) make such other representations and warranties as are deemed appropriate by counsel to the Company. Each certificate representing shares of Common Stock acquired under the Plan shall bear a legend in such form as the Company deems appropriate.

9. Miscellaneous.

9.1 Acceleration of Exercisability and Vesting. The Board shall have the power to accelerate the time at which an Award may first be exercised or the time during which an Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Award stating the time at which it may first be exercised or the time during which it will vest.

9.2 Transferability of Awards. Unless otherwise determined by the Board, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant. If the Board makes an Award transferable, such Award will contain such additional terms and conditions as the Administrator deems appropriate and comply with Applicable Laws.

9.3 Shareholder Rights. Except as provided in the Plan or an Award Agreement, no Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to an Award unless and until such Participant has satisfied all requirements for exercise or settlement of the Award pursuant to its terms and no adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions of other rights for which the record date in which the Participant becomes the owner of such Common Stock due to settlement or exercise.

9.4 No Employment or Other Service Rights. Nothing in the Plan or any instrument executed or Award granted pursuant thereto shall confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Award was granted or shall affect the right of the Company or an Affiliate to terminate (a) the employment of an Employee with or without notice and with or without Cause or (b) the service of a Director pursuant to the By-laws of the Company or an Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be.

9.5 Transfer; Approved Leave of Absence. For purposes of the Plan, no termination of employment by an Employee shall be deemed to result from either (a) a transfer of employment to the Company from an Affiliate or from the Company to an Affiliate, or from one Affiliate to another, or (b) an approved leave of absence for military service or sickness, or for any other purpose approved by the Company, if the Employee's right to reemployment is guaranteed either by a statute or by contract or under the policy pursuant to which the leave of absence was granted or if the Board otherwise so provides in writing, in either case, except to the extent inconsistent with Section 409A of the Code if the applicable Award is subject thereto.

9.6 Withholding Obligations.

(a) Whenever Common Stock is to be issued in satisfaction of Awards granted under this Plan or any other tax withholding event occurs in relation to an Award, the Company may require the Participant to remit to the Company, or to an Affiliate, as applicable, an amount sufficient to satisfy any U.S. federal, state, local, and

non-U.S. income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items (the “**Tax-Related Items**”) applicable to the Participant as a result of participating in the Plan. Whenever payments in satisfaction of Awards granted under this Plan are to be made in cash, such payment will be net of an amount sufficient to satisfy applicable withholding obligations for Tax-Related Items.

(b) The Company, as permitted by Applicable Law, in its sole discretion and pursuant to such procedures as it may specify from time to time and to limitations of local law, may require or permit a Participant to satisfy such Tax Related Items legally due from the Participant, in whole or in part by (without limitation) (a) paying cash, (b) having the Company withhold otherwise deliverable cash or Shares having a Fair Market Value sufficient to cover the Tax-Related Items to be withheld, (c) delivering to the Company already-owned shares having a Fair Market Value sufficient to cover the Tax-Related Items to be withheld, or (d) withholding from the proceeds of the sale of otherwise deliverable Shares acquired pursuant to an Award either through a voluntary sale or through a mandatory sale arranged by the Company. The Company may withhold or account for these Tax-Related Items by considering applicable statutory withholding rates or other applicable withholding rates, including up to the maximum permissible statutory tax rate for the applicable tax jurisdiction, to the extent consistent with Applicable Laws.

10. Adjustments Upon Changes in Stock. In the event of any changes in the outstanding Common Stock or in the capital structure of the Company by reason of any dividend (other than regular cash dividends) or other distribution (whether in the form of cash, shares of Common Stock, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, split-off, spin-off, combination, repurchase, or exchange of shares of Common Stock or other securities of the Company, issuance of warrants or other rights to acquire shares of Common Stock or other securities of the Company or other relevant change in capitalization (any of the foregoing, an “**Adjustment Event**”), the Board shall, in respect of any such Adjustment Event, make such proportionate substitution or adjustment, if any, as it deems equitable, to any or all of: (i) the Total Share Reserve, the ISO Limit, or any other limit applicable under the Plan with respect to the number of Awards which may be granted hereunder; (ii) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or other property) which may be issued in respect of Awards or with respect to which Awards may be granted under the Plan; and (iii) the terms of any outstanding Award, including, without limitation, (A) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or other property) subject to outstanding Awards or to which outstanding Awards relate; (B) the exercise price with respect to any Award; or (C) any applicable performance measures; *provided*, that in the case of any “equity restructuring” (within the meaning of the Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any successor pronouncement thereto)), the Board shall make an equitable or proportionate adjustment to outstanding Awards to reflect such equity restructuring. In the case of adjustments made pursuant to this Section 10, unless the Board specifically determines that such adjustment is in the best interests of the Company or its Affiliates, the Board shall, in the case of Incentive Stock Options, ensure that any adjustments under this Section 10 will not constitute a modification, extension or renewal of the Incentive Stock Options within the meaning of Section 424(h)(3) of the Code and in the case of Non-qualified Stock Options, ensure that any adjustments under this Section 10 will not constitute a modification of such Non-qualified Stock Options within the meaning of Section 409A of the Code. Any adjustments made under this Section 10 shall be made in a manner which does not adversely affect the exemption provided pursuant to Rule 16b-3 under the Exchange Act. The Company shall give each Participant notice of an adjustment hereunder and, upon notice, such adjustment shall be final, conclusive and binding for all purposes.

11. Effect of Change in Control.

11.1 In the event of a Change in Control, the Board may, but shall not be obligated to:

(a) accelerate, vest or cause the restrictions to lapse with respect to all or any portion of any Award;

(b) subject to any limitations or reductions as may be necessary to comply with Section 409A of the Code, cancellation of any one or more outstanding Awards and payment to the holders of such Awards of the value of such Awards, if any, as shall be determined by the Board as follows:

(i) in the case of an outstanding Option, a cash payment in an amount equal to the excess, if any, of the Fair Market Value (as of a date specified by the Board) of the shares of Common Stock subject to such

Option over the aggregate exercise price of such Option (it being understood that, in such event, any Option having a per share exercise price specified in the Award Agreement that is equal to, or in excess of the Fair Market Value of a share of Common Stock subject thereto may be canceled and terminated without any payment or consideration therefor), or

(ii) in the case of Restricted Stock Units that are not vested as of such cancellation, a cash payment or equity subject to deferred vesting and delivery consistent with the same vesting restrictions applicable to such Restricted Stock Units prior to cancellation, as determined by the Board.

(c) provide for the issuance of substitute Awards or the assumption or replacement of such Awards; or

(d) provide written notice to Participants that for a period of at least ten days prior to the Change in Control, such Awards shall be exercisable, to the extent applicable, as to all shares of Common Stock subject thereto and upon the occurrence of the Change in Control, any Awards not so exercised shall terminate and be of no further force and effect.

11.2 The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to all or substantially all of the assets and business of the Company and its Affiliates, taken as a whole.

12. Amendment of the Plan and Awards.

12.1 Amendment of the Plan. The Board at any time, and from time to time, may amend or terminate the Plan. However, except as provided in Section 10 relating to adjustments upon changes in Common Stock and this Section 12, no amendment shall be effective unless approved by the shareholders of the Company to the extent shareholder approval is necessary to satisfy any Applicable Laws. At the time of such amendment, the Board shall determine, upon advice from counsel, whether such amendment will be contingent on shareholder approval.

12.2 Shareholder Approval. The Board may, in its sole discretion, submit any other amendment to the Plan for shareholder approval.

12.3 Contemplated Amendments. It is expressly contemplated that the Board may amend the Plan in any respect the Board deems necessary or advisable to provide eligible Employees, Consultants and Directors with the maximum benefits provided or to be provided under the provisions of the Code and the regulations promulgated thereunder relating to Incentive Stock Options or to the nonqualified deferred compensation provisions of Section 409A of the Code and/or to bring the Plan and/or Awards granted under it into compliance therewith.

12.4 No Impairment of Rights. Rights under any Award granted before amendment of the Plan shall not be materially impaired by any amendment of the Plan unless (a) the Company requests the consent of the Participant and (b) the Participant consents in writing.

12.5 Amendment of Awards. The Board at any time, and from time to time, may amend the terms of any one or more Awards; *provided, however*, that the Board may not affect any amendment which would otherwise constitute an impairment of the rights under any Award unless (a) the Company requests the consent of the Participant and (b) the Participant consents in writing.

13. General Provisions.

13.1 Clawback. Notwithstanding any other provisions in this Plan, the Company may cancel any Award, require reimbursement of any Award by a Participant, and effect any other right of recoupment of equity or other compensation provided under the Plan in connection with the following: (a) any material noncompliance with any financial reporting requirement under the securities laws that requires the Company to file a restatement of its financial statements; (b) any action by a Participant that constitutes Detrimental Activity; and (c) any Company policies that may be adopted and/or modified from time to time. In addition, a Participant may be required to repay to the Company previously paid compensation, whether provided pursuant to the Plan or an Award Agreement, in accordance with the Plan. By accepting an Award, the Participant is agreeing to be bound by this Section 13.1, as in effect or as may be adopted and/or modified from time to time by the Company in its discretion (including, without limitation, to comply with Applicable Law).

13.2 Other Compensation Arrangements. Nothing contained in the Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to compliance with Applicable Laws and shareholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

13.3 Sub-plans. The Board may from time to time establish sub-plans under the Plan for purposes of satisfying blue sky, securities, tax or other laws of various jurisdictions in which the Company intends to grant Awards. Any sub-plans shall contain such limitations and other terms and conditions as the Board determines are necessary or desirable. All sub-plans shall be deemed a part of the Plan, but each sub-plan shall apply only to the Participants in the jurisdiction for which the sub-plan was designed.

13.4 Unfunded Plan. The Plan shall be unfunded. Neither the Company, the Board nor the Board shall be required to establish any special or separate fund or to segregate any assets to assure the performance of its obligations under the Plan.

13.5 Delivery. Upon exercise of a right granted under this Plan, the Company shall issue Common Stock or pay any amounts due within a reasonable period of time thereafter. Subject to any statutory or regulatory obligations the Company may otherwise have, for purposes of this Plan, 30 days shall be considered a reasonable period of time.

13.6 No Fractional Shares. No fractional shares of Common Stock shall be issued or delivered pursuant to the Plan. The Board shall determine whether cash, additional Awards or other securities or property shall be issued or paid in lieu of fractional shares of Common Stock or whether any fractional shares should be rounded, forfeited or otherwise eliminated.

13.7 Other Provisions. The Award Agreements authorized under the Plan may contain such other provisions not inconsistent with this Plan, including, without limitation, restrictions upon the exercise of the Awards, as the Board may deem advisable.

13.8 Section 409A. The Plan is intended to comply with Section 409A of the Code to the extent subject thereto, and, accordingly, to the maximum extent permitted, the Plan shall be interpreted and administered to be in compliance therewith. Any payments described in the Plan that are due within the “short-term deferral period” as defined in Section 409A of the Code shall not be treated as deferred compensation unless Applicable Laws require otherwise. Notwithstanding anything to the contrary in the Plan, to the extent required to avoid accelerated taxation and tax penalties under Section 409A of the Code, amounts that would otherwise be payable and benefits that would otherwise be provided pursuant to the Plan during the six (6) month period immediately following the Participant’s termination of Continuous Service shall instead be paid on the first payroll date after the six-month anniversary of the Participant’s separation from service (or the Participant’s death, if earlier). Notwithstanding the foregoing, neither the Company nor the Board shall have any obligation to take any action to prevent the assessment of any additional tax or penalty on any Participant under Section 409A of the Code and neither the Company nor the Board will have any liability to any Participant for such tax or penalty.

13.9 Disqualifying Dispositions. Any Participant who shall make a “disposition” (as defined in Section 424 of the Code) of all or any portion of shares of Common Stock acquired upon exercise of an Incentive Stock Option within two years from the Grant Date of such Incentive Stock Option or within one year after the issuance of the shares of Common Stock acquired upon exercise of such Incentive Stock Option shall be required to immediately advise the Company in writing as to the occurrence of the sale and the price realized upon the sale of such shares of Common Stock.

13.10 Section 16 of the Exchange Act. It is the intent of the Company that the Plan satisfy, and be interpreted in a manner that satisfies, the applicable requirements of Rule 16b-3 as promulgated under Section 16 of the Exchange Act so that Participants will be entitled to the benefit of Rule 16b-3, or any other rule promulgated under Section 16 of the Exchange Act, and will not be subject to short-swing liability under Section 16 of the Exchange Act. Accordingly, if the operation of any provision of the Plan would conflict with the intent expressed in this Section 13.10, such provision to the extent possible shall be interpreted and/or deemed amended so as to avoid such conflict.

13.11 Beneficiary Designation. Each Participant under the Plan may from time to time name any beneficiary or beneficiaries by whom any right under the Plan is to be exercised in case of such Participant's death. Each designation will revoke all prior designations by the same Participant, shall be in a form reasonably prescribed by the Board and shall be effective only when filed by the Participant in writing with the Company during the Participant's lifetime.

13.12 Expenses. The costs of administering the Plan shall be paid by the Company.

13.13 Severability. If any of the provisions of the Plan or any Award Agreement is held to be invalid, illegal or unenforceable, whether in whole or in part, such provision shall be deemed modified to the extent, but only to the extent, of such invalidity, illegality or unenforceability and the remaining provisions shall not be affected thereby.

13.14 Plan Headings. The headings in the Plan are for purposes of convenience only and are not intended to define or limit the construction of the provisions hereof.

13.15 Non-Uniform Treatment. The Board's determinations under the Plan need not be uniform and may be made by it selectively among persons who are eligible to receive, or actually receive, Awards. Without limiting the generality of the foregoing, the Board shall be entitled to make non-uniform and selective determinations, amendments and adjustments, and to enter into non-uniform and selective Award Agreements.

14. Termination or Suspension of the Plan. The Plan shall terminate automatically on the tenth anniversary of the Effective Date. No Award shall be granted pursuant to the Plan after such date, but Awards theretofore granted may extend beyond that date. The Board may suspend or terminate the Plan at any earlier date pursuant to Section 12.1 hereof. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

15. Choice of Law. The law of the State of Nevada shall govern all questions concerning the construction, validity and interpretation of this Plan, without regard to such state's conflict of law rules.

16. Currency. Unless otherwise specifically provided, all references to dollar amounts in this Plan are references to lawful money of the United States.
